Premier League Owners' Charter

As owners and Directors, we are the custodians of our Clubs and will uphold the spirit of these commitments.

1. We understand the vital role of our fans and we commit to listening to their views and protecting our Club's heritage.
2. We have collective responsibility for the continued success of the Premier League and want it to remain the most watched football league in the world.
3. We recognise the value each Club has to its broader community and the desire of each individual Club to win and to grow. We will run our Club in an economically stable, sustainable, and socially responsible manner.
4. We want to develop and attract the world's best players, coaches and managers to the Premier League.
5. We are committed to making football free from discrimination and abuse. The Premier League should be a place for everyone.
6. We understand the importance of a football pyramid that rewards success on the pitch, upholds promotion and relegation and qualification for other competitions by current sporting merit.
7. We will promote the strength and financial sustainability of English football, including our national teams and we will continue to support all levels of the game.
8. We support the competitiveness of the Premier League as one of its greatest assets but recognise that, off the pitch, there is strength in our collective unity. We will openly debate the issues facing us and protect Premier League and Shareholders' confidentiality in public.
9. We are collectively committed to the Premier League and recognise our responsibility to support it. We will not engage in the creation of new competition formats outside of the Premier League's Rules.
10. We believe that all Shareholders in the Premier League should have an equal voice. We will conduct our Club's dealings with good faith, honesty and the highest possible standards of professional behaviour and sporting integrity.

- using the methods referred to in Rule D.33.2.1, Club A's place in the League Table is 10th, with 15 League Matches televised live and a further three League Matches due to be televised live;
- the Board determines that, had the Competition been completed as scheduled, Club A would have had 25 League Matches televised live and if finishing the Competition in 10th place in the League Table, the Club would have received 10% of the total Central Funds payable in respect of that Competition, Club A will receive £100 million from the Reduced Central Funds.

 - E.66.2. notwithstanding Rule X.18.3, and with the sole exception of information concerning any specific Transactions considered by the Board in order to inform its decision under Rule E.60 (the **"Comparable Transaction Data"**) – the disclosure of which, if requested, shall be in accordance with Rule E.66.3 – no party shall be entitled to any disclosure in respect of the Databank (and for this purpose, all Persons bound by these Rules hereby undertake not to seek disclosure of the Databank in any forum for any purpose), and the tribunal shall not have jurisdiction to order disclosure of all or part of the Databank for any reason. All parties to these Rules agree that the non-disclosure of the Databank shall not prevent them having a fair and reasonable opportunity to present their case (or deal with that of their opponent(s)) in the context of an FMV Dispute; and
 - E.66.3. the Comparable Transaction Data shall only be disclosed on the following terms:
 - E.66.3.1. Comparable Transaction Data shall be disclosed upon request to external legal advisers and independent external experts acting for a party to an FMV Dispute (**"External Recipients of Data"**) but shall not be disclosed to any parties to such a dispute at any time (whether directly, indirectly through any External Recipient of Data or otherwise), subject to Rule E.66.4;

Comparable Transaction Data will be treated by each External Recipient of Data as strictly confidential and will be used by each such individual solely for the purpose of the proper conduct of the particular FMV Dispute in respect of which it has been disclosed and for no other commercial or other purpose whatsoever;
 - E.66.3.4. Comparable Transaction Data may only be shared with other External Recipients of Data who have provided a signed undertaking in respect of the specific Comparable Transaction Data in accordance with Rule E.66.3.1 and the tribunal;
 - E.66.3.5. any documents containing or referring to Comparable Transaction Data will be clearly marked as being 'Restricted Access – contains Comparable Transaction Data' and shall not be shared with any party to the dispute except insofar as all Comparable Transaction Data is redacted in advance;

- E.66.3.6. the parties agree that their external legal advisers and independent external experts may make submissions and give evidence to the tribunal respectively concerning Comparable Transaction Data without needing specific instructions from their instructing party (providing it is otherwise professionally appropriate to do so) in circumstances where that party will not have, and is not permitted to have, access to the Comparable Transaction Data. The parties further agree that this does not prevent them having a fair and reasonable opportunity to present their case (or deal with that of their opponent(s));
- E.66.3.7. any External Recipient of Data wishing to refer to Comparable Transaction Data during a hearing shall be responsible for indicating to the tribunal in advance that it wishes to do so to enable appropriate steps to be taken to maintain the confidentiality of such data. In particular, no party representatives (except External Recipients of Data) shall be permitted to be present for the part(s) of any hearing where Comparable Transaction Data is discussed and shall only be given a copy of the transcript for the hearing in which any such discussion has been redacted;
- E.66.3.8. insofar as the tribunal considers it necessary to refer to Comparable Transaction Data in its award(s), it shall provide a full copy to External Recipients of Data only and a redacted version for the parties; and
- E.66.3.9. Comparable Transaction Data (including any documents containing or referring to such data) shall be returned to the League and/or destroyed within 30 days of the award being made in an FMV Dispute by all External Recipients of Data; and
- E.66.4. the single arbitrator or chairman of the tribunal (as applicable) will have the power, in exceptional circumstances, where a party is able to demonstrate that it is necessary to remedy or avoid any unfairness in the process, to order disclosure of the Comparable Transaction Data to one or more identified representatives of the Club, subject at all times to the provisions of Rules E.66.3. Where such an order is made, the individual(s) to whom the Comparable Transaction Data is/are to be disclosed will be treated as External Recipients of Data for the purposes of Rules E.66.3.2 to E.66.3.5 and E.66.3.7 to E.66.3.9.

Guidance

A Club will not be penalised for a failure to provide a full and clear view of the whole pitch under these Rules if the permanent infrastructure of its Stadium is such that this is not possible (for example, due to the presence of stanchions supporting the roof of a stand), provided that its inability to provide such a full and clear view is communicated to the Board in the Technical Specification. Notwithstanding this, there must be no temporary or movable installations restricting the view.

International TV Commentary Positions

- K.53. Subject to Rule K.43, each Club shall provide at each League Match played at its Stadium:
- K.53.1. at least 15 International TV Commentary Positions (which need not be on the Television Gantry, provided that they are situated on the same side of the pitch as the Television Gantry and are sufficiently Hardwired for the receipt of the Broadcasters' feeds to monitors), of which five must have capacity for video and audio to be transmitted via a mini-camera to the Outside Broadcast Compound; and
 - K.53.2. no fewer than five additional seats for the use of International Broadcasters' technical staff.

Guidance

The mini-cameras referred to in Rule K.53.1 will be used to film commentators and not Match footage.

Section K: Stadium Criteria and Broadcasters' Requirements

- K.54. Each International TV Commentary Position shall:
- K.54.1. be situated as close to the half-way line as reasonably practicable;

 - K.54.4. be Hardwired;
 - K.54.5. have internet connectivity as set out in Rule K.45 and mains power;
 - K.54.6. have a full and clear view of the whole pitch; and
 - K.54.7. have a desk large enough to hold a monitor, two laptop computers and such commentary equipment as International Broadcasters may reasonably require.

Radio Commentary Positions

- K.55. Each Club shall provide at each League Match played at its Stadium at least 15 Radio Commentary Positions for use by Radio Broadcasters and (subject to the priority over such seats of the Radio Broadcasters) by any radio broadcasters with whom the Home Club or the Visiting Club has entered into a Club Radio Contract, and each such position shall:

Each Club shall provide at each League Match played at its Stadium a minimum of 10m² of secure storage space for use on match day to store equipment required by TV Broadcasters using the presentation positions referred to at Rule K.56, above. The storage must be located as near to the pitch as reasonably practicable to enable TV Broadcasters to efficiently set up and clear away the presentation areas at kick-off, half-time and after the final whistle.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

If a single suitable area cannot be identified, the storage area may consist of two separate areas (within close proximity to the pitch) amounting to 10m² in aggregate.

TV Broadcasters will be encouraged to only use the storage area for equipment required for use at the presentation positions so that the storage area is not used for equipment that could otherwise be stored at the Outside Broadcast Compound. TV Broadcasters will be instructed to lay flat or fold equipment that exceeds the height of the advertising boards when the storage area is located in front of supporter seating so that it does not interfere with the supporters' view of the pitch.

The storage area does not need to be for the exclusive use of the TV Broadcasters using the presentation positions; it can be used by the Club to store other items provided that the space available to the TV Broadcasters using the presentation positions is not less than 10m². The storage must be adequately stewarded in accordance with Rule K.44.

- K.58. In respect of each League Match for which TV Broadcasters are using the pitchside presentation positions referred to at Rule K.56, above, the Home Club shall ensure that no equipment that could cause a noise disturbance to any TV Broadcaster's Transmission from a pitchside presentation position is used on the pitch for at least 30 minutes after the final whistle, or, where notified by the League no later than three hours prior to kick-off, for 60 minutes after the final whistle.

- K.59.2. where the League confirms to the Home Club no later than seven days prior to a League Match to be played at its Stadium that more than 15 International Broadcasters will be in attendance, the Club must provide at least seven tunnel interview positions for the use of TV Broadcasters (five of which must be Hardwired).

Guidance

Where a Club is regularly required to provide additional tunnel interview positions, in accordance with Rules K.59.1 and K.59.2, it is recommended that it installs permanent Hardwiring to those positions, to be used as necessary.

- K.60. The tunnel interview positions shall be:
- K.60.1. located in the same stand as, and in close proximity to, the tunnel and the Players' dressing rooms;
- K.60.2. designed so that television interviews within them can be conducted against the Interview Backdrops; and
- K.60.3. configured and designed in such way so as to ensure that each position can be used simultaneously and without causing noise disturbance of any kind to the other positions.

Clubs should use such sound proofing and/or partitions as is/are necessary to satisfy the requirement set out at Rule K.60.3.

The size requirements of the additional tunnel interview positions required by Rules K.59.1 and K.59.2 will be agreed by the League and the relevant Club in each case.

Camera Positions: Match Coverage

- K.62. Each Club shall provide at each League Match played at its Stadium Hardwired positions for television cameras in accordance with the requirements of Appendix 3 to these Rules, save that in respect of all League Matches, the Home Club shall also provide a Hardwired fixed, unmanned camera position in the tunnel.
- K.63. Each Club shall:
- K.63.1. provide such pods and hoists as are necessary in order to ensure that all camera equipment can be installed in the required camera positions; and
- K.63.2. ensure there is safe access to and egress from (including in case of emergency) the required camera positions for all persons and equipment.

Guidance

A pod is a pair of scaffolding tubes fixed (at an equal distance apart) to the front of the camera position to support a camera mount. A hoist is a rope and pulley system for lifting equipment from floor level to working height. When fitting pods, Clubs should consult the League who will offer guidance on the dimensions required.

Camera Positions: Team and Supporter Arrivals

- K.64. Each Club shall provide at its Stadium a sufficient number of separate and static Hardwired camera positions to enable the filming of the arrivals of each team before each League Match.

Guidance

Guidance

With regard to the studio window, ideally the bottom of the window should be 50cm from the floor and the top of the window should be two metres from the floor.

 - K.67.10. have a lighting rig permanently installed on the ceiling except where it is agreed between the League and the Club that such installation is not required; and
 - K.67.11. have a roof that is designed to slop downwards away from the studio window (to the extent the studio has an external roof).

- K.68. In respect of studios constructed prior to 1 August 2022, each Club shall as soon as reasonably practicable and in any event prior to 1 August 2023, undertake any necessary action to ensure one of the studios (to be identified by the League):

Guidance

These seats will be for the use of working personnel of TV Broadcasters. The tickets for these seats will be distributed by the League, who will also monitor their use.

The location of, and facilities provided at, these seats should be such that they are equivalent to the press seats referred to in Rule K.93.

Clubs may provide fewer than 25 seats that are permanently equipped with the specified facilities if they can provide a plan (to be approved by the League) that demonstrates how 25 seats with the specified facilities could be made available within the 14-day deadline referred to in Rule K.43.

Where necessary, Clubs shall take appropriate steps to ensure that any television monitors installed for accredited representatives of TV Broadcasters cannot be observed during the League Match by supporters of either participating Club.

Reporter, Floor Manager and Match Manager Positions

- K.70. Each Club shall provide:
- K.70.1. at least eight seats (the positions of which shall be Hardwired) at each League Match played at its Stadium for the use of accredited representatives of UK Broadcasters, International Broadcasters, the League and the League's Appointed Production Partner. - K.71. Each Club shall provide one position at each League Match played at its Stadium for the use of the Match Manager, which must be situated:
 - K.71.1. sufficiently close to the position of the fourth official to enable the Match Manager to easily communicate with the fourth official during the League Match without needing to enter either technical area to do so; and
 - K.71.2. so as to enable the Match Manager to easily communicate with the floor manager(s) of the League's Appointed Production Partner and the Host Broadcaster (where applicable) during a League Match. If the Club is unable to fulfil this requirement at its Stadium it must permit the League or the League's Appointed Production Partner to install a system to facilitate such communication.

Guidance

Where reasonably possible, Clubs should provide additional positions for the floor managers of the Host Broadcaster (where applicable) and the League's Appointed Production Partner, located in close proximity to the Match Manager's position and so as to enable easy communication with the fourth official.

Visiting Club Analyst Positions

- K.72. Each Club shall provide at each League Match played at its Stadium three dedicated positions for the use of analysts of the Visiting Club, each of which shall:

Guidance

Further discussions will be undertaken with Clubs about the branding of the Mixed Zone. The League's preference is that Interview Backdrops should be used in Mixed Zones.

- K.76. Each Club shall at each League Match played at its Stadium permit accredited representatives of TV Broadcasters access to the tunnel interview positions referred to in Rules K.59 to K.61 to prepare for, set up and carry out all activity permitted by these Rules. Guidance

TV Broadcasters' representatives are only permitted access to the tunnel interview positions for the filming of the exchange of team sheets, interviews, team arrivals, match reports, and to conduct unfilmed, informal discussions with coaching staff where the latter choose to speak to Broadcasters (and for the avoidance of doubt they are not obliged to engage in such informal discussions although they are encouraged to do so) and all other activities required by these Rules.

Section K: Stadium Criteria and Broadcasters' Requirements

K.77.	Each Club shall:
K.77.1.	ensure that, where required to do so by these Rules, it installs Hardwiring to the League's specification;

Each Club shall permit the installation of temporary cabling by Broadcasters sufficient to ensure the continuous Transmission of League Matches played at its Stadium in the event of the failure of any Hardwiring required by these Rules (in addition to any other measures that the League may specify in order to ensure such continuous Transmission).
Transmission of Pre-Match Media Conference	
K.79.	Each Club shall permit the League to install such facilities as are required to allow Broadcasters to enable the Transmission of the Club's Pre-Match Media Conference, where such facilities are not already in place (subject to any embargo implemented in accordance with Rule K.121).

Guidance

The League shall notify Clubs of the match day and non-match day power supply specifications for the forthcoming Season by no later than the preceding 30 June. For the avoidance of doubt, the non-match day operations referred to in Rule K.80 shall be limited to the Broadcasters' set-up for the match day.

To the extent permitted under applicable laws and regulations, each Club may require that carbon emissions which are measurable within their Stadium footprint as a direct result of the Broadcasters' power supply requirements for non-matchday operations (referred to at Rule K.97) are attributed to the relevant Broadcaster(s) for environmental reporting purposes.

Section K: Stadium Criteria and Broadcasters' Requirements

Rapid Electric Vehicle Charging Points	
K.82.	Each Club shall make available at each League Match played at its Stadium a minimum of four rapid electric vehicle charging points (the precise location to be agreed between the League and the Club) that shall be for the use of TV Broadcasters for the full match day, provided that the TV Broadcasters make a request for such rapid electric vehicle charging points no later than three days before the date of the League Match. The Club is permitted to require any representative of a TV Broadcaster using the rapid electric vehicle charging point to pay for any power used by the electric vehicle charging point provided any such payment does not exceed the cost incurred by the Club for the same.

K.85.1.	have sufficient drainage, waste disposal and recycling facilities;
K.85.2.	have at least one male and one female toilet facility for the exclusive use of TV Broadcasters that are available from the arrival of the TV Broadcasters on a match day until at least one hour after the final whistle. Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

These toilet facilities can be temporary provided that they comply with the specifications outlined at Rule K.85.2.

Where it is not possible for a Club to provide adequate toilet facilities within the Outside Broadcast Compound, alternative toilet facilities for the exclusive use of TV Broadcasters should be agreed between the Club and the League.

K.86. The Outside Broadcast Compound shall have an unobstructed view of the southern horizon such as to allow satellite uplinking or, if the Outside Broadcast Compound does not have such unobstructed view, the Club must provide an additional area as close as reasonably practicable to the Outside Broadcast Compound to enable satellite uplinking.

Guidance

The identity of the suppliers of the relevant 'network access facility' for the purpose of Rule K.85 will be notified to Clubs by the League in advance of each Season.

With regard to Rule K.86, if an additional area is needed because satellite uplinking is not reasonably practicable from the Outside Broadcast Compound, then the additional area must be sufficiently large (approximately 120m²) to accommodate six satellite news gathering trucks.

Clubs should be aware of the additional provisions regarding the Outside Broadcast Compound at Rule K.47.

Official Club Team Sheets

K.87. Each Home Club shall provide to the Match Manager the official team sheets of both the Home Club and the Visiting Club as soon as reasonably practicable after they have been submitted to the referee pursuant to Rule L.22.

Access to the refreshment facilities may be staggered.

Clubs may locate the refreshment facilities in the Media Working Area before it is made available to accredited representatives of the media, or in its the hospitality area before it is made available to hospitality guests. Some representatives of TV Broadcasters (for example, those who are in attendance to report or commentate on the League Match) will not require use of these refreshment facilities during the timeframe agreed between the League and the Club and will instead attend the Media Working Area in accordance with Rule K.91, below. TV Broadcasters will confirm the number of their accredited representatives that will attend these refreshment facilities for each League Match and the timeframe in which they will attend the refreshment facilities within the 14-day deadline referred to in Rule K.43.

- K.96. Each Club must:
- K.96.1. save where the works are urgent as a result of an emergency, inform the League of any proposed building works at any part of its Stadium that could affect its ability to provide, or allow accredited representatives of Broadcasters access to, the facilities specified in this Section K (Stadium Criteria and Broadcasters' Requirements) as soon as reasonably practicable and in any event prior to the commencement of such works; and
 - K.96.2. obtain the prior approval of the League for any architectural or other plans relating to the construction or refurbishment of facilities required in this Section K. Such approval must be sought prior to any planning application (save where it is agreed by the League and the Club that no planning application is required) and provide the League with a reasonable timeframe in which to consider and respond to the request (which will be no less than 14 days) before any planning application is made (or if no planning application is required, before construction is due to begin). If no response is received from the League within that timeframe approval will be deemed to be granted.

Access to Stadia for TV Broadcasters' Non-Match Day Set Up

- K.97. Each Club shall provide the necessary access to TV Broadcasters from two days prior to each League Match played at its Stadium to enable the TV Broadcasters to set up the equipment required to facilitate the Transmission of the League Match. Requests made by TV Broadcasters for access to the Stadium earlier than two days prior to the League Match for this purpose should be accommodated by the Club as far as reasonably practicable. The Club shall ensure that appropriate Officials are present on these days to enable the TV Broadcasters to finalise the set-up of their equipment.

Section K: Stadium Criteria and Broadcasters' Requirements

K.98. Where the Home Club's team undertakes a training session on the pitch on a day that a TV Broadcaster is in attendance at the Stadium to set up the equipment required to facilitate the Transmission of the League Match, the TV Broadcaster shall not be present at pitch level for the duration of the training session. However, the Club shall permit the TV Broadcaster to continue working in any area above pitch level for the duration of the training session (unless otherwise agreed between the Club and the League that the TV Broadcaster shall also vacate the area above pitch level for no more than 90 minutes).

Content Sessions

K.99. Unless otherwise agreed by the League, each Club shall ensure that, during the six days preceding the day of each League Match, there is a period of two hours during which all TV Broadcasters (including such number of International Broadcasters as the League may determine) and the League's Appointed Production Partner may conduct the discussions and/or record the content and/or conduct the interviews with Players and the Manager required by Rules K.108 to K.117 ("**Content Session**"). The Content Sessions required by Rules K.108 to K.117 may take place virtually, if so requested by the relevant Club and/or relevant Broadcaster(s), and agreed by the League.

Guidance

Interviews conducted during Content Sessions should not take place in front of a branded backdrop or in a location where any prominent branding is visible.

Content Sessions may be used by the League's Appointed Production Partner and TV Broadcasters to capture digital content for use on the TV Broadcasters' social media platforms (the nature of such content to be mutually agreed between the League or Broadcaster and the Club).

Any Club that commences a Content Session after the time provided for by the Club in accordance with Rules K.108.3 or K.112.2 may be considered by the League to be in breach of its obligation to provide that Content Session. In in all circumstances, UK Content Sessions that commence 60 minutes after that time will be considered to be a breach of the relevant Club's obligations to provide that Content Session.

K.100. Each Club must ensure that its training ground includes a suitable, dedicated room in which (subject to Rules K.110 and K.116, below) the recording and interviews required by Rules K.108 to K.117 can be carried out. This room must measure no less than 2.5 metres by 2.5 metres and must be equipped with suitable facilities to enable the recording of interviews by TV Broadcasters, including, for example, mains power, sound proofing, black-out blinds and curtains on all windows and isolated air conditioning.

K.101. Prior to the start of each Season, each Club shall provide at least four locations at its training ground (precise locations to be mutually agreed between the Club and the League but one of which being the dedicated room referred to at Rule K.100, above) that can be used for the Content Sessions required by Rules K.108 to K.117.

Section K: Stadium Criteria and Broadcasters' Requirements

K.102. Each Club shall, upon the request of the League or the League's Appointed Production Partner, permit the League's Appointed Production Partner and/or TV Broadcasters access to its Stadium for a continuous and uninterrupted period of no more than two hours within the period commencing 48 hours prior to any League Match played at its Stadium (the specific timing of which to be mutually agreed between the Club and the League) during which they can film and present. Specific filming locations shall be mutually agreed between the Club and the League, but shall where reasonably practicable include:

- K.102.1. the Stadium exterior;
- K.102.2. the Stadium bowl;
- K.102.3. the Home Club dressing room; and
- K.102.4. the tunnel area.

K.103. Each Club shall ensure that, in each case, its Content Session takes place on a date when its subsequent first team match is a League Match.

Guidance

The League may waive or vary the requirements set out in Rule K.103 (at its absolute discretion) in exceptional circumstances and upon request from a Club if, for example, the proximity in time between a match in the UEFA Europa League or UEFA Europa Conference League competition and the subsequent League Match and/or the location of the relevant UEFA Europa League or UEFA Europa Conference League Match makes it impracticable for the Club to arrange its Content Session at a time when its subsequent first team match is a League Match. A Club seeking a waiver or variation of these requirements from the League in respect of a particular Content Session must notify the League of that fact in good time and abide by the League's decision as to whether or not to grant the Club's request.

In lieu of a conventional interview, any Broadcaster entitled to attend a Content Session may apply to the League for permission to use its allotted time in that Content Session for a background briefing with the Player(s) and/or the Manager who will be made available. Such an application will only be granted by the League with the permission of the Club concerned.

Mid-Season Media Access Session

K.104. Each Club shall make no fewer than three Players available to the League's Appointed Production Partner for a continuous and uninterrupted period of no less than 60 minutes no earlier than one month before, and no later than one month after, match round 19 of each Season (the "**Mid-Season Media Access Session**"). The date and location of the Mid-Season Media Access Session, and the identity of the Players who shall participate in the Mid-Season Access Session, shall be mutually agreed between the Club and the League (such Players having participated in at least 10 League Matches in the relevant Season unless otherwise agreed).

**Training Ground and Stadium Filming**

- K.105. At least once per calendar month (with the exception of the months of June and July, and any calendar month in which there is an international break lasting 14 consecutive days or more), each Club must permit TV Broadcasters and the League's Appointed Production Partner to film and Transmit live at the TV Broadcasters' or the League's request (through the presence of one or more on-site reporters, technicians and/or producers, if required) one uninterrupted period of no less than 15 minutes of a Club training session involving the first team squad. Clubs must give no less than 48 hours' notice to the League of each such session and may limit the proximity of TV Broadcasters and the League's Appointed Production Partner to a maximum of 30 metres from the pitch on which the training session is to take place. In circumstances in which the Club's first team squad is training at a location other than its training ground, Clubs shall, in satisfaction of their obligation under this Rule K.105:
- K.105.1. invite TV Broadcasters and the League's Appointed Production Partner to capture the content required by this Rule K.105 at that other location, such invitation to be given at least one week prior to the relevant training session; or
- K.105.2. provide the League's Appointed Production Partner with footage of a training session at that location filmed for their own media channels.
- K.106. At least once per calendar month (with the exception of the months of June and July), each Club shall provide the League's Appointed Production Partner with at least five minutes of edited footage taken at the Club's training ground or other location (the content of which to be varied over any one Season). Clubs may publish the footage captured in accordance with this Rule K.106 on their own media channels provided that they provide the footage to the League's Appointed Production Partner no later than the point at which it is published on those media channels.

Guidance

Any content provided by Clubs or filmed by the League's Appointed Production Partner for the purposes of Rule K.106 will be distributed for the use of TV Broadcasters, unless otherwise agreed with the relevant Club. Any such content shall be used by TV Broadcasters in accordance with the terms of their contract with the League, which restricts use of that content to authorised purposes only.

Examples of footage to be provided in accordance with Rule K.106 include content from the first team's training session (such as goal scoring, shooting practice and goalkeeper saves) and 'behind the scenes' content filmed pre- and post-training.

If agreed between the Club and the League, some or all of the footage required at Rule K.106 may be captured by an accredited representative of the League.

The League may grant dispensation to Clubs from the requirements of Rule K.106 where training schedules, fixtures in other competitions or international breaks make compliance with the Rule impractical. In such circumstances, Clubs should seek dispensation from the League as far in advance of the affected week(s) as reasonably possible.

- K.107. Twice per Season, and only if agreed between the League or the League's Appointed Production Partner and the Club, each Club shall make available a Club representative (whose identity shall be mutually agreed in advance between the League or the League's Appointed Production Partner and the Club) for a continuous and uninterrupted period of no less than 60 minutes for an interview (to be conducted by TV Broadcasters and/or the League's Appointed Production Partner) at the Club's training ground or Stadium.

Guidance

The Club representative required by Rule K.107 could be, by way of example, a senior Club executive or a senior member of the coaching, sports science, scouting or other backroom staff.

UK Content Sessions

- K.108. In respect of a League Match to be Transmitted live by a UK Broadcaster, each participating Club shall be required to make its Players and/or its Manager available for a Content Session with that UK Broadcaster (a "**UK Content Session**"), in accordance with the following requirements:
- K.108.1. in advance of the League Match to which the UK Content Session relates, the relevant UK Broadcaster will provide each participating Club (with a copy to the League) with a shortlist of two Players that it wishes to be made available for the UK Content Session;
- K.108.2. subject to Rule K.109, below, each participating Club must make (at least) one of the two Players included on the shortlist referred to at Rule K.108.1, above, available for the UK Content Session and must inform the relevant UK Broadcaster (with a copy to the League) which of the two Players it has selected when providing the notice referred to at Rule K.108.3, below. The Player(s) made available in accordance with this Rule K.108.2 shall, upon the request of the relevant UK Broadcaster made at least 10 days prior to the League Match to which the Content Session relates, be different to the Player(s) made available for the International Content Session in accordance with Rule K.112.1, unless otherwise agreed between the Club and the UK Broadcaster;
- K.108.3. unless otherwise agreed by the League (and subject to Rules K.110 and K.111, below), each Club shall give the League and the relevant UK Broadcaster at least: (a) six days' notice of the name(s) of the Player(s) who will be made available for the UK Content Session to which the League Match relates, selected in accordance with this Rule K.108; and (b) seven days' notice of the date, time, and location of the UK Content Session;
- K.108.4. in the event that the Player selected by the Club becomes unable to participate in that UK Content Session due to illness, injury or other exceptional circumstance, the Club must: (a) inform the relevant UK Broadcaster (with a copy to the League) as soon as reasonably possible; and (b) ensure that the second Player included on the shortlist referred to at Rule K.108.1, above, is made available as a replacement, or another suitable alternative is provided who is acceptable to the Broadcaster;
- K.108.5. each participating Club must make its Manager available for each UK Content Session; and
- K.108.6. each participating Club must ensure that:
- K.108.6.1. at the request of a UK Broadcaster that is Transmitting the League Match live, the Player(s) selected to participate in a UK Content Session (and who, for the avoidance of doubt, is not participating in an International Content Session) shall be made available for a continuous and uninterrupted period of no less than 30 minutes for filming and/or interview by the relevant UK Broadcaster, provided that no such Club shall be required to accede to such a request more than five times per Season; and
- K.108.6.2. in all other circumstances, its Player(s) or Manager who is selected to participate in a UK Content Session is made available for a continuous period of no less than 15 minutes for filming and/or interview by the relevant UK Broadcaster.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

Broadcasters will be encouraged to provide the shortlist referred to at Rule 108.1 as far in advance of the League Match in question as possible to allow Clubs sufficient time to meet their obligations under Rule K.108.3 (and, in any event, such shortlists should be sent to Clubs no later than 24 hours before the deadline set out in Rule K.108.3). Any delay in the submission of such shortlists by Broadcasters will be taken into account by the League when considering Clubs' compliance with Rule K.108.3.

The League recognises that there may be weeks in which Clubs play two (or indeed in exceptional cases more than two) League Matches, e.g. over the Christmas period, and the League will take account of this fact when monitoring compliance with these Rules. The League will monitor Broadcaster access during such times to ensure that unreasonable demands are not being placed on Clubs.

- K.109. The selection of Players to be made available by Clubs for UK Content Sessions throughout the Season is subject to the following:
- K.109.1. subject to Rules K.109.2 and K.109.3, below, each Player listed on a Club's Squad List must be made available by the Club, in accordance with Rule K.108, above, for no fewer than 75% of the UK Content Sessions for which he is selected (by his inclusion on the shortlists referred to at Rule K.108.1, above);
 - K.109.2. no Club will be required to make any Player available for two consecutive UK Content Sessions;
 - K.109.3. no Club will be required to make any Player available for UK Content Sessions on more than six occasions per Season; and
 - K.109.4. each Club is entitled to apply to the Board for special dispensation for a Player to be granted an exemption from the requirements of Rule K.108, above, for a period of up to four weeks. The Board will only grant such special dispensation in exceptional circumstances and only once per Season in respect of each Player. Should a Club wish to make an application for special dispensation in accordance with this Rule, it must do so in writing to the Board, citing reasons (and, where appropriate, providing supporting evidence) for its application. The Board's decision as to whether or not to grant such special dispensation in each case is final and not subject to challenge. Where such dispensation is granted, the Board will confirm to the Club how that dispensation affects the Player's remaining obligations under Rules K.108 to K.115 for the remainder of the Season.

Guidance

By way of example, should a Player be shortlisted for UK Content Sessions on five occasions throughout the Season, he must be made available by the Club on four of those occasions. If it is determined at the end of the Season that a Player has been made available by his Club for fewer than 75% of the UK Content Sessions for which he has been shortlisted, that Club will be in breach of Rule K.109.

Clubs are free to exceed the minimum requirements referred to at Rule K.109 (by, for example, making a Player available for more than six UK Content Sessions and/or more than 75% of the UK Content Sessions for which he has been shortlisted), should they wish to do so.

Section K: Stadium Criteria and Broadcasters' Requirements

- K.110. Each Club shall ensure that:
- K.110.1. when requested, and on no fewer than five occasions per Season, its UK Content Session takes place at a location other than its training ground (the date and location of such UK Content Session to be agreed by the Club and the relevant UK Broadcaster). Subject to the agreement of the UK Broadcaster, the Player made available for a UK Content Session provided in accordance with this Rule K.110.1 may be the same Player made available for an International Content Session required by Rule K.112.1, below;
 - K.110.2. when requested, and on no more than six occasions per Season, its UK Content Session takes place at the dedicated room at its training ground referred to at Rule K.100, above; and
 - K.110.3. all UK Content Sessions to which Rules K.110.1 and K.110.2, above, do not apply take place at the locations referred to at Rule K.101 (excluding the dedicated room referred to at Rule K.100).

Guidance

Where possible, the UK Content Sessions referred to at Rule K.110.3 are to be equally split across the locations referred to at Rule K.101 (excluding the dedicated room referred to at Rule K.100).

- K.111. Each Club shall ensure that, on no fewer than five occasions per Season, it makes two or more of its Players available together for a UK Content Session. The date of such Content Session in each case shall be subject to the agreement of the Club and the relevant UK Broadcaster. Where it is agreed between the Club and the relevant UK Broadcaster that two or more Players will be made available together for a Content Session, the identity of the Players to be made available will be determined as follows:
- K.111.1. the relevant UK Broadcaster will provide the Club (with a copy to the League) with a shortlist of two Players, from which the Club will select one Player to be made available for the Content Session;
 - K.111.2. subject to Rule K.109, above, once the identity of the first Player to be made available is confirmed by the Club to the relevant UK Broadcaster, the UK Broadcaster will then provide a further shortlist of two Players, which may include a Player included on the shortlist referred to at Rule K.111.1, above, (with a copy to the League), from which the Club will select one Player to be made available for the Content Session; and
 - K.111.3. in the event that the relevant UK Broadcaster and the Club agree that one or more further Player(s) will be made available for the Content Session, their identity in each case will be determined by means of the process referred to in Rule K.111.2, above.

International and Non-Live Content Sessions

- K.112. Subject to Rule K.116, below, in respect of each League Match:
 - K.112.1. both participating Clubs shall ensure the attendance of (at least) one Player and/or the Manager during the Content Session for discussion and/or recording and/or interview by International Broadcasters, non-live UK Broadcasters and the League's Appointed Production Partner, for a period of no less than 45 minutes (an **"International Content Session"**);
 - K.112.2. both participating Clubs shall give the League at least one weeks' notice of the date, time and location of their respective International Content Session (subject to Rule K.116) and the name(s) of the individual(s) who will be made available for the International Content Session. These details may be amended in each case, subject to the agreement of the League, in exceptional circumstances and provided that no such amendment is made within 72 hours of the League Match to which the International Content Session relates;
 - K.112.3. in the event that the individual(s) selected by the Club in accordance with Rule K.112.2, above, becomes unable to participate in that International Content Session due to illness, injury or other exceptional circumstance, the Club must: (a) inform the League and the relevant Broadcaster and/or the League's Appointed Production Partner as soon as reasonably possible; and (b) ensure that a suitable alternative individual(s) is provided who is acceptable to the League and/or the relevant Broadcaster; and
 - K.112.4. any Player(s) to be made available by the Club for an International Content Session must have featured prominently in any of the Club's previous three League Matches (assessed as at the date when the notice referred to in Rule K.112.2, above, is provided to the League).

Guidance

There may be occasions in which a Club wishes to make a Player available for an International Content Session who does not meet the criteria specified in Rule K.112.4, but who is nevertheless editorially relevant (for example, a Player who has recently recovered from injury or who has been recently signed). In such circumstances, Clubs should consult with the League, which may provide dispensation from the requirements of Rule K.112.4, where it agrees with the editorial relevance of the Player.

Any content captured in accordance with Rule K.112 may be used on the League's own digital channels subject to any applicable holdback agreements.

- K.113. Each Club shall ensure that:
 - K.113.1. when requested, and on no fewer than five occasions per Season, its International Content Session takes place at a location other than its training ground (the date and location of such International Content Session to be agreed by the Club and the relevant International Broadcaster or the League's Appointed Production Partner);
 - K.113.2. when requested, and on no more than 10 occasions per Season, its International Content Session takes place at the dedicated room at its training ground referred to at Rule K.100, above; and
 - K.113.3. all International Content Sessions not addressed at Rules K.113.1 and K.113.2, above, take place at the locations referred to at Rule K.101 (excluding the dedicated room referred to at Rule K.100).

Guidance

Where possible, the International Content Sessions referred to at Rule K.113.3 are to be equally split across the locations referred to at Rule K.101 (excluding the dedicated room referred to at Rule K.100).

- K.114. In respect of each League Match, each International Content Session must take place by the following deadlines:

Day of League Match	Deadline for International Content Session
Saturday, Sunday or Monday	Within six days of the League Match, to start no later than 13:30 on the immediately preceding Friday.
Tuesday	Within six days of the League Match, to start no later than 13:30 on the immediately preceding Monday.
Wednesday	Within six days of the League Match, to start no later than 13:30 on the immediately preceding Tuesday.
Thursday	Within six days of the League Match, to start no later than 13:30 on the immediately preceding Wednesday.
Friday	Within six days of the League Match, to start no later than 13:30 on the immediately preceding Thursday.

Guidance

The League may grant dispensation to Clubs from the deadlines set out in Rule K.114 where training schedules and/or fixtures in other competitions make adhering to such deadline impracticable. In such circumstances, Clubs should seek such dispensation as far in advance of the relevant deadline as reasonably possible to allow the League to consider the request and its effect on Broadcasters.

Section K: Stadium Criteria and Broadcasters' Requirements

- K.115. Over the course of each Season, each Club shall ensure that:
- K.115.1 its Manager is made available for International Content Sessions on no fewer than three occasions;
 - K.115.2 each of its Players is made available for International Content Sessions as follows:
 - K.115.2.1 if the Player has been included in his Club's starting line-up in respect of 30 or more League Matches throughout the Season, that Player must have been made available by his Club for no fewer than three International Content Sessions;
 - K.115.2.2 if the Player has been included in his Club's starting line-up in respect of 20 or more League Matches throughout the Season, that Player must have been made available by his Club for no fewer than two International Content Sessions; and
 - K.115.2.3 if the Player has been included in his Club's starting line-up in respect of 10 or more League Matches throughout the Season, that Player must have been made available by his Club for at least one International Content Session;
 - K.115.3 subject to Rules K.112 and K.115.1, every International Broadcaster that wishes to attend one of the Club's International Content Sessions is permitted to do so and is given no less than 10 minutes of access to interview either: (a) one of the Club's Players; or (b) its Manager; and
 - K.115.4 upon the request of a non-live UK Broadcaster in respect of a League Match that is taking place on a weekend but is not being Transmitted live in the UK (but on no more than three occasions per Season and subject to Rules K.112 and K.115.1) at least one of the Club's Players is made available to non-live UK Broadcasters for a period of no less than 30 minutes (a **"Non-Live Content Session"**). At least seven days in advance of a Non-Live Content Session, each Club shall:
 - K.115.4.1 give the League and the relevant non-live UK Broadcaster notice of the date, time and location of the Non-Live Content Session; and
 - K.115.4.2 provide the non-live UK Broadcaster with a shortlist of at least five Players (who, unless otherwise agreed between the Club and the League, have featured prominently in one of the Club's previous three League Matches), from which the Club will select one Player who will be made available for the Non-Live Content Session.

Guidance

Regardless of the number of International Broadcasters present, Clubs are only required to provide (at least) one Player and the Manager for the 45 minutes specified in Rule K.112. However, Clubs should be aware that the requirement that the Player and/or Manager be made available for a 45 minute period during the International Content Session remains even in the event that no International Broadcasters are in attendance. In those circumstances, the League may use the full 45 minute entitlement, if necessary. UK Broadcasters should request that a Club provide a Non-Live Content Session at least 10 days prior to the League Match to which the Non-Live Content Session relates.

Clubs may provide the access to non-live UK Broadcasters required under Rule K.115.4 in one continuous period or in two separate sessions each being no less than 15 minutes in length.

Section K: Stadium Criteria and Broadcasters' Requirements

- K.116. On no fewer than four occasions during each Season (the dates of which are subject to the agreement of the Club and the League's Appointed Production Partner), a Club must make two or more of its Players available together for an International Content Session. In such cases, the League's Appointed Production Partner will provide the relevant Club with a shortlist of at least three Players (by no later than seven days prior to the date on which the relevant International Content Session is to take place) from which the Club will select the two or more Players who will be made available for the International Content Session.

Guidance

The International Content Sessions referred to at Rule K.116 may be carried out in parallel, meaning that (subject to the agreement of the League) a Club may make more than one of its Players available for an International Content Session to take place away from the dedicated room referred to in Rule 100.

Additional League Content Sessions

- K.117. On no fewer than four occasions during each Season, in each case in lieu of its requirement to participate in an International Content Session in accordance with Rule K.112, above, each Club shall, at the request of the League's Appointed Production Partner or relevant International Broadcaster, make available one Player or its Manager for a continuous period of no less than 60 minutes for the recording of additional 'in-depth' feature content by the League's Appointed Production Partner (the **"Feature Session"**), subject to the following:
- K.117.1 the date and time of each Feature Session shall be mutually agreed between the Club and the League's Appointed Production Partner;
 - K.117.2 one of the Feature Sessions shall take place on a training pitch to facilitate the filming of particular skills or training session (the **"Masterclass"**). The date of the Masterclass and the activity that will take place during it shall be mutually agreed between the Club and the League's Appointed Production Partner;
 - K.117.3 in advance of each Feature Session, the League's Appointed Production Partner shall provide the relevant Club with a shortlist of four individuals (either Players and/or the Manager) from which the Club will select one who will be made available for the relevant Feature Session; and
 - K.117.4 an individual's participation in a Feature Session (whether a Player or the Manager) shall not count towards the League's assessment of compliance with Rule K.115.

Guidance

The League's Appointed Production Partner shall give the Clubs as much notice as reasonably practicable in respect of the date of the Masterclass, and in any event such notice shall be no less than seven days.

- K.118. Each Club shall provide the League's Appointed Production Partner with access to its training ground for one day each Season to film 'behind the scenes' content, the precise details of which (including the time, date and location of the filming) shall be mutually agreed between the Club, the League and the League's Appointed Production Partner.

Guidance

Any content provided by Clubs or filmed by the League's Appointed Production Partner for the purposes of Rule K.118 will be distributed for the use of TV Broadcasters, unless otherwise agreed with the relevant Club. Any such content shall be used by TV Broadcasters in accordance with the terms of their contract with the League, which restricts use of that content to authorised purposes only.

Section K: Stadium Criteria and Broadcasters' Requirements

- K.119. Within a week of the final League Match of each Season, the League Champions for that Season must participate in five additional features with the League and the UK Broadcaster designated by the League (the **"Champions' Features"**) in accordance with the following conditions:
- K.119.1. of the five Champions' Features, no fewer than three must include interviews with one or more Players who have played a significant role in the Club's performance throughout the Season; and
 - K.119.2. the content of each of the Champions' Features must be agreed by the Club, the League and the UK Broadcaster designated by the League.

Guidance

In the event that the League Champions are required to participate in any other competitions during the week following the final League Match of the Season, making compliance with Rule K.119 impractical, the League and the Club will agree revised dates outside the deadline in Rule K.119 but as soon as possible thereafter.

Pre-Match Media Conference

- K.120. In addition to the requirements of Rules K.108 to K.115, each Club shall ensure that its Manager attends a media conference with Broadcasters and, at its discretion, such other accredited representatives of the media as the Club considers appropriate, to be scheduled as follows:

Day of League Match	Day of Pre-Match Media Conference
Saturday, Sunday or Monday	Thursday or Friday to start no later than 13:30 (save for exceptional circumstances, to be managed and monitored by the League, e.g. in the case of late return from a fixture in the UEFA Europa League).
Tuesday	Monday to start no later than 13:30.
Wednesday	Monday or Tuesday to start no later than 13:30.
Thursday	Tuesday or Wednesday to start no later than 13.30pm.
Friday	Wednesday or Thursday to start no later than 13.30pm.

- K.121. Each Club must allow UK Broadcasters and the League access to the Pre-Match Media Conference for the Transmission of that conference. Clubs must not delay or otherwise restrict the Transmission of the Pre-Match Media Conference for any longer than 30 minutes after the commencement of that conference.

Section K: Stadium Criteria and Broadcasters' Requirements

Pre-Match Filming

- K.122. In addition to the requirements of Rule K.132, each Club shall:
- K.122.1. by no later than two weeks prior to each Club's first League Match of the Season, the Club and the League shall agree three positions within the Stadium that may be utilised by Broadcasters for pre-match filming prior to each League Match (**"Pre-Match Positions"**), one of which shall be the Home Club's dressing room; and
 - K.122.2. make available at each League Match played at its Stadium at least two Pre-Match Positions (one of which shall be the Home Club's dressing room).
- K.123. By no later than two weeks prior to each League Match, the Home Club must notify the League:
- K.123.1. which of the Pre-Match Positions will be available to Broadcasters in advance of the League Match; and
 - K.123.2. a continuous period of 60 minutes, within the period between four hours and two hours prior to kick-off (precise details to be agreed between the League and the Club), when filming can take place by Broadcasters at the designated Pre-Match Positions.

Guidance

Examples of suitable Pre-Match Positions include the dugout(s), the Manager's office, the Directors' Box and/or the tunnel area. The League will ensure that only one Broadcaster at a time is permitted to film at the designated Pre-Match Positions.

- K.124. Prior to each League Match to be Transmitted live in the UK, the Home Club must agree with the UK Broadcaster and the League's Appointed Production Partner the details of a continuous and uninterrupted period of 45 minutes, within the period between 120 minutes and 15 minutes prior to kick-off, when they can film and present from a location on the pitch (the exact pitch position(s) to be mutually agreed between the UK Broadcaster or the League's Appointed Production Partner and the Club). Where requested, a maximum of two International Broadcasters and the League's Appointed Production Partner shall also be permitted to film and present from the agreed positions during the same 45 minute period.

Guidance

Where by reason of adverse weather conditions (or other exceptional circumstances), the filming referred to in Rule K.124 poses a risk to the condition of the pitch, the requirements of Rule K.124 may be waived with the agreement of the League.

The League will monitor requests to conduct the filming referred to in Rule K.124 to ensure: (a) that requests to do so are made sufficiently in advance of the League Match to enable the Club to properly plan and to ensure that the timing and location of the filming can be recorded in the documents circulated by the relevant Match Manager in the week leading up to the League Match; and (b) that the filming does not in any way impact upon pre-Match warm-ups by either team or negatively affect the quality of the pitch.

- K.125. On the day of a League Match each participating Club shall, when requested by the League's Appointed Production Partner, use reasonable efforts to provide pre-match footage featuring at least one Player or the Manager, filmed on a mobile device and not exceeding 60 seconds to the League's Appointed Production Partner no later than 15 minutes prior to kick-off for use on TV Broadcasters' digital media channels.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

Any content provided by Clubs or filmed by the League's Appointed Production Partner for the purposes of Rule K.125 will be distributed for the use of TV Broadcasters, unless otherwise agreed with the relevant Club. Any such content shall be used by TV Broadcasters in accordance with the terms of their contract with the League, which restricts use of that content to authorised purposes only.

Footage provided in accordance with Rule K.125 should be editorially relevant. Examples of such footage could include a pre-match meal, the team walking on the pitch, or an interview or self-shot piece to camera of a Player discussing the League Match or sending a message to the Club's supporters. Where reasonably practicable, the mobile footage should be recorded by the Players.

If agreed between the Club and the League, the footage required at Rule K.125 may be captured by an accredited representative of the League's Appointed Production Partner.

Match Day Filming

- K.126. Each Club shall, at the request of the League or the League's Appointed Production Partner, permit an accredited representative of the League's Appointed Production Partner access to the following areas to capture content throughout the day of a League Match:
- K.126.1. the tunnel area;
 - K.126.2. the pitchside; and
 - K.126.3. for the duration of the League Match, a static position behind the goals.

Guidance

The League's Appointed Production Partner shall share the content captured in accordance with Rule K.126 with the Club so that the footage can be published on the Club's own media channels.

Interviews - General

- K.127. If interpretation into English is required for any interview taking place pursuant to Rules K.108 to K.115 (Content Sessions) or K.128 (Match Day Pre-Match Interviews), then it must be provided by the Club.

Match Day Pre-Match Interviews

- K.128. Each Club shall ensure that the following are made available for an interview with one TV Broadcaster (or the League's Appointed Production Partner) within the period between 45 minutes and 120 minutes before the kick-off of the League Match:
- K.128.1. one of its Players (whose identity shall be confirmed by the Club to the Match Manager and UK Broadcaster filming the League Match (the **"Host Broadcaster"**) at least 15 minutes before the interview) who is to be in the starting line-up of the League Match (but who must not be the Player who was made available for the interview required by this Rule prior to the previous League Match) who will be asked no more than three questions, all of which shall be related to that League Match; and
 - K.128.2. its Manager, such interview to take place after the team sheets have been publicly announced, the exact time to be agreed with the TV Broadcaster and Match Manager (and to be adhered to by the Club and Manager once so agreed).

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

With regard to Rule K.128.1, it is appreciated that if the pre-match interview takes place before the announcement of the teams, the Club Official nominating a Player to take part may not be aware of the starting line-up due to timing issues. Clubs may accordingly prefer to ensure that such interviews take place after the announcement of the teams. The League reserves the right to investigate a breach of this provision if the nominated Player is one who could reasonably have been anticipated would not start the League Match, and/or if a Club persistently nominates Players none of whom go on to start the League Matches in question.

If the Manager wishes to be interviewed before the announcement of the teams, this will be acceptable provided that the relevant TV Broadcaster (or the League) agrees, and provided that the Manager discloses his/her team selection to the relevant TV Broadcaster (or the League), who will keep this information strictly confidential until after the teams have been publicly announced which, as noted in Rule K.88, will not occur until 60 minutes before kick-off.

Either of the interviews referred to at Rule K.128, above, may take place in the Club's dressing room or any area proposed by the Host Broadcaster, subject to the agreement of the Club.

- K.129. Each Visiting Club shall, at the request of the League, the League's Appointed Production Partner or the Host Broadcaster (such request to be made no later than 24 hours before kick-off) and in each case in lieu of its requirement to facilitate the interviews provided for at Rule K.128, above, ensure that one of its Players (whose identity shall be mutually agreed between the Club and the League or League's Appointed Production Partner) or its Manager is made available for a short interview to be conducted on the pitch by the League's Appointed Production Partner or the Host Broadcaster before or during the pre-match warm-up. The timing of the interview shall be mutually agreed between the Club and the League, the League's Appointed Production Partner or the Host Broadcaster.

Guidance

A maximum of five interviews of Visiting Club Players as referred to at this Rule K.129 shall take place at any one Club's Stadium each Season.

The filming required by Rule K.129 should not in any way: (a) impact upon the Club's pre-match warm-up; or (b) negatively affect the quality of the pitch.

In circumstances in which there are safety or security concerns in relation to an interview referred to at Rule K.129 being delivered on the pitch, the Club and the League or the League's Appointed Production Partner may mutually agree to conduct the interview at a suitable alternative location.

For the avoidance of doubt, the time period in which the interviews referred to at Rule K.128 must take place shall not apply to interviews conducted in accordance with Rule K.129.

- K.130. In addition to the interview requirements at Rules K.128 and K.129, above, upon the request of the Host Broadcaster, each Club shall make available one of its Players (whose identity shall be agreed between the Club and the Host Broadcaster) or its Manager for an interview that will take place at the pitchside presentation position being utilised by the Host Broadcaster. The time of the interview shall be mutually agreed between the Club and the Host Broadcaster.

Technical Area Filming

- K.131. Each Club shall provide at its Stadium, and make available to the League's Appointed Production Partner and the Host Broadcaster upon request, a camera position in each technical area for remotely operated cameras (as referred to in Appendix 3 to these Rules), the specific location of which is to be agreed between the Club and the League.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

The cameras used in these camera positions shall have no audio functionality at source.

The Visiting Club may, up to three hours prior to kick-off, request that the camera position in their technical area be moved to an alternative position in the technical area, with that position to be agreed between the Visiting Club, the Home Club the League and the Host Broadcaster.

Dressing Room Filming

- K.132. In respect of each League Match to be Transmitted live by a UK Broadcaster, each participating Club shall permit the UK Broadcaster or the League to gain access to and film footage of its dressing room between the time that the Club's Strip has been laid out for the Players and the time that the Players arrive at the Stadium.

Guidance

Access to the dressing rooms will be for no longer than five minutes and will be monitored by the Match Manager, who will ensure that only the necessary TV Broadcaster and/or League personnel are present. Any footage will not be Transmitted until after the official team sheets have been published.

Half-time Interviews

- K.133. In respect of each League Match to be Transmitted live by a UK Broadcaster, the UK Broadcaster may request that the Manager (or a senior member of the coaching staff) of either or each participating Club provides an interview at the end of the half-time interval, before the re-start of the League Match. The Manager may elect to provide the interview requested or decline to do so, at his/her absolute discretion.

Post-Match Interviews, Mixed Zone and Post-Match Media Conference

- K.134. After the conclusion of each League Match, each participating Club must ensure that it makes its Player(s) and/or Manager available for interview strictly in accordance with the provisions of Rules K.139 to K.147, below. For the avoidance of doubt the relevant interviewees must remain so available until the interviews are concluded, even if this is after the times stated below.
- K.135. No Player or Manager who has been sent-off in a League Match or is suspended for a League Match will be required to be made available for interview during or after that League Match. In such circumstances, the media obligations relating to a Club's Manager shall be fulfilled by the Club's assistant manager or another senior member of its coaching staff.
- K.136. Where a TV Broadcaster is utilising a pitchside presentation position referred to at Rule K.56, each participating Club that is in a non-losing position at the final whistle shall, when mutually agreed with that TV Broadcaster, make its Player(s) and/or Manager required for the interviews referred to at Rules K.142 and K.143 available at the relevant pitchside presentation position instead of the Tunnel Interview Positions referred to at Rule K.76.

Guidance

In circumstances in which there are safety or security concerns in relation to an interview referred to at Rule K.136 being delivered at the pitchside presentation position, the Club and the League may mutually agree to conduct the interview at a suitable alternative location.

Section K: Stadium Criteria and Broadcasters' Requirements

- K.137. Each Club shall, upon the request of TV Broadcasters and unless otherwise agreed between the Club and the League, make the Player(s) and/or its Manager required at Rules K.142 and K.143, below, available for interviews to be Transmitted live directly to the TV Broadcasters' studios.
- K.138. Each Club that has won a League Match shall, when requested by the League or the League's Appointed Production Partner, use reasonable efforts to provide the League's Appointed Production Partner with no more than 60 seconds of footage filmed on a mobile device after the final whistle and featuring at least one Player or the Manager for use on TV Broadcasters' digital media channels. Such footage shall be provided to the League's Appointed Production Partner no later than 60 minutes after the final whistle.

Guidance

Any content provided by Clubs or filmed by the League's Appointed Production Partner for the purposes of Rule K.138 will be distributed for the use of TV Broadcasters, unless otherwise agreed with the relevant Club. Any such content shall be used by TV Broadcasters in accordance with the terms of their contract with the League, which restricts use of that content to authorised purposes only.

If agreed between the Club and the League or the League's Appointed Production Partner, the footage required at Rule K.138 may be captured by an accredited representative of the League's Appointed Production Partner.

'Super-Flash' interviews

- K.139. Prior to the conclusion of each League Match, the Host Broadcaster may notify a participating Club of a shortlist of three Players who participated in the League Match and who the Host Broadcaster wishes to interview immediately after the conclusion of the League Match and before returning to the dressing room (the "Super-Flash Interview"). Where mutually agreed between the Club and the Host Broadcaster prior to the conclusion of the League Match, the Super-Flash Interview(s) may take place on the pitch.

Guidance

Where the Super-Flash Interview(s) take place on the pitch, the Host Broadcaster may utilise the Aerial Cabled Wire Cameras (as referred to in Appendix 3 to these Rules) to record the Super-Flash Interview footage.

In circumstances in which, after the League Match, there are safety or security concerns in relation to an interview referred to at Rule K.139 being delivered on the pitch, the Club and the League may mutually agree to conduct the interview at a suitable alternative location.

- K.140. When in receipt of that shortlist, the relevant Club must select at least one of the shortlisted Players to be made available for the Super-Flash Interview, together with one further Player (who may or may not be one of the other Players shortlisted by the Host Broadcaster but must have featured prominently in the League Match) who must also be made available for the Super-Flash Interview.

Guidance

Where the shortlisted Player selected pursuant to Rule K.140 is unable to participate in the Super-Flash Interview due to a need to receive immediate medical treatment that becomes apparent to the Club after the conclusion of the League Match, the Club will not be in breach of Rules K.139 or K.140 in the event that it replaces that injured Player with another shortlisted Player who has already returned to the dressing room before being made available for the Super-Flash Interview.

Section K: Stadium Criteria and Broadcasters' Requirements

K.141. In the event that the Host Broadcaster does not wish to carry out the Super-Flash Interview to which it is entitled, any other UK Broadcaster present at the League Match may exercise that right (and in the event that no UK Broadcaster wishes to do so, the League may do so).

UK Broadcasters

K.142. In respect of each UK Broadcaster that has the right to the Transmission of a League Match, that UK Broadcaster is entitled to interview two Players and the Manager from each participating Club (save where that Club has provided a Super-Flash Interview to that UK Broadcaster in accordance with Rule K.139, above) following each League Match, in accordance with the following requirements:

- K.142.1. prior to the conclusion of the League Match, the UK Broadcaster may:
 - K.142.1.1. on no more than five occasions per Season notify a participating Club of a shortlist of two Players who participated in the League Match and who the UK Broadcaster wishes to interview following the League Match; and
 - K.142.1.2. on all occasions other than those referred to at Rule K.142.1.1, above, notify a participating Club of a shortlist of three Players who participated in the League Match and who the UK Broadcaster wishes to interview following the League Match;
- K.142.2. when in receipt of the shortlist referred to at Rule K.142.1, above, the relevant Club must select at least one of the shortlisted Players to be made available for interview with the UK Broadcaster, together with one further Player (who may or may not be one of the other Players shortlisted by the UK Broadcaster but must have featured prominently in the League Match) and the Club's Manager; and
- K.142.3. the relevant Players and the Manager must be made available for interview: (a) within 20 minutes of the conclusion of the League Match for interviews with a UK Broadcaster that has Transmitted the League Match live; and (b) within 45 minutes of the conclusion of the League Match for all other UK Broadcasters.

Guidance

In assessing compliance with the requirements of Rule K.142.3, the League will take account of whether the relevant UK Broadcaster submitted its shortlist to the Club prior to the conclusion of the League Match, as required.

International Broadcasters and the League

K.143. In respect of each League Match, each participating Club must ensure that at least one of its Players who featured prominently in the League Match and/or its Manager is made available for interview by International Broadcasters in attendance at the League Match and the League's Appointed Production Partner (subject to Rule K.145, below), in accordance with the requirements set out in Rule K.146, below. Any Player made available for interview by the League's Appointed Production Partner shall not be a Player made available for interview by the UK Broadcaster as required under Rule K.142, above, unless otherwise agreed with the League.

Section K: Stadium Criteria and Broadcasters' Requirements

K.144. Each participating Club is required to ensure that each International Broadcaster in attendance at the League Match and the League receive an interview by either a Player or its Manager in accordance with the deadlines set out in Rule K.146, below, save that a Club that has lost the League Match shall be required to provide such interviews to 15 International Broadcasters and the League (or more International Broadcasters, should they wish to do so). The interviews required by this Rule may take place virtually, if so requested by the relevant Broadcaster(s).

K.145. The identity/ies of the individual(s) to be made available for interview in accordance with Rule K.143, above, may be determined by the Club concerned at its discretion, however:

K.145.1. where it receives one or more requests from International Broadcasters that its Manager be made available for an interview, it must ensure that it makes its Manager available in accordance with the following requirements:

No. of requests by International Broadcasters	Minimum no. of interviews for which Manager must be made available
1	1
2	1
3	2
4	2
5	3
6	3
7 or more	3

and;

K.145.2. no Club may refuse four consecutive requests from the same International Broadcaster (in respect of four different League Matches) that a Player with the ability to speak in that International Broadcaster's local language is made available for an interview, unless otherwise agreed between the Club and the League.

Guidance

International Broadcasters may only request interviews from Players with the ability to speak in their local language for the purposes of Rule K.145.2 where one or more such Player(s) has participated in the League Match.

K.146. Each participating Club must make its Players and/or its Manager available for interviews with International Broadcasters and the League by the following deadlines:

K.146.1. within 20 minutes of the conclusion of the League Match for the League save that: (a) where a Player has provided a Super-Flash Interview to the League, he is not required to provide a further post-match interview to the League; and (b) for each League Match that is broadcast live by a UK Broadcaster, this deadline is extended to 30 minutes for Players/the Manager from a Club that has lost the relevant League Match;

Section K: Stadium Criteria and Broadcasters' Requirements

- K.146.2. within 30 minutes of the conclusion of the League Match for each International Broadcaster Transmitting the League Match live (save that this deadline is extended to 45 minutes for Players/the Manager from a Club that lost the relevant League Match); and
- K.146.3. within 45 minutes for each other International Broadcaster that has Transmitted the League Match.

Radio Broadcasters

- K.147. Each Club participating in a League Match must ensure that each Radio Broadcaster that has the right to the Radio Transmission of that League Match is permitted to interview: (a) at least one Player who featured prominently in the League Match; and (b) the Manager, following the League Match.

Guidance

For the avoidance of doubt, all Players selected for doping control following a League Match are still expected to comply with their obligations regarding Broadcaster access (save where the doping control officer refuses to allow the Player to depart from the doping control station as a result of, for example, a lack of available chaperones). However, where selection for doping control affects a Player's ability to make himself available for interview within the deadlines stipulated by these Rules, that will be taken into account by the Board when determining whether a breach has occurred.

Furthermore, Clubs should ensure that they make a sufficient number of Players available for interview by International Broadcasters and the League to ensure compliance with the deadlines set out at Rule K.146. For example, if a Club makes only one Player available for interview by International Broadcasters and the League, it is unlikely that all such Broadcasters will receive interviews within the relevant deadlines. In such circumstances, where the deadlines are missed as a result of too few Players being made available by a Club, that Club will be in breach of these Rules.

"Radio Broadcasters" means for the purposes of this Rule UK and/or Irish radio broadcasters only.

Interviews with TV Broadcasters which take place pursuant to Rules K.139 to K.143 may take place in any location agreed between the relevant Broadcaster and the relevant Club.

- K.148. Before 31 July each year, each Club must confirm to the League whether, in respect of each League Match throughout the Season:
 - K.148.1. each of the Players listed on its team sheet will walk through the Mixed Zone when exiting the Stadium following the League Match; or
 - K.148.2. a minimum of six of the Players listed on the team sheet will walk through the Mixed Zone when exiting the Stadium following the League Match and the Club will ensure that each Broadcaster in attendance in the Mixed Zone is able to interview at least one such Player.

- K.149. Having made the election referred to at Rule K.148, above, each Club must ensure that it complies with its chosen approach at each League Match.

Guidance

Clubs may withdraw a Player from walking through the Mixed Zone in exceptional circumstances, e.g. where the Player has suffered injury and needs medical treatment or is subject to doping control.

- K.150. Each Home Club shall facilitate a media conference following each League Match (the "Post-Match Media Conference").

Section K: Stadium Criteria and Broadcasters' Requirements

- K.151. The Post-Match Media Conference shall take place in the media conference room referred to in Rule K.92.
- K.152. Each Home Club shall ensure that Broadcasters that wish to do so have access to the Post-Match Media Conference and may at its discretion give such access to accredited representatives of other media.
- K.153. Each Club shall ensure that its Manager attends the Post-Match Media Conference.

League Champions

- K.154. Each Season, following the conclusion of each of the League Matches at which: (a) a Club's result in that League Match guarantees that it will become League Champions; and (b) the trophy is awarded to that Club for becoming League Champions, the Club concerned shall grant access to the Host Broadcaster to its dressing room from the period between the conclusion of the League Match and 60 minutes after the conclusion of the League Match.

Guidance

The Club's own media channel may also conduct filming during the period referred to in Rule K.154. Where it chooses to do so, the Club and Host Broadcaster shall engage in good faith discussions in advance to ensure that both are able to carry out their media requirements in cooperation with each other.

- K.155. Following the conclusion of the League Match at which the trophy is awarded to the League Champions, the League Champion Club shall not permit any Player(s) required to participate in the Club's media obligations with the League's Appointed Production Partner or any Broadcasters to engage in any Club or other media activity that could interfere with or delay any such media obligations.

Guidance

For the avoidance of doubt, and in accordance with Rule L.32, the League Champions must comply with the schedule in the relevant Countdown to Kick-Off immediately after the trophy has been lifted.

Promotional Photographs and Footage

- K.156. Each Club shall:
 - K.156.1. select (and notify the League of) one continuous and uninterrupted half day period, no later than 48 hours before the start of each Season, during which its Contract Players and Manager may be photographed and/or filmed by TV Broadcasters, the League's Appointed Production Partner or the League's appointees;
 - K.156.2. ensure that each of its Contract Players and its Manager is available for a continuous and uninterrupted period of no less than 60 minutes during such half day period for the photography and filming referred to at Rule K.156.1, above; and
 - K.156.3. ensure that any Contract Player or its Manager who is not available on the day referred to at Rule K.156.1, above, shall be made available for a continuous and uninterrupted period of no less than 60 minutes no later than two weeks after the close of the relevant Summer Transfer Window to be photographed and/or filmed by TV Broadcasters, the League's Appointed Production Partner or the League's appointees.

Section K: Stadium Criteria and Broadcasters' Requirements

- K.157. For the purposes of the photography and filming referred to in Rule K.156:
- K.157.1. each Contract Player shall wear each of the Strips registered by the Club pursuant to Rule M.17; and
 - K.157.2. the Manager shall wear match day attire (such as the Club's official training kit or blazer or suit).

Guidance

Club media and broadcast channels are permitted to attend the session referred to in Rule K.156, provided that any additional filming or photography by such channels in no way interrupts or inhibits that session.

- K.158. On the day referred to at Rule K.156.1, each Club shall:
- K.158.1. permit the League, TV Broadcasters, the League's Appointed Production Partner and the League's appointees access to the facilities referred to at Rule K.160 at least three hours prior to the commencement of the photography and filming referred to at Rule K.156.1; and
 - K.158.2. provide appropriate refreshments and catering facilities for representatives of the League, TV Broadcasters, the League's Appointed Production Partner and the League's appointees in attendance in connection with the photography and filming referred to at Rule K.156.1.

- K.159. Each Club shall provide to the League's Appointed Production Partner photographs of any new Contract Player or Manager within 48 hours of their registration with the Club.

Guidance

The League's Appointed Production Partner shall notify the Clubs in advance of the relevant Transfer Window of the specific requirements for any photographs to be provided under Rule K.159.

If mutually agreed between the Club and the League, the Club can request that the League's Appointed Production Partner (or the League's appointees) capture the photographs referred to at Rule K.159.

- K.160. Each Club shall make available at its Stadium or training ground suitable facilities, the details of which shall be agreed between the Club and the League in advance, with the benefit of mains electric power, for the purposes of the filming and photography referred to in Rule K.156.
- K.161. Each Club shall share with the League's Appointed Production Partner at least two minutes of footage from the first interview with any new Player or Manager that has been registered with the Club no later than such time that any footage from that interview is published on the Club's own media channels.

Guidance

Clubs may request that use of the footage provided to the League's Appointed Production Partner in accordance with this Rule K.161 by Broadcasters should be embargoed until midnight on the day the footage is published on the Club's own media channels.

- K.162. Each Club shall provide to the League by no later than 30 September each year a group photograph of all of the Players included on its Squad List and any Under 21 Players who in the Club's reasonable opinion will play in a significant number of League Matches in the forthcoming Season.

Section K: Stadium Criteria and Broadcasters' Requirements

Guidance

The purpose of the photography and filming requirement, referred to at Rule K.156, is primarily to provide footage of players to be used by TV Broadcasters. In addition, photographs and video of players captured in accordance with Rules K.156 and K.158 may be used by the League's agreed official commercial partners and licensees. The League will hold the copyright in these photographs and licence it to Clubs.

- K.163. By no later than its first League Match of the Season, each Club shall provide to the League information about each of its Players and its Manager, indicating, for example, his/her hobbies, interests and any interesting facts, together with details of each language in which he/she is able to carry out any media duties required by these Rules.
- K.164. Each Club shall ensure that, when reasonably requested to do so by the League, Players and Managers will take part in recordings for the promotional purposes of Broadcasters and the League.

Guidance

The League will manage the requests for access made by Broadcasters under Rule K.164 to ensure that the demands made of Clubs or of individual Players and Managers are not too onerous.

- K.165. Each Club shall share with the League's Appointed Production Partner at least two minutes of footage from the first interview with any new Player or Manager that has been registered with the Club no later than such time that any footage from that interview is published on the Club's own media channels.

Guidance

Clubs may request that the use of the footage provided to the League's Appointed Production Partner in accordance with Rule K.165 by Broadcasters should be embargoed until midnight on the day the footage is published on the Club's own media channels.

Pre-Season Media Access, Footage and Events

Pre-Season Media Access

- K.166. Each Club shall make one Player (to be mutually agreed between the Club and the League), its captain and its Manager available to TV Broadcasters and the League's Appointed Production Partner for a continuous period of no less than 60 minutes, prior to the start of each Season ("**Pre-Season Media Access**"). The time, date and location of such Pre-Season Media Access, together with the identity of the Player in attendance, in addition to the Club's captain, shall be determined in accordance with Rules K.167 and K.168, below.
- K.167. Each Club must ensure that the Player participating in the Pre-Season Media Access (in addition to its captain) is a Player who was listed in the Club's starting line-up in no fewer than 20 League Matches during the preceding Season (save that the League may grant dispensation from this requirement at its discretion, for example, where the Club registers one or more new Players).

Section K: Stadium Criteria and Broadcasters' Requirements

Section K: Stadium Criteria and Broadcasters' Requirements

- K.168. By no later than the 10 July preceding each Season (for Season 2022/23, by no later than 3 July), each Club must:
- K.168.1. notify the League of identity of the Player (in addition to its captain and Manager) who will be made available for the Pre-Season Media Access; and
 - K.168.2. agree with the League the time, date and location of the Pre-Season Media Access (which may run immediately prior to, following or concurrently with the period referred to in Rule K.156, provided that it in no way inhibits the ability of the League's Appointed Production Partner and/or any Broadcaster to carry out the photography or filming required under that Rule).

Guidance

Participation by a Player or Manager in a Pre-Season Media Access will not be taken into account by the League in its assessment of Club compliance with Rules K.109 and K.115.

Pre-Season Launch Event

- K.169. Prior to the commencement of each Season, one Club (to be selected by the League) shall make at least one Player and/or its Manager available to the League for a continuous and uninterrupted period of no less than 60 minutes (the **"Pre-Season Launch Event"**). The date (to be confirmed by no later than 10 July), time and location of the Pre-Season Launch Event, and the identity of the Player(s) and/or its Manager required to participate in the Pre-Season Launch Event shall be agreed between the Club and the League.

Guidance

The Pre-Season Launch Event will be used by the League to launch each new Season and to communicate any key themes or messages for the upcoming Season.

The League has absolute discretion to determine which Club shall participate in the Pre-Season Launch Event, save that it will not select a Club to participate in the Pre-Season Launch Event for any two consecutive Seasons.

A Club's participation in the Pre-Season Launch Event will not be taken into account by the League in its assessment of a Club's compliance with Rule K.166.

Promoted Club Access Session

- K.170. Each Promoted Club shall, during the first week of their first team's training ahead of a new Season, make a location(s) at its Stadium or training ground available to the League's Appointed Production Partner for a continuous and uninterrupted period of no less than two hours (the **"Promoted Club Access Session"**). Precise details of the date, time and location(s) of the Promoted Club Access Session and the identity of appropriate Club spokespeople to be made available during the Promoted Club Access Session shall be mutually agreed between the Promoted Club and the League.

Guidance

A Promoted Club's obligations under Rule K.170 are in addition to its obligations under Rule K.166 to K.168 (where applicable).

Floodlights

- K.171. On the day of each League Match, each Club shall ensure that its floodlights are operational and comply with the requirements of these Rules for such period as the Board may from time to time specify.
- K.172. A Club's Stadium must have floodlights giving a maintained vertical illuminance of:
- K.172.1. an average of at least 1650 lux and a minimum of at least 1000 lux when measured towards the principal camera on the Television Gantry;
 - K.172.2. an average of at least 1000 lux and a minimum of at least 650 lux at any one location on the pitch when measured towards the four vertical planes at 0°, 90°, 180° and 270° as shown in the pitch lighting grid set out below; and
 - K.172.3. an average of at least 1650 lux and a minimum of at least 1000 lux on the horizontal reference plane.

Guidance

The average lux value referred to in Rule K.172.1 is calculated by adding together the readings in each direction taken from each of the 96 measurement points referred to in Rule K.174 and dividing them by 96.

The average lux value referred to in Rule K.172.2 is calculated by adding together the readings taken in the same direction at each of the 96 measurement points referred to in Rule K.174 and dividing the total by 96.

The average lux value referred to in Rule K.172.3 is calculated by adding together the readings taken in the same direction at each of the 96 measurement points referred to in Rule K.174 and dividing the total by 96.

Clubs should also take measurements on the horizontal plane at all 96 measurements as referred to in Rule K.174 for reference. These measurements should be reported in the certificate required by Rule K.183.

All measurements should be taken at one metre above the pitch surface.

- K.173. The floodlighting must provide uniformity of maintained vertical illuminance at all locations on the pitch such that the minimum illuminance is no less than half of the maximum illuminance and no less than 60% of the average illuminance.

Guidance

The requirements of Rule K.173 are often expressed by technical experts as "U1 values" and "U2 values" in the following manner:

"Uniformity (U1 [min/max]) > 0.50
Uniformity (U2 [min/ave]) > 0.60"

- K.174. Calculation, measurement and reporting of the lux values shall be undertaken on the pitch using 96 measurement points in a grid format and at an equal distance from each other on each axis.

Section K: Stadium Criteria and Broadcasters' Requirements

Section K: Stadium Criteria and Broadcasters' Requirements

- K.175. At each of the 96 measurement points referred to in Rule K.174, above, five measurements shall be taken at one metre above the pitch and in the following five directions:
- K.175.1. one measurement shall on the horizontal plane at each reference point as shown in the pitch lighting grid set out below;
 - K.175.2. when necessary, one measurement shall be taken towards the main camera on the Television Gantry (represented at position no. 1 on the Master Camera Plan of Appendix 3 to these Rules); and
 - K.175.3. four measurements shall be taken in four directions. The measurements shall be taken at 0°, 90°, 180° and 270° planes as shown in the pitch lighting grid set out below.

Guidance – Pitch Lighting Grid

To illustrate what is meant by this, Clubs are requested to measure and report lux values using a grid as shown below demonstrating each point on the pitch at which a measurement must be taken and recorded:

The certificate to be provided to the League pursuant to Rule K.183, below, must contain the outcome of the measurement of the lux values at each point and in each direction on the pitch in this format. As five measurements must be taken at each of the 96 points, a total of 480 measurements must be taken (or 576 if including an assessment of illuminance towards the main camera).

- K.176. The 12 rows of seating nearest to the pitch (save for such rows in the stand where the Television Gantry is situated) shall be illuminated such that they have a minimum vertical illuminance perpendicular to the pitch of at least 200 lux and provide a comfortable, glare-free environment for spectators.
- K.177. The illuminance referred to in Rule K.176, above, shall be measured by measurements taken at illuminance test reference points located at 10 metre intervals on the tenth row of seating around the pitch. The illuminance test reference points are required in all seating areas around the perimeter of the pitch save for areas adjacent to the Television Gantry.
- K.178. Floodlighting shall be installed and arranged so as not to cause undue glare to Players.

Guidance

This is especially important in the goalmouth area where it is recommended by the International Commission on Illumination that no floodlights are installed in the horizontal zone of 5° of either side of the goal line.

- K.179. Each Club's floodlighting shall have:
- K.179.1. colour rendering index Re of greater than 80;
 - K.179.2. an average colour temperature of between 5200kelvin and 6000kelvin, being the average of three measurements taken in the middle of each goal-line and on the centre spot; and
 - K.179.3. flicker (as measured by flicker factor) of no more than 6% at any one or more of the 96 measurement points referred to in Rule K.174, above, when measured towards the principal camera on the Television Gantry.
- K.180. Each Club must have installed at or adjacent to its Stadium an alternative power source for the floodlights such that the floodlighting shall continue with a minimum average illuminance of greater than 800 lux on the horizontal plane in the event of the failure of the primary power source.
- K.181. Details of the alternative power source referred to in Rule K.180, above, the estimated time before floodlights are available again in the event of failure of the primary power source, and the lux value of the floodlights when powered by the alternative power source must be set out in the annual floodlighting report referred to in Rule K.183 and the procedure referred to in Rule K.185, below.
- K.182. Each Club shall ensure that the floodlighting installation and supporting services at its Stadium are properly designed and maintained.

- K.183. In advance of each Season, the League will notify each Club whether it is required to undergo an independent assessment of its compliance with the illuminance requirements of Rules K.172 and K.175 by a Person appointed by the League or, alternatively, whether it is required to provide a certificate signed by a Chartered Electrical Engineer, a member of the Institute of Lighting Professionals or a member of the Society of Light and Lighting (in this Rule **"the Signatory"**) certifying:
- K.183.1. the floodlights have been inspected by the Signatory and in his/her opinion comply with Rules K.172 to K.182;
 - K.183.2. the illuminance meter used to measure compliance with Rule K.172 was:
 - K.183.2.1. cosine corrected;
 - K.183.2.2. suitable for use for measuring the illuminance of floodlighting;
 - K.183.2.3. fitted with a wide-angle receptive light sensor; and
 - K.183.2.4. calibrated at least once in the previous 12 months (and a copy of the most recent certificate of calibration shall be attached to the certificate required to be provided in accordance with this Rule); and
 - K.183.3. the floodlighting installation and its supporting services have been designed to an appropriate standard in compliance with these Rules and have been properly maintained.
- K.184. If works are undertaken at a Club's floodlighting installation and support services after the submission of the certificate referred to in Rule K.183, above, then the Club must provide a further such certificate to the League within four weeks of those works being concluded.
- K.185. Each Club must devise, implement and make available to the League on request, an operation procedure to ensure the minimum possible level of disruption in the event of a power failure at the Stadium (as referred to in Rule K.180) or a failure in any Stadium electrical system, which complies with such guidance as issued by the League from time to time.

International Transfer Certificate	
U.11.	A Player who last played (or was last registered to play) for a club affiliated to a national association other than that to which the Club which is applying to register him is affiliated shall not be registered unless the League has received written confirmation from the Club's national association that an international transfer certificate has been issued in respect of the Player.
U.12.	A Player who is the subject of a loan to a Club or club affiliated to a national association other than that to which the loaning Club is affiliated may not play for the loaning Club following the termination of the loan until the League has received written confirmation from the Club's national association that an international transfer certificate has been issued in respect of his return to his Club, and the League has confirmed to the Club in writing receipt thereof and that he is eligible to play for that Club.
Eligibility to Work in the United Kingdom	
U.13.	An application to register a Player shall be accompanied by such evidence as the League may require to demonstrate that the Player may take up employment in the United Kingdom, and the League shall not confirm that he is eligible to play for the Club applying to register him until the League has received such evidence.
Registration Procedure	
U.14.	For the purpose of this Section of these Rules the New Registration of a Player shall mean his registration at a time when no other Club (or club) holds his registration either because no previous application to register the Player has been made or because a previous registration has been cancelled or has terminated or has expired.
U.15.	The New Registration of an Amateur Player shall be effected by completion of and submission to the Board of Form 16 signed on behalf of the Club by an Authorised Signatory.

Clubs Ceasing to be Members

U.36. Upon a Club (in this Rule and Rule U.37 called **"the Former Member"**) ceasing to be a member of the League under the provisions of Rule B.5 (other than by reason of its relegation from the League in accordance with Rule C.14), the registrations of its Players (except those held in consequence of a Temporary Transfer) shall vest in the League and thereupon the League shall be at liberty to transfer those registrations as it shall think fit and shall receive any Compensation Fees to which the Former Member would otherwise have been entitled under the provisions of Section V of these Rules (Players – Transfers of Registrations).

U.37. Any Compensation Fees obtained in accordance with Rule U.36 shall belong to the League and out of them the Board shall have power to make a grant to either or both of:

- U.37.1. any Club to which Compensation Fees are owed by the Former Member; and
- U.37.2. the Former Member.

Prohibition of Third Party Investment

U.38. Unless otherwise agreed by the Board and subject to Rule U.39, a Club may only make or receive a payment or incur any liability as a result of or in connection with the proposed or actual registration (whether permanent or temporary), transfer of registration or employment by it of a Player in the following circumstances:

- U.38.1. by payment to a Transferor Club or receipt from a Transferee Club of a Compensation Fee, Contingent Sum, Loan Fee or sell-on fee;
- U.38.2. by payment of levy pursuant to Rules V.38 to V.40;
- U.38.3. by receipt of all or part of a Compensation Fee, Contingent Sum, Loan Fee or sell-on fee, in default of payment of it by the Transferee Club from which it is due, from:

Section U: Players – Registrations

U.38.4. by way of remuneration (including benefits in cash or kind and Image Contract Payments) to or for the benefit of a Contract Player whose registration it holds;

U.38.5. by way of an allowance permitted by Youth Development Rule 300, to an Academy Player with whom it has entered into a Scholarship Agreement (as defined in the Youth Development Rules);

U.38.7. by payment of incidental expenses arising in respect thereof;

U.38.8. by payment or receipt of training compensation or solidarity payment pursuant to the FIFA Regulations for the Status and Transfer of Players and any other levies or payments payable to or by a Club pursuant to the statutes or regulations of FIFA or any other football governing body from time to time, or otherwise properly due to or from such a governing body;

U.38.9. by payment of value added tax payable in respect of any of the above payments or liabilities; and

U.38.10. in the case of a Transferor Club, by assignment of its entitlement to a Compensation Fee or Loan Fee to a Financial Institution.

U.39. In respect of a player whom it applies to register as a Contract Player, a Club is permitted to make a payment to buy out the interest of a Person who, not being a Club or club, nevertheless has an agreement either with the club with which the player is registered, or with the player, granting it the right to receive money from a new Club or club for which that player becomes registered. Any such payment which is not dependent on the happening of a contingent event may be made either in one lump sum or in instalments provided that all such instalments are paid on or before the expiry date of the initial contract between the Club and the player. Any such payment which is payable upon the happening of a contingent event shall be payable within seven days of the happening of that event.

Assignment of Entitlement to Compensation Fee or Loan Fee

U.40. A Club may only assign its entitlement to a Compensation Fee or Loan Fee to a Financial Institution in accordance with Rule U.38.10 where, as a condition of such assignment, the relevant Financial Institution confirms in a written agreement with the Club that it will not further assign the entitlement to a third party without the express prior written consent of the League.

Players – Contracts, Registrations and Transfers

Section V: Players – Transfers of Registrations

Section V: Players – Transfers of Registrations

Transfer Windows

- V.1. **“Transfer Windows”** means the two periods in a year during which, subject to Rule V.4, a Club may apply for:
- V.1.1. the New Registration of a player;
 - V.1.2. the registration of a player transferred to it; and
 - V.1.3. the registration of a Temporary Transfer.
- V.2. The Summer Transfer Window in any year shall:
- V.2.1. conclude at 17:00 on the Thursday before the commencement of the relevant Season or at such other date and at such other time as the Board may determine in its discretion (which will only be exercised in the event of agreement by a simple majority of Clubs on an alternative date and time); and
 - V.2.2. commence either: (a) at midnight on the last day of the Season; or (b) at midnight on the date 12 weeks prior to the date on which it is to conclude (in accordance with Rule V.2.1, above), whichever is the later.

Guidance

The Board will confirm the two issues of: (a) the date/time on which the Summer Transfer Window will open; and (b) whether or not the Summer Transfer Window will close at a date/time other than at 17:00 on the Thursday before the commencement of the relevant Season, at the first General Meeting of the preceding Season (for example, the opening and closing time and date of the 2022 Summer Transfer Window will be determined at the first General Meeting of Season 2022/23).

- V.3. The Winter Transfer Window in any year shall commence at 00:01 on 1 January or at such other date and time as the Board shall determine and shall end on 31 January next if a Working Day or, if not, on the first Working Day thereafter, at a time to be determined by the Board.
- V.4. Outside a Transfer Window, the Board in its absolute discretion may:
- V.4.1. refuse an application to register a player; or
 - V.4.2. grant an application to register a player and, if thought fit, impose conditions by which the Club making the application and the player shall be bound.

Temporary Transfers

- V.5. A **“Temporary Transfer”** shall mean the transfer of a contract registration effected in accordance with Rules V.6 to V.10.
- V.6. Subject to the conditions set out below, a Temporary Transfer shall be permitted:
- V.6.1. between Clubs;
 - V.6.2. between a Club and a club in membership of The Football League, the National League, the Northern Premier League, the Isthmian League and the Southern League; and
 - V.6.3. between a Club that has its registered address in Wales and a club in membership of the Welsh Premier League.

- V.7. The conditions referred to in Rule V.6 are:
- V.7.1. a Temporary Transfer to a Club may not take place in the Transfer Window in which the Transferor Club acquired the Player’s registration;
 - V.7.2. during the period of the Temporary Transfer of his contract registration a Player shall not play against the Transferor Club;
 - V.7.3. if during the period of a Temporary Transfer the Player’s registration is transferred permanently from the Transferor Club to the Transferee Club, the two Clubs may agree in writing (with such agreement copied to the League) that the Player shall not play against the Transferor Club for the remainder of the Season;
 - V.7.4. subject to any conditions imposed by the Board in the exercise of its discretion under Rule V.4.2, the minimum period of a Temporary Transfer shall be the period between two consecutive Transfer Windows and the period of a Temporary Transfer shall not extend beyond 30 June next after it was entered into, save that the Board may, in its absolute discretion, permit a Temporary Transfer to be terminated before the commencement of the second Transfer Window (subject to such conditions as the Board deems appropriate);
 - V.7.5. the maximum number of Temporary Transfers to any one Club registrable in the same Season shall be four and in no circumstances shall more than one be from the same Transferor Club at any one time save there shall be excluded from these numbers any Temporary Transfer of the kind described in V.7.6.1 or V.7.6.2;
 - V.7.6. not more than two Temporary Transfers shall be registered by a Club at the same time except that there shall be excluded from that number:
 - V.7.6.1. any Temporary Transfer which become permanent; and
 - V.7.6.2. the Temporary Transfer of a goalkeeper which in its absolute discretion the Board may allow in circumstances it considers to be exceptional;
 - V.7.7. a Club may transfer the registration of no more than one of its goalkeepers by way of temporary Transfer to another Club each Season, subject to any further Temporary Transfer of one of its goalkeepers pursuant to Rule V.7.6.2; and
 - V.7.8. any other conditions agreed between the Transferor Club and the Transferee Club or, in the exercise of its discretion, imposed by the Board.

Guidance

For the avoidance of doubt, no Club that already has two Temporary Transfers registered at the same time may be permitted to register a further player whose permanent registration is held by a Club on a ‘sub-loan’. That is to say, if a player is loaned by a club based overseas (or to which Rules V.5 to V.7 do not otherwise apply), that player cannot then be ‘sub-loaned’ by the overseas club to another Club where that Club already has two Temporary Transfers registered at that time.

An example of the circumstances in which the Board might exercise its discretion in Rule V.7.4 is where a Player subject to a Temporary Transfer is unable to represent the Club temporarily holding his registration due to a long-term injury. In such circumstances, the Board might approve the termination of the Temporary Transfer on the condition that the Player is prohibited from making any first team appearances at the Club with which he re-registers, during the remaining period of the original Temporary Transfer.

Section V: Players – Transfers of Registrations

- V.8. The Loan Fee payable on a Temporary Transfer shall be such sum (if any) as shall have been agreed between the Transferee Club and the Transferor Club and set out in Football Association Form H.2 or H.3 (as appropriate) or in a supplementary agreement.
- V.9. Any Loan Fee (including any instalments thereof) shall be paid on or before the date or dates agreed between the parties, the latest of which must be no later than 30 June immediately following the conclusion of the Season in which the Temporary Transfer expired.
- V.10. A Temporary Transfer shall be effected by submitting to the Board Football Association Form H.2 or Form H.3 duly completed and signed on behalf of the Club by an Authorised Signatory.

Contract Players

- V.11. The transfer of the registration of a Contract Player shall be effected in the following manner:
- V.11.1. the Transferor Club and the Transferee Club shall enter into a Transfer Agreement signed on behalf of each Club by an Authorised Signatory in which shall be set out full particulars of all financial and other arrangements agreed between the Transferor Club and the Transferee Club and, except as provided below, between the Transferor Club and the Contract Player in relation to the transfer of the Contract Player's registration whether the same are to take effect upon completion of the transfer or at any time thereafter;
- V.11.2. any such arrangements agreed between the Transferor Club and the Contract Player to which the Transferee Club is not privy may be omitted from the Transfer Agreement provided that they are forthwith notified in writing to the Board by the Transferor Club;
- V.11.3. the Transfer Agreement shall be sent by the Transferee Club to the Board together with a copy of the contract entered into between the Transferee Club and the Contract Player together with (if applicable) the evidence required by Rules U.12 and U.13; and
- V.11.4. the Transferee Club shall pay any Compensation Fee due to the Transferor Club under the terms of the Transfer Agreement in accordance with Rule V.29 and any levy payable under Rule V.38.
- V.12. All transfer arrangements in respect of Contract Players are subject to the approval of the Board.
- V.13. The Transferee Club will hold the registration of the Contract Player upon receipt of the League's confirmation by email to that effect.

Retired Players

- V.14. A Club that, pursuant to Rule U.29.5, holds the registration of a Retired Player who is under the age of 24 years, shall be entitled, if his registration is transferred, to be paid a Compensation Fee by the Transferee Club.

Section V: Players – Transfers of Registrations

Out of Contract Players

- V.15. An Out of Contract Player may seek to be registered by any Transferee Club.
- V.16. Upon receiving a formal written offer to effect the New Registration of an Out of Contract Player whose registration it holds, a Club shall forthwith notify the Player and the Board in writing to that effect.
- V.17. Provided that the following conditions are satisfied, a Compensation Fee shall be paid to a Transferor Club by a Transferee Club upon effecting the New Registration of an Out of Contract Player:
- V.17.1. the Out of Contract Player in question must be under the age of 24 years as at the 30 June in the year his contract of employment with a Club has expired;
- V.17.2. on or before the third Saturday in May in the year in which the Player's contract is to expire or, in the circumstances mentioned in Rule U.33, within four Working Days of the last relevant F.A. Cup match, UEFA Champions League match, UEFA Europa League match, UEFA Europa Conference League match or League Match, in that year having been played, the Transferor Club must send to the Player Form 17 offering him a new contract on the terms therein set out, which must be no less favourable than those in his current contract;
- V.17.3. any offer made on Form 17 by a Club to a Player under the provisions of Rule V.17.2 shall remain open and capable of acceptance by the Player for a period of one month from the date upon which it was sent by the Club by ordinary first class post to his usual or last known address; and
- V.17.4. a copy of Form 17 must be sent forthwith to the Board.
- V.18. Contract terms shall be deemed to be no less favourable if, disregarding any provision for a Signing-on Fee in the Player's current contract which is stated to be a once only payment, they are at least equal in value to the most favourable terms to which the Player was or is entitled in any year of his current contract.

The Player's Options

- V.19. Upon receiving an offer on Form 17 a Player may either:
- V.19.1. accept the same within one month of its date and enter into a new contract with his Club in the terms offered; or
- V.19.2. decline it in writing.
- V.20. If the Player considers that the terms offered by his Club and set out in Form 17 are less favourable than those in his current contract, he may give notice to that effect to his Club and the Board in Form 18 and apply for a free transfer.
- V.21. Such application shall be determined by the Board and if it succeeds:
- V.21.1. the Player's Club will not be entitled to a Compensation Fee upon a Transferee Club effecting his New Registration; and
- V.21.2. the Player will receive severance pay in accordance with his contract.

Section V: Players – Transfers of Registrations

The Club's Options

- V.22. If a Club makes an offer to a Player on Form 19 and the Player declines it, upon the expiry of the Player's contract the Club may either:
- V.22.1. enter into a Conditional Contract with the Player in such financial terms as may be agreed;
 - V.22.2. enter into a Week by Week Contract with the Player; or
 - V.22.3. if neither a Conditional Contract nor a Week by Week Contract has been entered into or a Week by Week Contract has been determined by the Club, continue to pay the Player the amount of the basic wage under his expired contract,
- and in any such case the Club shall be entitled to a Compensation Fee upon a Transferee Club effecting the Player's New Registration provided he then remains under the age of 24 years and the other conditions set out in Rule V.17 have been satisfied.
- V.23. The financial terms of a Week by Week Contract shall be those contained in the Player's expired contract, excluding any Signing-on Fee, except that the Player shall be entitled to receive such incentives (if any) as are payable by the Club to its Contract Players with effect from the date of his new contract.
- V.24. An Out of Contract Player who continues to receive from his Club the amount of his basic wage under the provisions of Rule V.22.3 shall not be entitled to play for that Club. If such Out of Contract Player unreasonably refuses or other relevant circumstances exist whereby the Out of Contract Player will not accept an offer of employment by another Club (or club), his Club may make application to the Premier League Appeals Committee for an order that payments to the Out of Contract Player may cease without affecting his Club's entitlement to a Compensation Fee.
- V.25. A Club which having continued to pay the Player the amount of his basic wage under Rule V.22.3 intends to cease making such payments shall give to the Player two weeks' notice to that effect and upon a Transferee Club effecting the Player's New Registration the Club shall not be entitled to a Compensation Fee.

The Compensation Fee

- V.26. The Compensation Fee payable by a Transferee Club to a Transferor Club upon the transfer of the registration of a Contract Player to the Transferee Club shall be such sum as shall have been agreed between the Transferee Club and the Transferor Club and set out in the Transfer Agreement.
- V.27. The Compensation Fee likewise payable in respect of an Out of Contract Player under the provisions of Rule V.17 shall be:
- V.27.1. such sum as shall have been agreed between the Transferee Club and the Transferor Club or in default of agreement; or
 - V.27.2. such sum as the Professional Football Compensation Committee on the application of either Club shall determine.

Section V: Players – Transfers of Registrations

- V.28. A Club which is a Transferor Club shall provide to any previous Club or Football League club with which a Player was registered, and which has a right to sell-on fee in respect of any transfer of that Player, full details of any Compensation Fee and Contingent Sum(s) to which it becomes entitled. The Club receiving the information shall not disclose or divulge it directly or indirectly to any third party without the prior written consent of the Transferor Club save to statutory and regulatory authorities or as may be required by law or to its auditors.

Method of Payment

- V.29. Subject to Rules V.30 and V.35, all Compensation Fees, Loan Fees (including in both cases instalments thereof) and Contingent Sums payable to a Club or to a Football League club shall be paid (together in each case with value added tax at the then current rate) by the Transferee Club into the Compensation Fee Account by telegraphic transfer or by such other means as the Board may from time to time direct.
- V.30. If a Club assigns its entitlement to a Compensation Fee or Loan Fee instalment pursuant to Rule U.38.10:
- V.30.1. it shall procure by means of a legally enforceable agreement that monies payable by virtue of the assignment are paid into the Compensation Fee Account by the assignee; and
 - V.30.2. it shall irrevocably and unconditionally instruct the Transferee Club to pay such monies to the assignee upon their becoming due.
- V.31. Subject to Rule V.37.2, forthwith upon receiving monies into the Compensation Fee Account the Board shall pay the same to the Transferor Club entitled to receive them.
- V.32. A Transfer Agreement shall provide that the agreed Compensation Fee together with value added tax at the then current rate shall be paid on or before the expiry date of the initial contract between the Transferee Club and the Contract Player. Compensation Fee instalments shall be paid on or before the dates set out in the Transfer Agreement (and if any such date is not a Working Day then the instalment shall be paid on the Working Day which immediately precedes that date).
- V.33. Where any Compensation Fee payable under the provisions of Rule V.17 is not agreed between the Transferee Club and the Transferor Club, the Transferee Club shall upon applying to register the Out of Contract Player pay into the Compensation Fee Account at least half the Compensation Fee offered to the Transferor Club and the balance shall likewise be paid as determined by the Professional Football Compensation Committee under Rule V.27.2.
- V.34. If the registration of a Player is further transferred before the Compensation Fee in respect of an earlier transfer is paid in full, the Transferee Club in that earlier transfer shall forthwith pay the balance of such Compensation Fee into the Compensation Fee Account, save:
- V.34.1. where it has received an instruction in accordance with Rule V.30.2, in which case it shall pay such balance to the assignee named in the instruction on the date or dates when it becomes due under the Transfer Agreement pursuant to which it acquired the registration of the Player; or
 - V.34.2. where the Board expressly approves an alternative arrangement for the payment of the balance of the Compensation Fee into the Compensation Fee Account.

Section V: Players – Transfers of Registrations

V.35. An agreement for an International Transfer and a Transfer Agreement with a Transferor Club which is not in membership of the League or The Football League shall provide that the Compensation Fee, any instalments thereof and any Contingent Sums payable by the Transferee Club shall be paid (together with any value added tax payable in respect thereof) to The Football Association by telegraphic transfer or by such other means as the Board may from time to time direct for payment to the Transferor Club in accordance with The Football Association Rules.

V.36. Upon the happening of a contingent event resulting in a Contingent Sum becoming payable:

V.36.1. in the case of an International Transfer, the Transferee Club shall forthwith inform the Transferor Club in writing to that effect and shall pay such Contingent Sum by the date stipulated in the transfer agreement (which must be no later than the following 31 July) in accordance with Rule V.35; and

V.36.2. in every other case, the Transferee Club shall forthwith inform the Transferor Club to that effect on Form 19 and shall pay such Contingent Sum by the date stipulated in the transfer agreement (which must be no later than the following 31 July) in accordance with Rule V.29.

V.37. If any Transferee Club acts in breach of Rules V.29 or V.32 to V.36 (inclusive):

V.37.1. the Board shall have power to refuse any application by that Transferee Club to register any Player until any sums then payable to its Transferor Club are paid;

V.37.2. the Board shall have the power set out at Rule E.22;

V.37.3. the Board shall have power to impose a penalty in accordance with the tariff of applicable penalties which it shall from time to time notify to Clubs; and

V.37.4. that Transferee Club shall pay to its Transferor Club interest on any part of a Compensation Fee or Contingent Sum not paid on its due date at the rate of 5% over the base rate from time to time of Barclays Bank Plc from that date until the date of payment together with such other penalty as the Board in its discretion may decide.

Transfer Levy

V.38. Subject to Rule V.39, upon payment of a Compensation Fee, a Contingent Sum, International Loan Fee or a payment made pursuant to Rule U.39, a Club shall forthwith pay to the League a levy equal to 4% of the sum paid (net of any value added tax) and in the case of a Compensation Fee or International Loan Fee payable by instalments, the levy upon the whole of it shall be paid as aforesaid upon the Transferee Club applying to register the Player to which it relates.

V.39. Such levy shall not be payable on a Loan Fee unless the registration of the Contract Player who is the subject of the Temporary Transfer is transferred on a permanent basis from the Transferor Club to the Transferee Club during, or within four months of the expiry of, the Temporary Transfer, in which case a levy equal to 4% of the aggregate of any Loan Fee and Compensation Fee shall be paid to the League.

Section V: Players – Transfers of Registrations

V.40. Where a Transferee Club registers a Player and the relevant consideration tendered by the Transferor Club includes the registration of another Player or some other form of non-financial consideration or value-in-kind, the Transferee Club and Transferor Club shall attribute a financial value to the Player(s) transferred, which shall be noted in the Transfer Agreement(s), and upon which a levy equal to 4% of such value shall be paid in each case.

Guidance

Where in the case of a proposed transfer of the type referred to in Rule V.40, above, the Board is of the view that the financial value attributed to either of the Players is materially below that Player's true transfer value (with the effect that a reduced sum is payable by way of levy), the Board will request that the Transferor Club(s) restate(s) the declared transfer value and may exercise its power under Rule V.12 if necessary.

V.41. The sums received by the League by way of levy shall be used to pay premiums due under the Professional Footballers' Pension Scheme and any surplus shall be added to the Professional Game Youth Fund.

Solidarity – England and Wales

V.42. Membership of the League shall constitute an agreement between each Club that they shall not make or continue any claim (to FIFA, the Football Association or any other relevant regulatory body of football and/or any judicial bodies exercising jurisdiction pursuant to any rules thereof) under Article 20 (Training Compensation) and/or Article 21 (Solidarity Mechanism) of the FIFA Regulations on the Status and Transfer of Players in relation to movement of players between:

V.42.1. Clubs (or clubs) affiliated to the Football Association; and

V.42.2. Clubs (or clubs) affiliated to the Football Association of Wales but which participate in leagues sanctioned by the Football Association.

V.43. Any Club that makes or continues any claim (including any claim made prior to admission into membership of the League) in breach of the agreement set out in Rule V.42, above, shall indemnify those Club(s) or club(s) that are the subject of the claim against any liability imposed by FIFA, the Football Association or any other relevant regulatory body of football and/or any judicial bodies exercising jurisdiction pursuant to any rules thereof.

Transfer Windows

V.44. During the Transfer Windows in each Season, no Club may register and secure governing body endorsements (in accordance with The FA's Men's Players Points Based System) for more than six new U21 Non-Home-Grown Players.

Guidance

The cap on U21 Non-Home-Grown Players set out in Rule V.44 is applicable per Season (which, for the avoidance of doubt, includes the Summer Transfer Window immediately prior to the Season). A Club shall be entitled to register U21 Non-Home-Grown Players without obtaining a governing body endorsement where such Players will be loaned out to clubs outside of the United Kingdom without first participating in League Matches. If at a later date that Club wishes such Players to participate in League Matches it must apply for a governing body endorsement in respect of the Player, who will then (if he is an Under 21 Player) be counted towards the cap on U21 Non-Home-Grown Players set out in Rule V.44 (and any subsequent cap on the number of new U21 Non-Home-Grown Players that the Club may register).

- W.26. As soon as reasonably practicable following receipt of a complaint, the Chair of the Judicial Panel shall appoint a Commission to hear the complaint, confirm the identities of the Commission members to the Board and the Respondent(s) and require each appointed individual to complete a statement of impartiality in such form as the Chair of the Judicial Panel shall prescribe. If the Commission so indicates, it shall notify the parties to the proceedings and the relevant Person, Club (or club) of this fact. The Commission may then make appropriate directions as to the receipt of evidence of loss from the relevant Person, Club (or club) as well as directions on the receipt of evidence in response from the parties to the proceedings.
- W.28. Where (in proceedings in which the Respondent is a Club or Relegated Club) the Commission makes the indication referred to at Rule W.27, above, and after having heard evidence from both parties subsequently determines that no compensation is to be awarded in accordance with Rule W.51.5, the Club (or Relegated Club) claiming compensation in such circumstances may appeal that determination to an Appeal Board. If it fails to do so (or if the Appeal Board dismisses any such appeal) the Club (or Relegated Club) will not be able to bring any further claim of any kind (whether for compensation, in damages or otherwise) against the Respondent Club arising out of the breach of these Rules in respect of which the Commission was appointed.

W.57. Fines recovered by the Board shall be used towards the operating expenses of the League or, at the discretion of the Board, towards charitable purposes. Costs recovered by the Board shall be used to defray the costs of the Commission.

W.59. In the event that a party wishes to seek any interim measures, relief or order prior to the Commission being Fully Constituted (including without limitation, where the Board wishes to seek compliance with and/or enforcement of a Person's obligations under Rules W.1 and W.16), then that party shall be entitled to seek such measures, order or relief in accordance with the following provisions:

W.59.2. within two clear days of being served with the Interim Application, the Chair of the Judicial Panel shall appoint an individual from the Judicial Panel to hear it (the "**Interim Commission**") and require the appointed individual to complete a statement of impartiality in such form as the Chair of the Judicial Panel shall prescribe. Where a party objects to the appointment made to the Interim Commission, it must raise such objection within two Working Days of the appointment, which shall be resolved by the Chair of the Judicial Panel in such manner as he/she thinks fit;

Section W: Disciplinary

- W.59.3. the Interim Commission shall decide all procedural and evidential matters and shall give directions within two clear days of their appointment with a view to ensuring the resolution of the Interim Application within 14 clear days of it being made, save in exceptional circumstances. The directions shall include without limitation:
- W.59.3.1. the extent to which there shall be oral or written evidence or submissions; and
- W.59.3.2. whether to have an oral hearing to determine the Interim Application, or whether to determine the Interim Application solely on the basis of written submissions and evidence; and
- W.59.4. in determining the Interim Application, the Interim Commission shall have all the powers set out in Rules W.51, above. For the avoidance of doubt, and without prejudice to the generality of those powers, where the Interim Application involves a request by the Board for a direction, declaration or other measure that a Person complies with its obligations under Rules W.1 and W.16, and/or an order enforcing such obligations, the Interim Commission may make the following orders, without excluding any other order that it deems appropriate:
- W.59.4.1. where the respondent to the Interim Application is a Club, the suspension of the Club's entitlement to receive Central Funds from the League, either: (a) for a prescribed period of time; (b) pending compliance in full with its obligations under Rules W.1 and W.16 (following which the withheld Central Funds will be provided to the Club); and/or (c) unless prescribed actions are taken by the Club within a prescribed period of time; and/or
- W.59.4.2. where the respondent to the Interim Application is an individual (whether a Manager, Official, Match Official or Director), suspension of that individual from some or all of their duties, either: (a) for a prescribed period of time; (b) pending compliance in full with its obligations under Rules W.1 and W.16; and/or (c) unless prescribed actions are taken by the individual within a prescribed period of time.

Guidance

No Club or Person to whom the Rules apply must be able to defeat the proper investigation of potential breaches of the Rules by refusing or delaying the answering of questions or provision of information or documents or failing to provide full, complete and prompt assistance to the Board. In these circumstances it is necessary that an Interim Commission is able to impose interim measures that will require and enforce compliance with those obligations by imposing a consequence on the respondent unless and/or until there is compliance.

Where an Interim Commission makes an order of the sort referred to in Rule W.59, it may (if it deems appropriate) provide for a review date on which, if the order remains in force due to the respondent's ongoing non-compliance with its obligations under Rules W.1 and W.16, it can consider whether the ongoing effect of the order and the length of time in which it has been in place renders it clearly disproportionate, in which case it may be vacated.

- W.60. The Interim Commission shall issue its decision in writing (which may be in summary, with detailed reasons to follow) in respect of the Interim Application within 14 days of it being served (or, where there are exceptional circumstances pursuant to Rule W.59.3, in accordance with the directions issued by the Interim Commission).

Section W: Disciplinary

- W.61. Any decision by an Interim Commission in respect of an Interim Application may be appealed by either party, in accordance with Rule W.62. Where the appeal is against an order by an Interim Commission of the sort referred to in Rule W.59.4.1 or W.59.4.2, above, that order will, save in exceptional circumstances, remain in full force and effect pending the outcome of proceedings before the Appeal Board.

Schedule 1

Part 1

Disciplinary Procedure and Penalties

1. Introduction

The disciplinary procedure aims to ensure that the Club behaves fairly in investigating and dealing with allegations of unacceptable conduct with a view to helping and encouraging all employees of the Club to achieve and maintain appropriate standards of conduct and performance. The Club nevertheless reserves the right to depart from the precise requirements of its disciplinary procedure where the Club considers it expedient to do so and where the Player’s resulting treatment is no less fair.

2. Records

All cases of disciplinary action under this procedure will be recorded and placed in the Club’s records until deleted in accordance with paragraph 4.2. A copy of the Club’s disciplinary records concerning the Player will be supplied to the Player at his request.

3. The Procedure

The following steps will be taken as appropriate in all cases of disciplinary action:

3.1 Investigation

No action will be taken before a proper investigation has been undertaken by the Club into the matter complained of. If the Club determines the same to be appropriate the Club may by written notice suspend the Player for up to 14 days while the investigation takes place. If the Player is so suspended this contract will continue together with all the Player’s rights under it including the payment of the Player’s remuneration and benefits but during the period of suspension the Player will not be entitled to access to any of the Club’s premises except at the prior request or with the prior consent of the Club and subject to such conditions as the Club may impose. The decision to suspend the Player will be notified in writing to the Player by the Club.

3.2 Disciplinary Hearing

- 3.2.1 If the Club decides to hold a disciplinary hearing about the matter complained of, the Player will be given full details in writing of the complaint against him and reasonable notice of the date and time of the hearing. At the hearing the Player will be given an opportunity to state his case either personally or through his representative as provided for in clause 13 of this contract.
- 3.2.2 Subject as provided in paragraph 3.2.3 no disciplinary penalty will be imposed without first giving the Player the opportunity to state his case to the Manager or if the Player so requests to a director of the Club and where the Club considers it appropriate or where the Player requests the same without a disciplinary hearing.
- 3.2.3 A disciplinary hearing may proceed in the Player's absence and a disciplinary penalty may be imposed if he fails to appear at such hearing after having received proper notice thereof.

3.3 Appeals

- 3.3.1 The Player shall have a right of appeal to the Board against any disciplinary decision. The Player should inform the Board in writing of his wish to appeal within 14 days of the date of notification to him of the decision which forms the subject of such appeal. The Board will conduct an appeal hearing as soon as possible thereafter at which the Player will be given a further opportunity to state his case. The decision of the Board will be notified to the Player in writing within seven days and subject to paragraph 3.3.2 will be final and binding under this procedure.
- 3.3.2 In the event of any sanction being imposed or confirmed in excess of an oral warning, the Player may by notice in writing served on the Club and the League within 14 days of receipt by the Player of written notification of the decision of the Board give notice of appeal against it to the League who will determine the matter in accordance with the League Rules.
- 3.3.3 If the Player exercises any right of appeal as aforesaid, any sanction imposed by the Club upon the Player shall not take effect until the appropriate appeal has been determined and the sanction confirmed varied or revoked as the case may be.

4. Disciplinary Penalties

- 4.1 At a disciplinary hearing or on an appeal against a disciplinary decision, the Club may dismiss the allegation or if it is proved to the Club's satisfaction may:
- 4.1.1 give an oral warning a formal written warning or after a previous warning or warnings a final written warning to the Player;
- 4.1.2 impose a fine not exceeding the amount of the Player's basic wage for a period of up to two weeks for a first offence (unless otherwise approved by the PFA in accordance with the Code of Practice) and up to four weeks for subsequent offences in any consecutive period of 12 months but only in accordance with the provisions of the Code of Practice;
- 4.1.3 order the Player not to attend at any of the Club's premises for such period as the Club thinks fit not exceeding four weeks; and/or
- 4.1.4 in any circumstances which would entitle the Club to dismiss the Player pursuant to any of the provisions of clause 10 of this contract dismiss the Player or impose such other disciplinary action (including suspension of the Player and/or a fine of all or part of the amount of the Player's basic wage for a period not exceeding six weeks).
- 4.2 Any warning or sanction given under this disciplinary procedure will be deleted in the Club's records after 12 months.

Part 2**Grievance Procedures**

1. The Player shall bring any grievance informally to the notice of the Manager in the first instance. The Player may be required by the Manager to put any such grievance in writing. Having enquired into such grievance the Manager will then notify the Player of his decision.
2. If the grievance is not determined by the Manager to the Player's satisfaction the Player may within 14 days thereafter serve formal notice of the grievance in writing on the secretary of the Club and the matter shall thereupon be determined by the chairman of the Club or by the Board as soon as possible and in any event within four weeks of the receipt of the notice.

13.	Where a Club wishes to apply for its Academy to obtain a higher Category status: (a) it must indicate the same in the submission referred to at Rule 8, above; and (b) the assessment processes referred to in Rules 8 and 10 will take place over the course of one year, rather than three. Where a Club can demonstrate at the time of submission that it is compliant with all requirements of the higher Category status, the ISO may consider awarding such higher Category status to the Club on a provisional basis whilst the one-year assessment referred to in point (b) is undertaken.
14.	Each Club shall be given no less than one weeks' notice of the dates of any element of an ISO Audit and may not change those dates save with the permission of the PGB, which shall only be granted if the PGB is satisfied there are exceptional circumstances which justify such a change.
15.	Prior to any element of an ISO Audit being presented to the PGB, the ISO shall: <ol style="list-style-type: none"> 15.1. give to the Club a copy of it and of the ISO's recommendation; 15.2. thereafter, if requested by the Club, hold a meeting with Officials of the Club and representatives of the League to discuss it; and 15.3. consider any representations made by the Club or the League about the Club's ISO Audit and make all appropriate amendments to the ISO Audit consequent upon those representations.

Guidance

It is expected that the Club Officials who will attend the meeting with the ISO and the League referred to in Rule 15.2 will include the Academy Manager and the Chief Executive.

16.	The PGB, having given due consideration to a Club's ISO Audit and recommendation and to the advice of the League, shall (where appropriate) issue all licences to operate Academies and shall determine the Category of each Academy in respect of which it grants a licence.
-----	---

General

17.	For the avoidance of doubt, a Club shall only have the right to make representations to the PGB in connection with its application for a licence to operate an Academy if it believes that the ISO Audit contains manifest error.
18.	A Club may only appeal against the decision of the PGB not to issue it a licence to operate an Academy, or against the PGB's determination of the Category of its Academy, if that decision was: <ul style="list-style-type: none"> 18.1. reached as a result of fraud, malice or bad faith; 18.2. reached as a result of procedural errors so great that the rights of the Club have been clearly and substantially prejudiced; 18.3. reached as a result of a perverse interpretation of the law; or 18.4. one which could not reasonably have been reached by any tribunal which had applied its mind properly to the facts of the case.
19.	Any appeal by a Club pursuant to Rule 18 shall be dealt with in accordance with Rule K (Arbitration) of the Rules of The Football Association.
20.	A Club that has had a licence removed may not re-apply for a licence to operate an Academy within three years of the PGB's determination unless: <ul style="list-style-type: none"> 20.1. the PGB is satisfied that there are exceptional circumstances which justify a further application; and 20.2. the Club bears any costs of the League, ISO and PGB reasonably incurred by any of those bodies in assessing and determining the Club's further application.

Guidance

The circumstances referred to above include a change in ownership or strategic priority within the Club leading to a significantly high level of commitment to and investment in the Academy. The Club would need to demonstrate an improvement in performance against targets, not simply plans to improve performance.

21.	Any Club or Official making a false statement (whether made verbally or in writing) or falsifying a document in connection with: <ul style="list-style-type: none"> 21.1. an application for a licence to operate an Academy; 21.2. the League's annual evaluation undertaken pursuant to Rule 35.2; 21.3. an ISO Audit; or 21.4. any other provision of these Rules, shall be in breach of these Rules and shall be liable to be dealt with in accordance with the provisions of Section W of the Premier League Rules.
22.	If, in breach of Rule 3.2, a Club fails to comply with any Rule in this section, or if a Club or Official makes a false statement or falsifies a document as set out in Rule 21, then the PGB may: <ul style="list-style-type: none"> 22.1. revoke the Club's licence to operate an Academy; 22.2. suspend the Club's licence to operate an Academy for such time as it shall determine during which the Club shall have the opportunity to ensure it becomes compliant with the relevant Rule; 22.3. determine that the Club's Academy shall have a lower Category than its current Category; or

General

22.4.	withdraw or suspend the Club's entitlement to any central funding provided for the purposes of youth development; and
22.5.	in any of the above cases require the ISO to undertake an ISO Audit of the Club's Academy as soon as reasonably practicable.
23.	Without prejudice to Rule 22, any breach of Rules 3.2, 7, 21, 30.2, 40 to 48, 51, 53 to 55, 114, 115, 122 to 126, 128 to 130, 133 to 146, 151, 152, 166 to 168, 175 to 177, 185, 186, 188 to 204, 209, 212, 230 to 243, 257, 259, 260, 263 to 266, 272, 278, 281, 282, 294, 297, 300 to 302, 312 to 315, 333, 336, 341 or 342 shall be liable to be dealt with under the provisions of Section W of the Premier League Rules.

Guidance

Failure to comply with any of the Rules in this section, other than those specified in Rule 23 above, will not ordinarily lead to liability to disciplinary action under Section W. However, such failure to comply may be dealt with pursuant to the terms and conditions of the Club's Academy licence and may lead to the revocation, suspension or downgrading of that licence, or the withdrawal or suspension of central funding, pursuant to Rule 22.

The League considers that the Rules specified in Rule 23 are of such a nature that breach should open the possibility of disciplinary action under Section W because they impact upon other people or entities, and in particular, Academy Players and/or other Clubs.

24.	Clubs participating in the League must operate a Category 3 Academy or higher: <ul style="list-style-type: none"> 24.1. in the case of Clubs in membership of the League in Season 2022/23, by no later than the start of Season 2024/25; and 24.2. in the case of Promoted Clubs becoming a member of the League from Season 2023/24, within two years of becoming a member of the League.
-----	---

Guidance

Whilst Clubs must be compliant by the dates set out in Rule 24, Clubs should be mindful that the application process may take some time. As such, Clubs are encouraged to make applications as soon as possible.

For the avoidance of doubt, the requirements of Rule 24 will apply irrespective of whether a club remains in membership of the League at the end of the 'lead-in' period.

25.	A Club (or club) will ensure that the Category status of its Academy is not lowered, or it does not cease to operate an Academy, in any Season during which it is a member of the League or is in receipt of the sums set out in Rule D.25 of the Rules of the Premier League.
-----	--

Guidance

A Club (or club) will be in breach of Rule 25 in circumstances where the Category status of its Academy is lowered by its own volition or when a decision in respect of the Category status is taken under these Rules.

Effective Measurement

Monitoring	
35.	The League shall conduct: <ul style="list-style-type: none"> 35.1. on-going monitoring of each Academy; and 35.2. an annual evaluation of each Academy which shall be made available to the Club, the ISO and, if required, the PGB.

Youth Development Rules

Performance Management, Player Development and Progression

Performance Clock	
39.	Each Club which operates an Academy shall maintain a Performance Clock for each of its Academy Players and ensure that it is made available to: <ul style="list-style-type: none"> 39.1. the Academy Player; 39.2. his Parent(s) (and without prejudice to the generality of the foregoing the Club shall provide to the Academy Player and his Parent(s) a copy of his Performance Clock if he ceases to be registered with the Club); 39.3. the League; and 39.4. the ISO.

Guidance

The Performance Clock records the the Academy Player's progress throughout his development. The Performance Clock is an embedded application in the Performance Management Application. Information is carried forward year on year (and from club to club) to build into a comprehensive record of the Academy Player's development. The Performance Clock should provide a breakdown of the time spent in individual and team technical and practical development, matches played, sports science and medicine (including psychological and social development) and educational progression. The Performance Clock logs qualitative information and evidence documented by both coach and Academy Player relating to an Academy Player's successful progression in the above areas. The Performance Clock also evidences the Academy Player's Multi-disciplinary Reviews.

It should be noted that while there is scope within the Performance Clock for the Academy Player to give feedback and comments, the primary responsibility to maintain Performance Clocks lies with the Club. Any Club which fails to maintain its Academy Players' Performance Clocks, and make them available in accordance with Rule 39, may jeopardise its categorisation.

Individual Learning Plans and Multi-disciplinary Reviews

40.	Each Club which operates an Academy shall ensure that it undertakes a Multi-disciplinary Review in respect of each Academy Player: <ul style="list-style-type: none"> 40.1. every 12 weeks (if he is in one of the Under 9 to Under 11 age groups); 40.2. every six weeks (if he is in one of the Under 12 to Under 18 age groups); and 40.3. with such frequency as is necessary according to his developmental needs (if he is one of the Under 19 to Under 21 age groups).
-----	--

Guidance

Neither the Academy Player nor his Parent(s) need be present at the Multi-disciplinary Review. See however the Club's obligations under Rules 42, 43 and 45 to 47.

41.	Each Multi-disciplinary Review shall assess the performance and development of the Academy Player against his performance targets set at previous Multi-disciplinary Reviews. At the end of each Multi-disciplinary Review the Club shall update the Academy Player's Individual Learning Plan to take account of conclusions reached at the Multi-disciplinary Review.
42.	Each Club which operates an Academy shall ensure that it conducts a meeting with each of its Academy Players: <ul style="list-style-type: none"> 42.1. no fewer than four times per Season (if he is in one of the Under 9 to Under 18 age groups); and 42.2. with such frequency as is necessary according to his development needs (if he is one of the Under 19 to Under 21 age groups).

43.	At the meetings referred to in Rule 42, the Club shall:
43.1.	discuss with the Academy Player his Individual Learning Plan; and
43.2.	take all appropriate action (for example by way of amending his Individual Learning Plan to set mutually agreed performance targets and/or such individual coaching, athletic development or educational support as may be necessary).
44.	Each Multi-disciplinary Review shall be recorded on the Academy Player's Performance Clock.
45.	Each Club which operates an Academy shall meet with the Parent(s) of each Academy Player under the age of 18 at least twice a year and provide to and discuss with the Parent(s) a detailed review of all aspects of the Academy Player's performance and development based on his most recent Multi-disciplinary Reviews.
46.	A written record of the discussion referred to in Rule 45 shall be given to the Parent(s) and noted on the Academy Player's Performance Clock.
47.	Each Club which operates an Academy shall, between 1 May and 30 June in each year, provide to the Parent(s) of each Academy Player under the age of 18 an annual written report on all aspects of the Academy Player's performance and development over the preceding season.
48.	Each Club shall permit a representative of the League to attend Multi-disciplinary Reviews if so requested by the League.

Guidance

It is recommended that one of the meetings referred to in Rule 45 is held at around the mid-season point and the other at the end of the season. The annual written report referred to in Rule 47 should form the basis of the end of season meeting.

Regular reviews of all aspects of an Academy Player's development are a key part of the Elite Player Performance Plan. Each periodic Multi-disciplinary Review will have input from each discipline within the Academy (coaching, education and welfare, and sports science and medicine/performance support).

The following best practice recommendations are made, which supplement the above minimum requirements.

1. Multi-disciplinary Reviews should not only measure the Academy Player's progression against his own performance targets, but also benchmark his development against that of his peers.
2. The procedure for undertaking Multi-disciplinary Reviews with Academy Players should follow a standard protocol. The meeting should involve the head coach for the Academy Player's Development Phase and the Head of Education (particularly if the Club is providing education to the Academy Player), plus any other relevant Academy Staff (e.g. sports scientists) as required.
3. Similar protocols may be adopted for the meetings with Parent(s). Thus, it is recommended that the meeting is attended by the head coach for the Academy Player's Development Phase, the Head of Education and any other relevant Academy Staff.

General	
49.	Each Club which operates an Academy shall establish a staffing structure for its Academy which shall:
49.1.	subject to Rule 50, include the mandatory posts required by this section of the Rules for the Category applicable to its Academy; and
49.2.	have regard to the guidelines and best practice set out in the Elite Player Performance Plan.
50.	Save for the Academy Manager and the coaches described in Rules 71 and 72, a Club need not employ those Academy Staff whose employment is mandatory for the Category of its Academy pursuant to these Rules provided that the Club is able to demonstrate to the reasonable satisfaction of the League, the ISO or the PGB (whichever body is appropriate), that its staffing structure includes the same expertise and achieves the same results as if all the mandatory posts required by this section of the Rules were filled.

Guidance

The functions covered by the mandatory posts must be delivered by all Clubs operating an Academy. However, the League acknowledges that Clubs should have flexibility in the organisation of their staffing structure provided that the structure that is adopted delivers the same outputs and results as if the mandatory posts were filled.

The exceptions to this are the post of Academy Manager and the coaches set out in Rules 71 and 72: a Club must employ a Full Time Academy Manager in accordance with Rules 58 to 64 and coaches in accordance with Rules 71 and 72.

51.	Each Club that operates an Academy shall ensure that the Staff Registration System is updated at the start of each Season, and within seven days of an applicable member of staff changing roles, joining or leaving the Club.
-----	--

Guidance

Clubs should submit information for all Academy Staff that work in the following areas on a full time, part-time, contractual or other basis: Academy Management, Operations, Coaching, Performance Support/Analysis, Sports-Science and Medicine, Recruitment, Education and Player Care and Safeguarding.

52.	The Club shall document its staffing structure in an organisational chart which shall:
52.1.	show the reporting lines of each member of Academy Staff; and
52.2.	be made available to Academy Staff, the League and the ISO.
53.	The relationship between a Club and each member of its Academy Staff shall be appropriately documented by way of:
53.1.	an employment contract;
53.2.	a statement of terms of employment pursuant to Section 1 of the Employment Rights Act 1996; or
53.3.	in the case of a non-employee, a contract for services.
54.	Each member of Academy Staff shall be given:
54.1.	a written job description (which may be contained in the document referred to in Rule 53); and
54.2.	an annual performance appraisal.

Staff

55. Each Club which operates an Academy shall:
- 55.1. provide Continued Professional Development to members of Academy Staff where required to do so pursuant to these Rules; and
 - 55.2. take all reasonable steps to ensure that each member of Academy Staff who is required by these Rules to undertake Continued Professional Development does so.

Guidance

It is envisaged that CPD will be delivered partly by Clubs and partly externally (e.g. by The Football Association).

Academy Management Team

56. Each Club which operates an Academy shall establish an Academy Management Team which shall:
- 56.1. be led by the Academy Manager; and
 - 56.2. in addition to the Academy Manager, consist of such other Officials as the Club Board deems necessary in order for the Academy Management Team to properly perform the functions with which it is tasked by these Rules and otherwise, and which may accordingly include the Head of Education, the Head of Sports Science and Medicine, the Head of Recruitment, the Head of Academy Coaching, the individual referred to at Rule 114, the Head of Safeguarding, the Academy Operations Manager and the Academy Secretary.
57. The Academy Management Team shall assist the Academy Manager in running the operations of the Academy in accordance with the Club's Academy Performance Plan.

- 61.5. ensuring the effective use by all appropriate Academy Staff of the Performance Management Application and Performance Clocks, including ensuring that all relevant data is recorded thereon;

- 61.9. liaising with the Club's Manager as appropriate.

Guidance

It is acknowledged that some Academy Managers may also have important roles as coaches and that the above responsibilities may limit the time they have for coaching. As a consequence, the Academy Manager will be entitled to delegate some of his/her functions to other staff at the Academy to enable him to continue to undertake coaching.

62. Subject to Rule 63, each Academy Manager must hold:
- 62.1. an up to date UEFA A Licence;

Guidance

Any Academy Manager holding the BFAS qualification will be required to attain the EFAiF qualification with effect from the date of expiry of the BFAS qualification. Any new Academy Manager appointed after 1st July 2018 not already holding BFAS must hold the EFAiF on appointment.

Ideally a Club's strategy for talent identification and recruitment should flow from its Vision Statement and Playing Philosophy and be fully integrated into its Academy Performance Plan and the multi-disciplinary approach to youth development envisaged by the Elite Player Performance Plan. Clubs may wish to document a recruitment strategy which sets out:

- the profile of the players it seeks to recruit in each age group, having regard to the desired technical, tactical, maturation, social and psychological characteristics required at each age;
- its target groups (e.g. local v national recruitment, players attending Development Centres or local schools/boys' clubs etc.);

Staff

- synchronisation between coaches and recruiters to ensure that, for example, assessment procedures match those by which the Academy's existing Academy Players are assessed, and that new recruits transit easily into the Academy environment;
- a strategy for late developers (including the Academy's own Academy Players whose maturation rates are slow but who eventually catch up with their peers); and
- ensuring accurate scouting records are maintained.

Clubs may then wish to develop an activity plan to implement the recruitment strategy.

With regard to Rule 112.4 above, it is envisaged that a new qualification for Scouts will be developed in due course.

This section of the Rules should be read subject to Rule 50.

	Permitted Training Model	N/A	N/A	Full Time

Guidance

The above hours of coaching are the minimum the Rules require per week, subject to the Academy Player's fitness. It is acknowledged, however, that Academies can alter these hours as they see fit, provided that the above stated hours are achieved on average over each six or 12 week Multi-disciplinary Review period (as relevant). As regards "subject to fitness", this includes not only where an Academy Player is recuperating from injury, but also where in the opinion of the coaching staff and/or the medical and sports science staff, his coaching hours need to be reduced for him to receive adequate rest and recovery and/or avoid overuse injuries.

Coaching in the above tables refers to on-the-pitch coaching and in matches. It is expected that Clubs will need to spend additional time in other environments off the pitch in order to work with Academy Players to assist them in developing the key technical, tactical, physical and psychological and social skills.

Where an Academy falls short of providing its Academy Players with the above hours of coaching, the Academy will need to demonstrate that despite this, its Academy Players are being provided with a proper Coaching Curriculum. This can be demonstrated by the progression of the Academy Player at each stage of the development process.

For Category 3 Clubs in the Youth Development Phase, the hours stated above should be applied as follows:

- U12 and U13: 5 hours
- U14: 6 hours
- U15 and U16: 7 hours

A Club may be permitted to operate a Training Model in a particular Development Phase other than as set out in the table in Rule 122 above. This would need to be approved in advance by the League (who may take advice from the Educational Advisor).

Guidance

For the avoidance of doubt, Senior Training Centres will not include operations undertaken as or in conjunction with college-based education programmes, as such programmes should be education-led and not elite player development focused and should market themselves accordingly.

Youth Development Rules Games Programme

General

143. Save as permitted by the Board, Clubs shall not affiliate to any other youth leagues or enter any cup competitions except The Football Association Youth Challenge Cup.
144. An Academy Player whose registration is held by a Club which operates an Academy shall play football only in a Games Programme or in Authorised Games, subject to Rule 153, and in coaching and training games (participation in which is limited to registered Academy Players and Trialists) organised by and played at an Academy.
145. A Club which operates an Academy shall not require, cause or allow an Academy Player whose registration it holds to play football except as permitted by Rule 144.
146. Each Club which operates an Academy shall record in each Academy Player's Performance Clock:
- 146.1. each match in which he has played; and
- 146.2. his playing time in each match.

Guidance

With regard to Rule 146.1, the matches which are to be recorded on an Academy Player's Performance Clock include all Authorised Games in which he plays.

The Performance Clock may be used to record other playing information about the Academy Player, e.g. substitutions, cautions, position played in. It forms part of the Performance Management Application.

147. In all matches that form part of the Games Programme, each Club is required to ensure that all participating Academy Players wear a shirt bearing a clearly visible number on the back, which corresponds to the number allocated to the relevant Academy Player on any teamsheet submitted in accordance with these Rules or otherwise.

Foundation Phase Games Programme

148. The League will organise a Games Programme for teams in each of the Under 9 to Under 11 age groups of Clubs operating Category 1 and 2 Academies (and for the avoidance of doubt teams from both Categories shall participate together in this Games Programme).
149. The Football League will organise a Games Programme for teams in each of the Under 9 to Under 11 age groups of Clubs operating Category 3 Academies.
150. The Games Programmes referred to in Rules 148 and 149 shall consist of matches which:
- 150.1. shall be competitive but whose results (except in the case of Tournaments) shall not give any particular competitive significance between Academies (for example, no league table or the like shall be produced);
- 150.2. subject to Rule 150.3, shall be organised on a local basis so that, as far as reasonably possible, no team has to travel more than one hour to an away match (save that longer travel times may be necessary in order that each Club can participate meaningfully in the Games Programme);

Games Programme

- 150.3. may be played in Festivals organised on a local, regional or national basis and each Club which operates a Category 1 Academy shall organise and host a minimum of three Festivals per Season;
- 150.4. shall take place during the Games Programme Schedule;
- 150.5. may include matches against representative county schoolboy sides (being sides selected by the English Schools' Football Association);
- 150.6. shall be played outdoors, save in respect of:
- 150.6.1. Clubs operating Category 1 or 2 Academies when, during the second half of December and the whole of both January and February, they shall be played indoors; and
- 150.6.2. Clubs operating Category 3 Academies when, during the second half of December and the whole of both January and February, they may be played indoors; and
- 150.7. shall consist of matches played in accordance with the following formats (save that some matches played indoors may be played as Futsal games):

Age group	Team size	Pitch size (yards)	Goal size (feet)	Ball size
Under 9	4v4, 5v5, 6v6 or 7v7	30x20 to 40x30 (4v4 and 5v5) 50x30 to 60x40 (7v7)	12x6	3 (or 4 at the Home Club's option)
Under 10	4v4, 5v5, 6v6 and 7v7	30x20 to 40x30 (4v4 and 5v5) 50x30 to 60x40 (7v7)	12x6 (4v4 and 5v5) 12x6 to 16x7 (7v7)	4
Under 11	7v7 or 9v9	50x30 to 60x40 (7v7) 70x40 to 80x50 (9v9)	12x6 to 16x7 (7v7) 16x7 (9v9)	4

The participating Clubs shall endeavour to agree which of the above formats shall be utilised, but in default of agreement the home Club shall decide.

Guidance

The League will organise a regional indoor programme during the second half of December, and the entirety of January and February. In particular, a programme of Futsal will be delivered for Category 1 and Category 2 Academies. Clubs will be free to apply to organise Authorised Games outside pursuant to Rule 151.2.

The League will organise Tournaments (lasting more than one day) for each of the Under 9, Under 10 and Under 11 age groups in the May or June of each year (and in scheduling them it will be borne in mind that June is often the month when Academy "downtime" occurs). The Tournaments so arranged for the Under 11 age group will include teams from clubs in countries other than England and Wales.

In order to deliver the Foundation Phase Games Programme to all Clubs, the target travel time of one hour may be exceeded from time to time, in particular in order to accommodate those Clubs whose home 'locality' is small.

Both Leagues will co-operate to create cross-Category Festivals from time to time which shall include all Categories of Academy and be regionally based.

Games Programme

A six-week programme of Festivals of Futsal and other small-sided indoor football for each age range in the Foundation Phase will be staged. This programme will run from November to February and be organised on a basis of five regions (North East, North West, Midlands, London and South West, and London and South East). A Futsal tournament involving a regional qualification process culminating in a national finals event will be organised for each of the Under 9, Under 10 and Under 11 age groups.

151. Each Club which operates a Category 1, Category 2 or Category 3 Academy:
- 151.1. must participate fully in the Foundation Phase Games Programme; and
- 151.2. may organise and participate in additional Authorised Games of the types listed in paragraphs (c), (d), (f) and (h) of that definition only (which shall be notified to the League (if the Club operates a Category 1 or Category 2 Academy) no later than 72 hours before they are scheduled to take place).

Guidance

The Games Programme Schedule will incorporate free weeks (in addition to those referred to in Rule 187) during which no fixtures will be arranged by the Leagues. This will allow Clubs to organise additional fixtures pursuant to Rule 151.2. In addition, Clubs will be able to rearrange fixtures in the Foundation Phase Games Programme in order to attend tournaments and Festivals provided suitable notice is given, the integrity of the Games Programme is maintained, and a suitable date for the rearrangement of the fixture is agreed.

152. Each Club shall ensure that each of its Academy Players in the Foundation Phase shall, subject to fitness, participate in at least half the playing time in any one Season of matches in the Foundation Phase Games Programme and any other matches organised by the Club pursuant to Rule 151.2 such playing time to be reasonably spread out over the season.

Guidance

An Academy Player in the Foundation Phase may still play for his school team or school representative county side.

When assessing whether Rule 152 has been complied with, each Academy Player's playing time over the course of the Season will be assessed and an average calculated (i.e. the Academy Player need not play in half the time of every match). In addition, Rule 152 requires that the playing time is spread relatively evenly over the course of the fixture programme. This is to ensure Clubs do not try to backload playing time at the end of the Season simply to ensure the average is met.

For the avoidance of doubt, where a Club permits an Academy Player in the Foundation Phase to participate in matches for a team at grassroots level (see Rule 1.18(g)), such matches shall not count towards the playing time calculation pursuant to Rule 152.

153. Academy Players in the Foundation Phase, with the prior approval of their Club, may train and play for teams at grassroots level, outside the Academy system.

Guidance

Approval for training and playing with teams at grassroots level will be given by each Club on an annual basis, having considered player-by-player circumstances, development plans, club philosophy and any conditions implemented by The Football Association. From the Youth Development Phase, registered Academy Players shall not be permitted to train and play grassroots football.

159.	The League shall organise a Games Programme for teams consisting of Academy Players in the Under 16 age group of Clubs operating Category 1 Academies, and another for teams of Academy Players in these age groups of Clubs operating Category 2 Academies.
160.	Save for any matches played abroad pursuant to Rule 163, the Games Programme for Category 1 Clubs referred to in Rule 159 shall: <ul style="list-style-type: none"> 160.1. be constituted either on a national basis or, if a majority of those Clubs (and Football League clubs) which operate Category 1 Academies so determined by no later than 31 March in the preceding Season, on a regional basis (as that term is defined in Rule 161); and 160.2. be competitive but whose results shall not be given any particular competitive significance between Academies (for example, no league table or the like shall be produced).
161.	The Games Programme for Category 2 Clubs referred to in Rule 159 shall be organised on a regional basis, that is to say so that as far as reasonably possible no team has to travel more than two hours to an away match (save that longer travel times may be necessary in order that each Club can participate meaningfully in the Games Programme).
162.	Matches in the Games Programme for Category 1 and Category 2 Clubs referred to in Rule 159 shall, unless the Board otherwise permits, be played on Saturdays and arranged so that as far as possible a Club's fixtures in it mirror those of its teams in the Professional Development Phase Games Programme.

Guidance

The Games Programme Schedule will incorporate free weeks (in addition to those referred to in Rule 187) during which no matches will be arranged by the leagues. This will allow Clubs to organise additional matches pursuant to Rule 166.2.

167. Each Club shall ensure that each of its Academy Players in the Under 12 to Under 14 age groups shall, subject to fitness, participate in half the playing time of matches in the Youth Development Phase Games Programme and any other matches organised by his Club pursuant to Rule 166.2, the Academy Player's playing time to be reasonably spread over the season.

Guidance

An Academy Player in the Youth Development Phase may still play for his school team or school representative county side.

When assessing whether Rule 167 has been complied with, each Academy Player's playing time over the course of the Season will be assessed and an average calculated (i.e. the Academy Player need not play in half the time of every match). In addition, Rule 167 requires that the playing time is spread relatively evenly over the course of the fixture programme. This is to ensure clubs do not try to backload playing time at the end of the Season simply to ensure the average is met.

Professional Development Phase Games Programme

169. The League will organise two Games Programmes, one for teams of Clubs operating Category 1 Academies and one for teams of Clubs operating Category 2 Academies.

170. The Football League will organise a Games Programme for teams of Clubs operating Category 3 and Category 4 Academies, and following such consultation determine with those Clubs in its absolute discretion what games programme(s) should be developed for those Clubs, Rules relating to the games programme and (subject to Rule 171.3) how that games programme should be delivered.

- 172.4. shall consist of competitive leagues and Tournaments; and

181. The Football League will, if required, organise (or procure the organisation of, for example, through the Football Combination or Central League) Professional Development League 3, which shall consist of a league or leagues played on a competitive basis and organised on a regional basis, the composition of such regional league(s) and the minimum number of matches to be played by each Club to be at the absolute discretion of The Football League who shall so far as reasonably possible determine the composition of each such league to ensure that each Club (or club) has to travel no more than three hours to each match (save that longer travel times may be necessary in order that each Club (or club) can participate meaningfully in Professional Development League 3). For the avoidance of doubt teams of Clubs operating Category 3 and Category 4 Academies shall compete together in Professional Development League 3.
182. Further provisions binding on Clubs competing in Premier League 2 and the Professional Development League shall be set out in the rules of those Leagues.

185. Except in the case of an Under 9 to Under 16 Games Programme match which, without either participating Club being at fault, is cancelled, postponed or abandoned under the provisions of Rule 184, any Club which causes the cancellation, postponement or abandonment of such a match will be in breach of these Rules.
186. The Board shall have power to specify the equipment and facilities to be provided by Clubs for the playing of matches between Academies.
187. In consultation with The Football Association, a minimum of four weekends each Season will be identified by the League upon which there will be no fixtures for Academy teams, such weekends being devoted to international development, selected players' courses and in-service training of coaches and staff.

Youth Development Rules

Duty of Care

Education	
188.	Each Club which operates an Academy shall establish an Education Programme which shall set out the activities to be undertaken by the Club to ensure that the education of its Academy Players and Players up to the Under 23 age group who are not regular members of the Club's first team squad is supported effectively and which: <ul style="list-style-type: none"> 188.1. is appropriate to the Category of its Academy; 188.2. complies with all applicable requirements set out in this section of the Rules; and 188.3. is evaluated by the Club within each Training Model and/or Development Phase to ensure it is meeting its objectives as set out therein.

Guidance

In respect of the approval required from the League in Rule 189.5:

- Should a Club wish one of its Academy Players to engage in an apprenticeship or education programme outside the SEP framework, it must first obtain the League's permission to do so and agree appropriate measures for monitoring and quality assurance.
- Should a Club wish to enter into an agreement with a training provider that is not the League this must be pre-approved and will be subject to annual monitoring by the League.
- Any other programme of education approved in writing by The Football League will be in conjunction with the PFA.

190.	Each Academy Player's educational progression under his Education Programme shall be recorded electronically and be made available to the League.
191.	Each Club which operates an Academy shall nominate a member of staff who shall be responsible for: <ul style="list-style-type: none"> 191.1. liaising with the school at which Academy Players are being educated; 191.2. ensuring that any issues concerning an Academy Player's education arising from that liaison are addressed to the satisfaction of the school;

Duty of Care

191.3.	ensuring that for Academy Players on the Full Time and Hybrid Training Models (and where the League requests, for Academy Players on the Part Time Training Model) each Academy Player's school performance and educational data are obtained from his school, recorded electronically and be made available to the League; and
191.4.	co-ordinating and delivering the SEP.
Reports on Educational Progression	
192.	Each Club which operates an Academy shall provide progress reports to the Parent(s) of each Academy Player in the Youth Development Phase to whom it provides a Full Time Education Programme.
193.	The progress reports shall: <ul style="list-style-type: none"> 193.1. detail the educational progression of the Academy Player; and 193.2. be provided as and when necessary, but as a minimum at least once every 12 weeks.

Guidance

With regard to Rule 193.2, Rule 40.2 states that Academy Players in the Under 12 to Under 18 age groups shall receive a Multi-disciplinary Review every six weeks. The educational progress report need only be undertaken once every 12 weeks (i.e. not for each Multi-disciplinary Review) but must be undertaken as part of a Multi-disciplinary Review.

Delivery of the Education Programme

194.	Part Time Training Model Each Club which operates an Academy shall, in respect of each of its Academy Players being trained under the Part Time Training Model, make contact in writing with the Academy Player's school on a minimum of three occasions in each academic year to: <ul style="list-style-type: none"> 194.1. inform the Academy Player's school that he is being so trained; 194.2. if the League so requests, obtain from the Academy Player's school his school reports and, where possible, educational attainment data; 194.3. use the information obtained (if any) to monitor the Academy Player's academic progression by reference to his school reports and, where possible, educational attainment data, and record it electronically; and 194.4. liaise with the school on two occasions in each academic year basis in order to discuss and address any issues concerning the Academy Player's education which have risen or may arise as a consequence of his being trained at the Club's Academy.
------	---

Guidance

The Part Time Training Model may be used by Category 1, 2 and 3 Academies in the Foundation Phase and Youth Development Phase: see further Rule 122.

The Part Time Training Model envisages that coaching will take place outside the Core Coaching Time, but Clubs should nevertheless establish good communication with each Academy Player's school.

The written communication referred to in Rule 194 should be used by Clubs to obtain reports and educational attainment data (in accordance with Rule 194.2) and/or address any issues (including any conflict between the demands of coaching and education) which have arisen or may arise as a consequence of the Academy Player being trained at the Academy (in accordance with Rule 194.4).

195.	Hybrid Training Model Each Club which operates the Hybrid Training Model must appoint a sufficient number of appropriately qualified teaching staff to provide the educational support referred to in Rule 196.2.
196.	Each Club which operates an Academy shall, in respect of each of its Academy Players being trained under the Hybrid Training Model:
196.1.	undertake all necessary liaison and co-operation with the Academy Player's school to ensure that the required element of coaching can take place within the Core Coaching Time;
196.2.	provide to the Academy Player such additional educational support (to be detailed in the written agreement referred to in Rule 196.5) as shall be necessary to compensate for teaching he has missed, and to ensure that his education is not adversely affected, as a result of being released from school to undertake coaching during the Core Coaching Time;
196.3.	obtain from the Academy Player's school his school reports and, where possible, educational attainment data;
196.4.	monitor the Academy Player's academic progression (including by use of the information obtained from the Academy Player's school pursuant to Rule 196.3) and record the information obtained pursuant to Rule 196.3 electronically in a timely fashion and at least every 12 weeks (to coincide with dates of his Multi-disciplinary Reviews);
196.5.	enter into a written agreement with the Academy Player's school and Parent(s) which sets out details of the delivery of the Hybrid Training Model to the Academy Player, including weekly timetables, the likely impact on the Academy Player's education, and outline the compensatory education which will be provided by the Club;
196.6.	ensure that the Academy Player follows a curriculum which reflects the 'Progress 8' measurement of educational assessment and attainment (save that where there are educational reasons why an Academy Player requires an amended curriculum to be followed, the League may grant dispensation from this requirement, subject to the approval of an Educational Advisor); and
196.7.	liaise with the school at least every 12 weeks in order to discuss and address any issues concerning the Academy Player's education which may arise or have arisen as a consequence of his being so trained.

Guidance

The Hybrid Training Model may be used by Category 1 and Category 2 Academies in the Youth Development Phase: see further Rule 122.

Compensatory education should meet the requirements of each individual Academy Player's specific educational needs, as well as replacing the lessons being missed whilst away from their school. It is not expected that this is matched hour for hour, but it is expected that the content missed is able to be covered effectively in the compensated delivery time. In the case of practical subjects or those requiring specific resourcing (e.g. Sciences / Design and Technology) alternative plans should be made and be evident. A teacher to learner ratio of 1:10 is optimal for compensatory education.

197.	Full Time Training Model Each Club which operates an Academy shall, in respect of each of its Academy Players in the Youth Development Phase being trained under the Full Time Training Model, ensure that it provides the Academy Player with coaching and education in accordance with a programme which complies with Rules 198 to 203 and which is approved in advance by the League.
198.	The education element of the Full Time Training Model must comply with these Rules and be structured in accordance with one of the three options set out below or in accordance with such other proposals as the League may approve.
199.	Each Club which operates the Full Time Training Model must:
199.1.	unless otherwise approved by the League, only enable Academy Players in the Under 12 and Under 13 age groups to participate in the Full Time Training Model where they reside within 90 minutes of the Club's principal training venue;
199.2.	enter into an agreement with any school at which its Academy Players are being educated setting out the obligations of the Club and the school in respect of the education of those Academy Players;
199.3.	ensure that Academy Players in the Under 12, Under 13 and Under 14 age groups being educated at schools are fully integrated with other pupils of their age, which obligation shall include (without limitation) attending lessons with such other pupils according to the school's normal timetable (save where the Academy Players are being coached in the Core Coaching Time in accordance with these Rules);
199.4.	ensure that there is in place a written agreement between the Club, each Academy Player engaged on the Full Time Training Model, his Parent(s) and his school which sets out full details of his education and Coaching Curriculum;
199.5.	ensure that the Education Programme of each such Academy Player provides him with a minimum of 20 hours' education during each week of the school term;
199.6.	ensure that appropriate staff/student ratios are utilised for all educational activity in which the Academy Player is engaged;
199.7.	ensure that each Academy Player follows a curriculum which reflects the 'Progress 8' measurement of educational assessment and attainment (save where there are educational reasons why an Academy Player requires an amended curriculum to be followed, the League may grant dispensation from this requirement, subject to the approval of an Educational Advisor);
199.8.	obtain from the Academy Player's school his school reports and, where possible, educational attainment data;
199.9.	monitor the Academy Player's academic progression (including by use of the information obtained from the Academy Player's school pursuant to Rule 199.8) and record the information obtained pursuant to Rule 199.8 electronically in a timely fashion and at least every 12 weeks (to coincide with dates of his Multi-disciplinary Reviews);
199.10.	permit the League to conduct reviews with Academy Players in the Under 12 to Under 18 age groups, as required; and
199.11.	pursuant to Rule 189.5, ensure that Scholars are provided with sufficient time and support to prepare for the 'End Point Assessment'.

Duty of Care

Guidance

With regard to Rule 199.9, and pursuant to Rule 40.2, Academy Players in the Under 12 to Under 18 age groups must receive a Multi-disciplinary Review every six weeks. The requirement in Rule 199.9 must be undertaken at every second such Multi-disciplinary Review.

- | | |
|--------|---|
| 200. | Without prejudice to the generality of Rule 35, each Club which operates the Hybrid or Full Time Training Model must in respect of each such Training Model: |
| 200.1. | not do so unless the League has pre-approved and annually certified its proposed delivery of the Training Model; |
| 200.2. | permit the League to monitor and assess its delivery of the Training Model, including in respect of an individual Academy Player, in order to ensure that it complies with these Rules; and |
| 200.3. | forthwith implement any changes to its delivery of the Training Model that the League may require. |

Guidance

The League may take advice from its Educational Advisers in connection with the assessment pursuant to Rule 200.

In the case of concerns over a Training Model which has been previously approved, it is anticipated that in the first instance an action plan to address any issues would be drafted, and the Club Support Manager or Educational Adviser would work with the Club over a specific period to put the recommendations in place. Accordingly, Rule 201, below, would be regarded as a last resort.

- | | |
|--------|--|
| 201. | If the League is not satisfied that a Club's delivery of the Hybrid or Full Time Training Model complies with these Rules: |
| 201.1. | it may refuse to an application to register an Academy Player on it; and |
| 201.2. | the Board may exercise its powers set out in Rule 289. |
| 202. | If a Club wishes to engage an Academy Player on the Full Time Training or Hybrid Model (whether or not the Academy Player is already registered with the Club), it shall complete either PLYD Form 5A or PLYD Form 5B (as appropriate) signed on behalf of the Club by an Authorised Signatory and submit a copy to the Board within five days of it being entered into. |
| 203. | If the registration of an Academy Player on the Full Time Training Model is terminated by the Club or by the Board of its own volition, or if he changes to another Training Model, the Club shall, unless his Parent(s) agrees otherwise, continue to provide to him until the end of the academic year in which he reaches the age of 16 education and accommodation in accordance with the arrangements made at the time of he was first engaged on the Full Time Training Model. |

Guidance

The Full Time Training Model may be used by Category 1 Academies in the Youth Development Phase, and must be used by all Academies in the Professional Development Phase: see further Rule 122.

PLYD Form 5A must be used for all Academy Players whom the Club wishes to engage on the Full Time Training Model. If the Academy Player is not already registered with the Club, PLYD Form 5 (Academy Player Registration Application) must also be completed and submitted to the League (see Rule 272). If the Academy Player is already registered with the Club, PLYD Form 5 need not also be submitted. Clubs' attention is drawn to the undertakings that they must give under PLYD Form 5.

Duty of Care

The three options referred to in Rule 198 are set out below. This list of options is not exhaustive, and Clubs are free to develop other models which deliver the same results as the options set out in the Elite Player Performance Plan.

Each Club's proposals for how it will deliver the Full Time Training Model must be approved in advance by the League. The League may also check each Club's delivery of the Full Time Training Model in order to verify that it is in accordance with these Rules and with the pre-approved proposals, and in order to verify that no Academy Player's education is being prejudiced as a result of his being engaged on the Full Time Training Model. Clubs' attention is drawn to Rules 288 and 289 in this regard.

Option 1

Clubs may enter into a contractual relationship with an identified school (with the option of an alternative school if approved by the League) at which Academy Players receive their education.

The relationship will need to be flexed in terms of the amount of time that Academies would require Academy Players to be available for daily coaching. The school day will need to be flexed to accommodate the Coaching Curriculum whilst ensuring that boy's educational development does not suffer.

Specific tutor support for the Education Programme will be required for all Academy Players engaged in the Full Time Training Model over and above the normal curriculum. Additional tutor support will need to be individually tailored to the Academy Players' needs.

Clubs will need to decide how and where Academy Players will be coached. The optimum environment is at the Club's dedicated training facilities but this will require a school in Education Option 1 to be in close proximity to the Club's training facility so that the Academy Players can move easily between the school and the Club. With the Full Time Training Model, the school will need to be in close proximity to the training ground or else the training will need to be accommodated at the school.

The other major consideration for Clubs which operate Category 1 Academies will be the need to provide dedicated housing, house parents and a secure environment in which to live and work whilst staying with the Club. This will need to apply to all Academy Players who live outside a short commute from their Club's training ground.

Option 2

In this option, Clubs may choose to develop and extend their own educational facilities at the training ground and, in effect, develop an onsite school facility. For Clubs which operate a Category 1 Academy, accommodation would still be required on or near the training ground to house the Academy Players and the associated social and welfare support would need to be factored into the delivery of this approach. Clubs may continue to contract an educational partner/provider but the schooling would take place at the Club.

Option 3

Clubs may wish to establish their own schools. These schools may be general in their recruitment with specialist classes or groups of classes catering for the Academy Players' specialist needs. In this Education Option the same issues regarding the location of the school on or near the training ground remain relevant as does the need to provide appropriate housing and care.

- | | |
|------|--|
| 204. | Each Club which operates an Academy shall notify the League, in such a manner as the League shall from time to time specify, of the Training Model on which each of its Academy Players is engaged and, if there is a proposed change in circumstances for an Academy Player (for instance, changing to/from the Full Time Training Model or Hybrid Training Model or Part Time Training Model), forthwith inform the League of the change in Form 5C and provide such evidence as the League may require to show that the Academy Player and his Parent(s) consented to the change. |
|------|--|

Duty of Care

Personal Development and Life Skills Plans

205. Each Club which operates an Academy shall establish a Personal Development and Life Skills Plan to support the holistic development of each of its Academy Players.
206. The programme referred to in Rule 205 shall ensure that each Academy Player trained under the Full Time Training Model and/or in the Professional Development Phase has the opportunity to engage in activities outside the Academy which will encourage him to take an active part in the community and develop an understanding of good citizenship.
207. Each Academy Player shall engage in the activities referred to in Rule 206 unless he has good cause not to do so and each Club shall take all reasonable steps to ensure that each of its Academy Players does so engage.

209. Each Club shall arrange a pre-season induction event for Academy Players and their Parent(s) and there shall be at least one such induction event per Development Phase and on every occasion that a new Academy Player joins the Club.

Guidance

A Club's Induction and Transition Strategy should include, as a minimum, provision for:

- Academy Players joining the Club;
- Academy Players leaving the Club; and
- Academy Players transitioning between Development Phases at the end of season.

Provisions for Academy Players leaving the Club (or club) should be tailored to reflect the age of the Academy Player and the time spent in the Academy. The provisions should comprise, but not be limited to:

- access to mental and emotional wellbeing support;
- access to careers advice and information on education pathways;
- provision of record of Academy performance/achievement and support in identifying and accessing further playing pathways; and
- provision of Club 'Academy Alumni' events and/or community platforms.

All Clubs which operate an Academy should demonstrate support for a minimum of three years from the point of departure for all Academy Players from the Club (or club) in the Professional Development Phase. Provisions should cover the above areas, with a focus on mental and emotional wellbeing and facilitating new opportunities in football, education and wider career pathways.

210. The induction meeting referred to in Rule 209 shall provide such information to the Academy Players and their Parent(s) as is necessary in order for them to understand the coaching and, if relevant, education that the Academy Player will receive from the Club.
211. Each Club which operates an Academy shall permit a representative of the League to attend such induction meetings on request.

Duty of Care

212. The Code of Conduct set out in Appendix 12 shall be binding on all Academy Players registered on a PLYD Form 5 (and their Parent(s)) and on Clubs and Officials and any breach thereof by such Academy Players or by Clubs or Officials shall be treated as a breach of these Rules.
213. Each Club which operates an Academy shall devise and implement an Induction and Transition Strategy.

Academy Player and Parent Voice

214. Each Club which operates an Academy shall devise and implement one or more mechanisms to invite and receive feedback from Academy Players and their Parent(s).
215. Clubs shall establish, maintain and, when necessary, implement a complaints procedure for Academy Players and Parent(s), a copy of which shall be submitted to the League.

Guidance

The League may conduct surveys and questionnaires from time to time to ascertain the views of Academy Players and their Parent(s).

Safeguarding and Mental and Emotional Wellbeing

216. Each Club shall take all reasonable steps to ensure that it protects the welfare of each of its Academy Players and Players up to the Under 23 age group who continue to train with the Academy on a regular basis by offering support for his wellbeing and pastoral care generally.
217. Each Club which operates an Academy shall devise a mental and emotional wellbeing action plan, to include details of support available and a referral process for concerns, in accordance with such guidance issued by the League from time to time.
218. The provisions of Section S of the League's Rules (Safeguarding and Mental Health) apply to Academies and Development Centres.
219. Without prejudice to the generality of Rule 218, each Club shall appoint an Academy safeguarding officer who shall:
- 219.1. undertake the functions set out in Rule S.5.8 specifically with regard to the Academy; and
- 219.2. liaise with the Club's Head of Safeguarding.

Health and Safety

220. Clubs and Academy Staff shall observe and comply with any guidance issued by the League in respect of safe event management and any breach thereof shall be treated as a breach of these Rules.
221. Clubs shall ensure that their Academy Players are insured in accordance with advice circulated by the League from time to time.

Duty of Care

Inclusion, Diversity and Equality

222. Each Club which operates an Academy and is in membership of the Premier League must comply with Premier League Rule J.4. Each other Club bound by these Rules must comply with the EFL Code of Practice regarding equality and diversity.
223. Each Club which operates an Academy shall deliver training for its Academy Players and Academy Staff on equality, diversity and inclusion each Season.

Injury and Medical

224. Each Club which operates an Academy shall ensure that each of its Academy Players undergoes the following tests to measure physical and physiological fitness (in accordance with any guidance issued by the League from time to time):
- 224.1. age-appropriate medical and physical screening;
 - 224.2. anthropometric assessments;
 - 224.3. physiological/fitness testing;
 - 224.4. movement and posture/functional screening;
 - 224.5. predictive testing of size and shape/maturation measurement (save that a Club operating a Category 4 Academy shall not be obliged to conduct such tests);
 - 224.6. psychological profiling (Category 1 Academies only);
 - 224.7. cardiac screening for Academy Players in the Under 15 age group and above; and
 - 224.8. monitoring of physical exertion (Category 1 Academies only),
- and shall submit to the League such information as it may from time to time require in order to establish a national database of athletic development.
225. Subject to a Club complying with Rule 224, the Premier League will make available to it (on an anonymised basis) benchmarked data derived from the information provided to it by all Clubs.
226. Each Club which operates an Academy shall ensure that each of its registered Academy Players on the Full Time Training Model is registered with an NHS general practitioner for the provision of general medical services, using the address at which he resides.
227. Each Club which operates an Academy shall ensure that details of all injuries suffered by its Academy Players and of all rehabilitation are recorded and provided to the Premier League and The Football Association in order that a national audit of injury and rehabilitation may be maintained.
228. Subject to a Club complying with Rule 227, the Premier League will make available to it benchmarked data derived from the national audit of injury and rehabilitation.
229. Each Club which operates an Academy shall ensure that it has in place an Emergency Action Plan, and that all relevant Academy Staff are aware of its contents, and that it provides a copy of it in advance of all its home matches in the Games Programmes to its opponents.

Duty of Care

Guidance

For the avoidance of doubt, the Emergency Action Plan should be produced in addition to the Club's Medical and Safety Action Plan (see Premier League Rule O.16). All members of the Academy's medical staff should be made aware of the contents of the Club's Medical and Safety Action Plan.

See Rule 105.6: the Academy Doctor shall be responsible for the preparation of his/her Club's Emergency Action Plan. The League will assist with the sharing of Emergency Action Plans.

230. Each Club which operates an Academy shall ensure that there is available at all games involving Academy teams appropriate first aid or primary care provision and, without prejudice to the generality of the foregoing or to any Rules applicable to an Authorised Game, that:

- 230.1. in respect of each match in the Professional Development Phase Games Programme, the following qualified individuals must be present at the match venue:

Academy Category	Individuals who must be present

Category 3	a doctor, physiotherapist or Sports Therapist who holds a current ITMMiF or an equivalent or higher qualification approved by the Board

230.3. a defibrillator is maintained at each venue at which matches are played and at which coaching takes place.

Guidance

Rule 81 requires each coach to hold a current Basic First Aid for Sport Qualification, current EFAiF or an equivalent or higher qualification approved by the Board. Thus, all coaches attending matches in all of the Development Phases should hold this qualification. Knowledge of how to use a defibrillator is a requirement of the Basic First Aid for Sport Qualification / EFAiF. Accordingly, the net effect of these Rules is that there must be somebody present at all games who knows how to use a defibrillator.

Each Club's Emergency Action Plan should include details of the members of Academy Staff required by Rules 230.1 and 230.2.

Registrations and Provision of Information by the League

244. Upon receiving an application by a Club to register an Academy Player, the League shall immediately provide to the Academy Player's Parent(s) a copy of these Rules and the Parent's Charter.

Guidance

In order to give effect to the compensation Rules under the Elite Player Performance Plan ("EPPP"), Clubs' previous Football Academies and Centres of Excellence will have a 'deemed', retrospective categorisation to give effect to the provisions for fixed training costs fee compensation in respect of the years up until the coming into force of the Rules. The following applies:

Status	Deemed retrospective Category for the purposes of calculating compensation (in respect of the period up until the end of Season 2011/12)
Club operated a licensed Football Academy which is placed into Category 1 under the new Rules (all Category 1 Clubs will be the subject of an ISO audit by no later than 31 May 2012)	Category 1
Club operated a licensed Football Academy which is not placed into Category 1 under the new Rules	Category 2
Club operated a licensed Centre of Excellence	Category 3

The annual fixed training costs set out in table at Rule 353, above, shall apply to all registrations of Academy Players with Applicant Clubs that are approved following the coming into force of the Season 2022/23 edition of these Rules (i.e. for registrations approved from that date, the annual fixed training costs shall be calculated by reference to the figures herein).

Compensation

354. The contingent compensation referred to in Rule 350 shall consist of:
- 354.1. appearance fees calculated by reference to the number of First Team Appearances (up to a maximum of 100) made by the Academy Player for the Applicant Club or any other Club or Football League club for whom the Academy Player subsequently becomes registered (including by way of a Temporary Transfer or other loan) and to the divisional status of the relevant Club as set out in the table in Rule 356;
 - 354.2. subject to Rule 355, appearance fees shall be calculated up to a maximum of 100 First Team Appearances;
 - 354.3. if the Academy Player's registration is transferred prior to his twenty-third birthday to a club affiliated to a national association other than The Football Association (save for any Welsh club which is a member of the League, The Football League or the National League), 20% of any Compensation Fee, Loan Fee and Contingent Sum that the Applicant Club receives which is in excess of:
 - 354.3.1. any amounts of training compensation and/or solidarity payment paid to the Applicant Club and the Training Club pursuant to the FIFA Regulations for the Status and Transfer of Players; and
 - 354.3.2. the actual sum (if any) paid by the Applicant Club to the Training Club to acquire the Academy Player's registration;
 - 354.4. 5% of all Compensation Fees (and transfer fees, where applicable), Loan Fees and Contingent Sums paid in respect of all future transfers of the Academy Player's registration (whether permanent or temporary) to Clubs (or clubs) in membership of the League, The Football League or the National League;
 - 354.5. 5% of all Loan Fees and Contingent Sums paid in respect of all future transfers on loan to a club affiliated to a national association other than the Football Association (save for any Welsh club which is a member of the League, The Football League or the National League).
355. For the purposes of calculating the contingent compensation referred to in Rule 350, First Team Appearances made in excess of 100 and up to a maximum of 200 (the **"Additional Appearances"**) will result in contingent compensation being payable in circumstances where one or more of a Player's Additional Appearances are played for a Club (or clubs) in a higher division than one of more of the Player's first 100 First Team Appearances. In such circumstances the Additional Appearances will be treated as if they had formed part of the Payer's first 100 First Team Appearances, with the result that an additional compensation fee will be due which is equal to any difference in the compensation paid in respect of the Player's first 100 First Team Appearances and any Additional Appearances of a higher value (starting with the lowest compensated appearance).

Compensation

Guidance

Example 1:

A Player makes 100 First Team Appearances in the Championship, followed by 10 First Team Appearances in the Premier League.

The 100 Championship appearances would result in contingent compensation of £250,000 (£2,500 x 100) being payable to training clubs.

The 10 subsequent appearances in the Premier League would be worth £300,000 (£30,000 x 10) being payable to training clubs.

The contingent compensation payable to the training club(s) would be 'topped up' to the contingent compensation for 10 Premier League appearances, less the contingent compensation of the player's lowest-compensated 10 appearances in his first 100 appearances:

- 10 Premier League appearances = £30,000 x 10 = £300,000
- 10 Championship appearances = £2,500 x 10 = £25,000

Total 'top up' fee payable: £300,000 - £25,000 = £275,000

Example 2:

A Player's first 100 First Team Appearances are broken down as follows: (i) 1-25 at EFL League 2 level; (ii) 26-75 at EFL League 1 level; and (iii) 76-100 at EFL Championship level. The Player goes on to make a further 25 First Team Appearances at EFL Championship level (matches 101-125) and 50 First Team Appearances at Premier League level (matches 126-175).

These first 100 appearances would result in contingent compensation of £93,750 (£250 x 25; £500 x 50; £2,500 x 25) being payable to training clubs.

The contingent compensation payable to the training club(s) would be 'topped up' to the contingent fee for:

- 25 EFL Championship appearances (£2,500 x 25), less the contingent compensation of the player's lowest-compensated 25 appearances in his first 100 appearances (being at EFL League 2 level: £250 x 25). 'Top up' fee payable in respect of these matches: £62,500 - £6,250 = £56,250; and
- 50 Premier League appearances (£30,000 x 50), less the contingent compensation of the player's remaining lowest-compensated 50 appearances in his first 100 appearances (being at EFL League 1 level: £500 x 50). 'Top up' fee payable in respect of these matches: £1,500,000 - £25,000 = £1,475,000.

Total 'top up' fee payable: £1,531,250.

356. The appearance fees referred to in Rule 354.1 are as follows:
- 354.1. Premier League: £30,000;
 - 354.2. EFL Championship: £2,500;
 - 354.3. EFL League 1: £500; and
 - 354.4. EFL League 2: £250.

Guidance

The contingent fees set out above come into force with effect from the coming into force of the Season 2022/23 edition of these Rules and are forward-looking from that date. In order to calculate the contingent fees applicable for registrations approved before the coming into force of the Season 2022/23 edition of these Rules, reference should be made to the following figures:

Compensation

Number of First Team Appearances	Divisional Status of the Club			
	Premier League Club	Football League Championship Club	Football League 1 Club	Football League 2 Club
10	£150,000	£25,000	£10,000	£5,000
20	£150,000	£25,000	£10,000	£5,000
30	£150,000	£25,000	£10,000	£5,000
40	£150,000	£25,000	£10,000	£5,000
50	£150,000	£25,000	£10,000	£5,000
60	£150,000	£25,000	£10,000	£5,000
70	£100,000	£25,000	£10,000	£5,000
80	£100,000	£25,000	£10,000	£5,000
90	£100,000	£25,000	£10,000	£5,000
100	£100,000	£25,000	£10,000	£5,000

For the avoidance of doubt, in such circumstances:

- Rule 355 will not apply, such that only First Team Appearances up to a maximum of 100 will apply for the purposes of calculating contingent compensation; and
- Rule 357.1.2 will not apply, such that matches played for a foreign club where a player is the subject of a Temporary Transfer will not apply for the purposes of calculating contingent compensation.

357.	In Rule 354:
357.1.	“First Team Appearance” means:
357.1.1	an appearance either in the starting eleven or as a playing substitute in a first team fixture in the Premier League, the Football League Championship and Football Leagues 1 and 2 (including play-offs), the Football League Cup, the FA Cup, the Football League Trophy, the FIFA Club World Cup, the UEFA Europa Conference League, the UEFA Europa League or the UEFA Champions League; and
357.1.2.	where a player is subject to a Temporary Transfer or other loan from a Club or Football League club to a foreign club, an appearance for a foreign club in league or domestic cup competition, the FIFA Club World Cup, the UEFA Europa Conference League, UEFA European League or the UEFA Champions League;
357.2.	the contingent compensation shall be payable upon the earlier of: (a) every 10 First Team Appearances played by the Player; (b) the end of each Season; or (c) the termination (whether by effluxion of time, cancellation, transfer or otherwise) of the Academy Player’s registration at a Club (or Football League club). For the avoidance of doubt, in the event of a termination of an Academy Player’s registration, the obligation to pay future sums pursuant to that Rule shall transfer to any new Club (or Football League club) for whom the Academy Player subsequently becomes registered; and
357.3.	“Compensation Fee”, “Loan Fee” and “Contingent Sum” shall be interpreted to exclude compensation payable pursuant to Rule 343.

Compensation

Guidance

For the purposes of Rule 357.1.2, the banding of the relevant competitions will be based on alignment of foreign competitions with the domestic governing body endorsement competition banding (with each Band to be as defined in the ‘Governing Body Endorsement Requirements for Players’ document) whereby:

- appearances in the UEFA Champions League carry the same appearance-based contingencies as appearances for a Premier League Club;
- appearances in foreign Band 1 domestic competitions, the UEFA Europa League and the UEFA Conference League carry the same appearance-based contingencies as appearances for a Championship club;
- appearances in foreign Band 2 domestic competitions carry the same appearance based contingencies as appearances for a League One club; and

The relevant banding shall be determined with reference to the banding of that club at the time of the relevant appearance.

358.	Reference in Rules 354 and 357 to the transfer or termination of an Academy Player’s registration shall be interpreted to include transfers or terminations of his registration after he has ceased to be an Academy Player and Clubs who subsequently sign the Academy Player shall be bound to comply with Rules 354.1 and 354.4 and for the avoidance of doubt the original Applicant Club shall not be liable to the Training Club in respect of:
358.1.	any appearance fees payable pursuant to Rule 354.1 and due in respect of appearances made by the Academy Player after he has ceased to be permanently registered for the Applicant Club; or
358.2.	sums payable pursuant to Rule 354.3 and 354.4 arising from transfers in respect of which the Applicant Club was not the Transferor Club.
359.	Any agreement between a Club and another Club (or club) as to the compensation payable on the transfer of a registration, whether pursuant to Rule 347.2 or otherwise, may not take effect so as to vary the contingent compensation payable pursuant to this section of the Rules to any other Club (or Football League club).
360.	If an Academy Player has spent part only of any year at the Training Club, the amount of compensation in respect of that year shall be calculated pro rata (taking into account whether or not the Training Club’s Academy was operational or not during the Close Season or any part of it).
361.	If the Academy Player has been registered for a Training Club for part only of the period between the start of his Under 9 year to the conclusion of his Under 16 year, the amount of contingent compensation payable to that Training Club calculated in accordance with these Rules shall be paid pro rata to the Training Club.

Guidance

Compensation

362.	The compensation set by the Professional Football Compensation Committee in respect of an Academy Player to whom Rule 349 applies shall be determined in accordance with the Committee's Regulations (set out at Appendix 11).
363.	The new registration of a Contract Player under Premier League Rule U.17 shall impose an obligation on the Club next holding his registration to pay to the former Club (or club) compensation for the training and development of that Player if the Club (or club): <ul style="list-style-type: none"> 363.1. had held that Player's registration as an Academy Player; 363.2. had offered to enter into a Scholarship Agreement with him which offer he had not accepted; or 363.3. had entered into a Scholarship Agreement with him; and either <ul style="list-style-type: none"> 363.3.1. the Scholarship Agreement had been terminated at the Player's request; or 363.3.2. in accordance with the terms thereof, the former Club (or club) had offered him a contract as a Contract Player which offer he had not accepted.
364.	The amount of compensation payable pursuant to Rule 363 shall be: <ul style="list-style-type: none"> 364.1. such sum as shall have been agreed between the applicant Club (or club) and the former Club; or 364.2. such sum as the Professional Football Compensation Committee on the application of either Club (or club) shall determine pursuant to Rule 362.
365.	Any agreement between Clubs or between a Club and a Football League club as to the amount of compensation payable shall be in writing, and a copy provided to the League within five days of being entered into.
366.	All compensation (including instalments thereof and contingent sums) payable to a Club or Football League club shall be paid by the Applicant Club into the Compensation Fee Account.

Guidance

The fees set out in Rules 353 and 356 are to be revised annually by the PGB.

The Regulations of the Professional Football Compensation Committee referred to in Rule 362 are in Appendix 11 to Premier League Rules. They remain unchanged as regards the calculation of compensation for:

- Academy Players in the Under 18 and older age groups;
- an Academy Player with whom the Training Club had agreed to enter into a Scholarship Agreement; and
- an Academy Player with whom the Applicant Club enters into a Scholarship Agreement.

Disciplinary Procedure and Penalties

1. Introduction

The disciplinary procedure aims to ensure that the Club behaves fairly in investigating and dealing with allegations of unacceptable conduct with a view to helping and encouraging all Scholars to achieve and maintain appropriate standards of conduct and performance. The Club nevertheless reserves the right to depart from the precise requirements of its disciplinary procedure where the Club considers it expedient to do so and where the Scholar's resulting treatment is no less fair.

2. Records

All cases of disciplinary action under this procedure will be recorded and placed in the Club's records until deleted in accordance with paragraph 4.2. A copy of the Club's disciplinary records concerning the Scholar will be supplied to the Scholar at his request.

3. The Procedure

The following steps will be taken as appropriate in all cases of disciplinary action:

3.1 Investigation

No action will be taken before a proper investigation has been undertaken by the Club into the matter complained of. If the Club determines the same to be appropriate the Club may by written notice suspend the Scholar for up to 14 days while the investigation takes place. If the Scholar is so suspended this agreement will continue together with all the Scholar's rights under it except that during the period of suspension the Scholar will not be entitled to access to any of the Club's premises except at the prior request or with the prior consent of the Club and subject to such conditions as the Club may impose. The decision to suspend the Scholar will be notified in writing to the Scholar by the Club.

3.2 Disciplinary Hearing

3.2.1 If the Club decides to hold a disciplinary hearing about the matter complained of the Scholar will be given full details in writing of the complaint against him and reasonable notice of the date and time of the hearing. At the hearing the Scholar will be given an opportunity to state his case either personally, through his representative or the PFA.

3.2.2 Subject as provided in paragraph 3.2.3, no disciplinary penalty will be imposed without first giving the Scholar the opportunity to state his case.

3.2.3 A disciplinary hearing may proceed in the Scholar's absence and a disciplinary penalty may be imposed if the Scholar fails to appear at such hearing after having received proper notice thereof.

3.3 Appeals

3.3.1 The Scholar shall have a right of appeal to the Board against any disciplinary decision. The Scholar should inform the Board in writing of his wish to appeal within seven days of the date of notification to him of the decision which forms the subject of such appeal. The Board will conduct an appeal hearing as soon as possible thereafter at which the Scholar will be given a further opportunity to state his case either personally or through his representative. The decision of the Board will be notified to the Scholar in writing within seven days and, subject to paragraph 3.3.2, will be final and binding under this procedure.

3.3.2 In the event of any sanction being imposed or confirmed in excess of an oral warning the Scholar may by notice in writing served on the Club and the League within seven days of receipt by the Scholar of written notification of the decision of the Board appeal against it to the League and such appeal shall be determined in accordance with the League Rules.

3.3.3 If the Scholar exercises any right of appeal as aforesaid any sanction imposed by the Club upon the Scholar shall not take effect until the appeal has been determined and the sanction confirmed, varied or revoked as the case may be.

4. Disciplinary Penalties and Termination

4.1 At a disciplinary hearing or on an appeal to the Board against a disciplinary decision the Club may dismiss the allegation or if it is proved to the Club's satisfaction may:

4.1.1 give an oral warning, a formal written warning or after a previous warning or warnings a final written warning to the Scholar;

4.1.2 impose a fine not exceeding the amount of 50% of his monthly salary;

- 4.1.3 order the Scholar not to attend at any of the Club's premises for such period as the Club thinks fit not exceeding two weeks; or
 - 4.1.4 where the circumstances set out in Clause 10.1 of this agreement apply, terminate this agreement.
- 4.2 Any warning or sanction given under this disciplinary procedure will be deleted in the Club's records after 12 months.

Camera Positions

(Rule K.62)

Each Club shall provide at each League Match played at its Stadium positions for television cameras in accordance with the requirements of this Appendix 3, and each such position shall be Hardwired.

1. Pursuant to Rule K.62, and subject to paragraph 2 below, Clubs must provide Hardwired camera positions in the locations shown on the Master Camera Plan, at all League Matches.
2. Any camera positions that are not required for use by Broadcasters, may be used by the Club, subject to the Club obtaining the necessary League approvals no less than 10 days prior to the League Match.
3. The Stadium lay-out shown in the Master Camera Plan is indicative only. It is not intended to be an exact representation of a Stadium; rather they are intended to show:
 - 3.1 where cameras should be placed in relation to the pitch; and
 - 3.2 the relative height above the pitch of each camera.
4. The League will work with each Club to identify and agree the location of each camera illustrated on the Master Camera Plan at the Club's Stadium. This will then be recorded on the Club's agreed Technical Specification.

CAMERA PLANS: KEY

Numbers in brackets refer to the designated Camera Number.

All camera positions must provide a full and clear view of the whole pitch, including in circumstances where supporters are standing with their arms raised and when supporters are moving in any of the Stadium's stairwells and/or stands. All camera positions should be allocated a two metre by two metre working space that is clear of any structure or obstacle and which cannot be accessed by fans, unless otherwise agreed with the League.

The Clubs are responsible for adopting best practice camera mounting, hoisting and safety procedures for the use of, access to and egress from all camera positions.

Appendix 3

All camera positions are manned, with the exception of camera 15 and cameras 18 to 23, which are remotely operated cameras.

The Clubs are responsible for providing the camera positions for cameras 1 to 41 and all equipment (such as pods, hoists and camseats) as are necessary to ensure that all camera equipment can be installed in those camera positions in accordance with Rules K.62 and K.63.1.

The Clubs shall make camera positions for the Ad Hoc Cameras available. However, the installation of the infrastructure and equipment required to install the Ad Hoc Cameras will be undertaken and paid for by the Broadcasters, the League and/or the League's Appointed Production Partner. The Clubs shall assist the Broadcasters and/or the League with the installation of the Ad Hoc Cameras wherever reasonably practicable.

Main Camera (1)

- Positioned on television gantry exactly on the halfway line facing away from the sun. The television gantry should be compliant with Rules K.48 to K.50 and the associated guidance
- Ideal angle is 12 to 14 degrees from the gantry to the centre spot and 22 to 24 degrees from the gantry to the near-side touchline
- This camera will be used to provide the main wide-shot coverage of the game

Close-Up Camera (2)

- Positioned on television gantry. Normally located next to the camera 1, it is used to provide closer coverage of the action and player/referee close-ups
- A large lens must be used

Pitch-Side Halfway Camera (3)

- A fixed camera on the half-way line at pitch level on the same side as camera 1
- The position should enable an unobstructed view of the field of play and substitutes' benches for the fourth official, and a clear view of the pitch for the Club representatives
- If this camera position is on the same side of the pitch as the technical areas, the camera position may be outside of the technical areas so to prevent obstructing the view from the trainers' benches. However, any alternative camera position must enable an unobstructed view of both goals when Officials are standing at the front corners of the technical areas
- A large lens must be used

Appendix 3

Close-Up Camera (4)

- Positioned on television gantry. Normally located next to cameras 1 and 2, it is used to provide closer coverage of the action and player/referee close-ups
- A large lens must be used

Steadicams (5 and 6)

- Up to two hand held portable 'steadicams', each positioned either side of the half-way line on the same side as main camera may work the length of each half but concentrating on a zone extending between the goal-line and 18 yard line
- The cameras should not cause any viewing obstructions to the trainers' benches and sufficient space must be allowed for Players to warm up
- Host Broadcasters are permitted to use their 'steadicams' on the pitch during the pre-match warm up for a short period of time, up until 30 seconds before kick-off and after the final whistle
- Resting positions to be agreed with each Club at the start of each Season

18 Yard Cameras (7 and 8)

- Two cameras installed on the same side as camera 1 at the same level or higher than the main camera positions, facing each of the 18 yard lines. Often used to cover play in a wide angle, but also used for close up coverage
- Large lenses may be used

High-Behind Goal Camera (9 and 10)

- Two cameras installed in the stands behind either goal, at a height which permits an unobstructed view of the penalty spot from above the crossbar. Both cameras need to be able to see the far side goal in its entirety and all four corner flags. Large lenses may be used

Low-Behind Goal Cameras (11, 12, 13 and 14)

- Four cameras, two at each end, at pitch level in fixed positions behind each goal-line. The area for all such pitch level cameras located behind each goal-line should start at the six yard line (where it meets the goal-line) and extend towards the touchline (as shown on the Master Camera Plan)
- These may be positioned in front of the advertising boards if there is not sufficient or safe space to operate the cameras from behind the LED Boards. The location of these cameras will be agreed between the Club and the League

Beauty-Shot Camera (15)

- A fixed camera mounted high in the stadium to give a panoramic static shot of the pitch
- This camera is remotely operated

Appendix 3

Reverse Angle Cameras (16 and 17)

- Two cameras located opposite camera 1 for 'reverse-angle' coverage and usually for coverage of the trainers' benches
- On or close to the centre line
- One of these cameras covers close up shots of the Managers, therefore if your gantry is opposite the trainers' benches, camera 14 should be included as part of the TV gantry requirement
- Large lenses may be used

Pole Cameras (18 and 19)

- A camera on a pole mount may be used behind goals in front of the advertising boards. They will be rigged at full height, up to the top of the goals. These cameras may be static or mounted on a jib arm. Where a jib style pole cam is in use, Broadcasters will lower the jib arm as low as possible if play is at the opposite end of the pitch. Where facilities for disabled supporters are located directly behind these cameras, Clubs are permitted to rig them at a lower level, subject to obtaining prior approval from the League

Goal-Line Cameras (22 and 23)

- Two cameras located on the same side as the main camera, level with the goal-line and with an unobstructed view of the whole goal and the goal-line inside the penalty area

Mini-Cameras (20 and 21)

- Mini-cameras may be placed directly behind the goal net but cannot be attached to the net or the actual posts and crossbar. It can be as close to the net as desired as long as it does not touch the net. A mini-camera may therefore be attached to the poles which support the net or the cable connecting the back of the net to the vertical stanchions directly behind the goal

Corner Cameras (24, 25, 26 and 27)

- Options for cameras to be placed in all four corners approximately five metres above the pitch
- Large lenses may be used

Small Lens or Electronic Newsgathering (ENG) Cameras (28, 29, 30, 31, 32, 33, 34 and 35)

- Eight portable ENG cameras at pitch level, behind each goal-line
- These cameras must be positioned outside (nearer the touchline) the cabled Host Broadcaster cameras and would be required to be fixed during each half
- There may be a requirement for these cameras to change ends at half-time
- Clubs shall allow ENG Cameras to be replaced by small lens cabled cameras or permit the ENG cameras to be connected by a cable

Appendix 3

- In addition to the camera operator, Clubs must permit two producers who are accredited representatives of the Host Broadcaster, or two other individuals accredited by the League or the League's Appointed Production Partner to accompany two of these camera positions (one producer/individual accompanying one camera position) if requested by the Host Broadcaster, the League or the League's Appointed Production Partner

Hi Motion or Big Lens Close Up Cameras (36, 37, 38 and 39)

- Up to four big lens cameras, at pitch level, between the six yard and 18 yard line, but as close to the six yard line as reasonably possible
- In addition to the camera operator, Clubs must permit two producers who are accredited representatives of the Host Broadcaster, or two other individuals accredited by the League or the League's Appointed Production Partner to accompany two of these camera positions (one producer/individual accompanying one camera position) if requested by the Host Broadcaster, the League or the League's Appointed Production Partner

ISO and Analysis Cameras (40 and 41)

- Two cameras positioned on the television gantry. If space is not available on the main gantry then suitable positions must be made available near to, and at a similar level to, the main gantry and not more than 20 metres from the half-way line
- Large lenses may be used
- This will be the location of 180 degree Stadium wide angle filming, where such filming is required

Remote Flight Cameras (Ad-Hoc Cameras)

- These cameras are commonly referred to as drones. They shall not fly over or across any part of the Stadium. They shall be operated by providers approved by the Civil Aviation Authority who will allocate safe fly zones on either land owned by the Club where reasonably possible and safe to do so, or at an alternative safe location
- The Clubs must permit Civil Aviation Authority approved providers to fly a broadcast flight camera when requested to do so by the Broadcasters and/or the League. Flights shall take place pre-match, at half time and post-match, and at agreed times during the League Match. Camera flight times must be listed on the Countdown to Kick-Off to ensure that all relevant personnel at the Club and PGMOL are aware that the flight is an approved flight

Appendix 3

Aerial Cabled Wire Cameras (Ad-Hoc Cameras)

- These cameras include:
 - four point aerial cabled camera systems used for camera flight above the field of play (being a moving camera system with two- or three-dimensional movements); and
 - wirecams located on a single wire system suspended in the air that move horizontally along the length of the pitch, and generally sit at the same height as camera 1; or
 - railcams located on a fitted track fitted to the front of a Stadium tier or advertising board that move horizontally along the length of the pitch
- Clubs shall ensure that their Stadium can facilitate the installation of a four point aerial cabled camera system and at least one of a wirecam or a railcam where reasonably possible and safe to do so, unless otherwise agreed with the League
- These cameras shall be operated from one of the UK or International TV Commentary Positions provided for at Rules K.51 and K.53 respectively, as determined by the Broadcasters

Technical Area Cameras (Ad-Hoc Cameras)

- Two remotely operated cameras (one fixed in each technical area) to be permitted when requested by the Host Broadcaster, the League or League's Appointed Production Partner

- These camera positions should be located outside of the Host Broadcaster's cameras (closer to the touchline) as shown on the Master Camera Plan
- Whilst Clubs shall make these camera positions available at each League Match played at its Stadium, the use of Club cameras will be subject to the Club obtaining the necessary League approvals no less than 10 days prior to the League Match

Premier League Social Media Filming

- Two camera positions at pitch level (one at each end of the pitch) for an accredited representative of the League’s Appointed Production Partner, to capture video content with a mobile phone

5. Scouts are responsible for the conduct of their contacts and shall be liable for any act or omission by a contact which constitutes a breach of the Rules.
6. Scouts shall conduct themselves in a manner befitting their role as Officials of their Clubs and shall take all possible steps to promote the reputation of the game of association football and to prevent it being brought into disrepute.
7. A Scout shall forthwith disclose to his Club the nature and extent of any direct or indirect interest he may have in any transaction or arrangement involving his Club and he shall account to his Club for any benefit which either directly or indirectly he derives therefrom.

4. The calculation of the share of the Season 2019/20 Reduction to be borne by each 19/20 Club and 19/20 Relegated Club shall comprise three steps, as explained in further detail at paragraph 5, below:
 - 4.1 **Step 1** – The League will determine each 19/20 Club's and each 19/20 Relegated Club's Revenue % Share (see paragraph 5.1, below);
 - 4.2 **Step 2** – The League will then use the relevant Revenue % Share figures to calculate each 19/20 Club's and each 19/20 Relegated Club's Proportionate Reduction Allocation (see paragraph 5.2, below); and
 - 4.3 **Step 3** – The League will then use the Promoted Clubs' Reduction Contribution to defray in part the costs of each 19/20 Club's and each 19/20 Relegated Club's Proportionate Reduction Allocation (see paragraphs 5.3 and 5.4, below).

Appendix 15

Method

5. The share of the Season 2019/20 Reduction to be borne by each 19/20 Club and 19/20 Relegated Club will be calculated in accordance with the method detailed in this paragraph 5:

Step 1 – Calculating the Revenue % Share

- 5.1 The League will calculate the Total Season 2019/20 Broadcast Revenue and will identify the amount payable to each 19/20 Club and 19/20 Relegated Club in accordance with the process detailed in Rules D.15 to D.19 and D.25. Based on this calculation, the percentage share of the Total Season 2019/20 Broadcast Revenue payable to each 19/20 Club and each 19/20 Relegated Club will be determined (its "**Revenue % Share**") (for example, if the League's Total Season 2019/20 Broadcast Revenue is £1 billion and the amount so payable to a 19/20 Club in accordance with Rules D.15 to D.19 would have been £150 million, its Revenue % Share will be 15%);

Step 2 – Calculating the Proportionate Reduction Allocation

- 5.2 Next, the League will attribute a portion of the Season 2019/20 Reduction to each 19/20 Club and 19/20 Relegated Club based on its Revenue % Share (its "**Proportionate Reduction Allocation**") (for example, if a 19/20 Club's Revenue % Share is 10% and the Season 2019/20 Reduction is £100 million, its Proportionate Reduction Allocation would be £10 million);

Step 3 – Defraying the cost of the Proportionate Reduction Allocation

- 5.3 Next, in order to determine the maximum reduction to be borne by each 19/20 Club and 19/20 Relegated Club, the League will calculate the amount of the Season 2019/20 Reduction that would have been borne by each 19/20 Club and 19/20 Relegated Club simply by treating the Season 2019/20 Reduction as a reduction in revenue and applying the provisions of Rules D.15 to D.19 and D.25 without alteration (its "**Maximum Reduction Allocation**");
- 5.4 Finally, the League will utilise the Promoted Clubs' Reduction Contribution (as defined at paragraph 6.2, below) to reduce each 19/20 Club's and each 19/20 Relegated Club's Proportionate Reduction Allocation as follows:

- 5.4.1 a portion of the Promoted Clubs' Reduction Contribution will be utilised to defray the Proportionate Reduction Allocation of each 19/20 Club and each 19/20 Relegated Club in each case by an amount commensurate with its Revenue % Share; and
 - 5.4.2 the remainder of the Promoted Clubs' Reduction Contribution will be utilised to further reduce each 19/20 Club's and 19/20 Relegated Club's Proportionate Reduction Allocation to ensure that no 19/20 Club or 19/20 Relegated Club bears a share of the Season 2019/20 Reduction that is greater than its Maximum Reduction Allocation.
- 5.5 Having utilised the Promoted Clubs' Reduction Contribution in the way described in paragraph 5.4, above, the final share of the Season 2019/20 Reduction to be borne by each 19/20 Club and each 19/20 Relegated Club will be determined.

C. Season 2020/21 and Season 2021/22 Promoted Clubs

6. Subject to paragraph 7, below:
- 6.1 The share of the Season 2019/20 Reduction to be borne by each of the Promoted Clubs in Seasons 2020/21 and 2021/22 will be the mean of the Maximum Reduction Allocations of the three 19/20 Relegated Clubs (calculated in accordance with the method set out in paragraph 5.3); and
 - 6.2 The total amount of the six shares of the Season 2019/20 Reduction to be borne by the six Promoted Clubs in total in Season 2020/21 and Season 2021/22 will comprise the **"Promoted Clubs' Reduction Contribution"**.
7. Where one or more 19/20 Relegated Clubs is promoted back to the League in Season 2021/22 (becoming a **"Re-Promoted Club"**):
- 7.1 The Re-Promoted Club(s) shall not be required to bear the further share(s) of the Season 2019/20 Reduction that it/they would otherwise have borne in accordance with paragraphs 2.3 and 6, above;
 - 7.2 Instead, the number of Promoted Clubs in Seasons 2020/21 and 2021/22 that will be required to bear shares of the Season 2019/20 Reduction, calculated in accordance with paragraph 6.1, above, will be reduced by the number of Re-Promoted Clubs; and

- 7.3 In that event, the League will utilise a portion of the fees that it would otherwise have been required to provide to the Re-Promoted Club(s) under Rule D.25 (i.e. the 'parachute payments') to ensure that the quantum of the Promoted Clubs' Reduction Contribution remains at the level calculated in accordance with paragraph 6.2, above.

D. Illustrative example

- 8. Given the complexity of the calculation methods referred to in this paper, attached at **Annex 1** is a worked example of applicable process, drafted on the assumption that the Season 2019/20 Reduction totals £330 million.

Annex 1 – Calculation of Season 2019/20 Reduction Share

Illustrative Example: Scenario - Season Completion with £330m Reduction

Total Season 2019/20 Broadcast Revenue is based on forecast. Actual allocation of reduction will be calculated on actual results at the end of the Season. Thus Revenue % Share will alter.

Step 1 – Para 5.1
At the end of Season 2019/20, calculate the Total Season 2019/20 Broadcast Revenue due to each Club and Relegated Club without giving effect to the reduction. Thus determining each Club's Revenue % Share of the pre reduction revenue.

Step 2 – Para 5.2
Calculate each Club's share of the reduction according to the Revenue % Share as determined in Step 1.

Step 3 – Para 5.3
In order to determine the maximum reduction for each Club and each Relegated Club, calculate each Club's share of revenue by following Rules D.15 to D.19 & D.25 without alteration and by treating the reduction as a reduction in revenue.

Clubs and Relegated Clubs' share of the reduction shall not exceed this.

Para 6 and 7
Calculate the share of reduction to be borne by each of the six Promoted Clubs in Seasons 2020/21 and 2021/22 by taking the average reduction allocated to the three Clubs relegated in Season 2019/20 in Step 3 – Para 5.3 i.e. in this scenario, average of £9.0m, £9.1m and £7.1m = £8.4m.

The Promoted Club Reduction Contribution is therefore £50.4m.

Use a portion of the Promoted Club Reduction Contribution to defray each Club's share of reduction calculated in Step 2 by allocation in the same Revenue % Share calculated in Step 1.

Step 3 – Para 5.4.2
Using the remainder of the Promoted Club Reduction Contribution, allocate to Clubs in order to defray the share of reduction further so that no Club's share will exceed the share of reduction calculated in Step 3 – Para 5.3 under the Section D Allocation.

Step 3 – Para 5.5
Each Club's Final Share of Season 2019/20 Reduction is determined by combining its Proportionate Reduction Allocation in Step 2 with its allocation of Promoted Club Reduction Contribution calculated in Step 3 – Para 5.4.

In this example:
Each Club's Final Share of Season 2019/20 Reduction ranges from £7.1m to £17.3m.

Relegated Clubs assume the same share of reduction as under the Maximum Reduction Allocation.

Each Promoted Club in Season 2020/21 and 2021/22 will bear £8.4m of the Season 2019/20 Reduction.

Appendix 16

Competition Interruption - Squad Management Protocol

A. Introduction

1. This document details a range of measures that Clubs have agreed, pursuant to Rule C.18, may be implemented by the Board in the event that it considers them necessary to ensure the completion of a Competition. In accordance with Rule C.19, they may be implemented by written notice to Clubs ("**Implementation Notice**").
2. Any of the below, though more particularly elements of Section B, may be subject to future overriding FIFA regulations and be updated accordingly as a result.

B. Postponement of League Matches

Guidance

3. Following the issue of an Implementation Notice, the Board will only permit the rearrangement or postponement of a League Match in exceptional circumstances, which will be judged on a case-by-case basis.
4. However, by way of guidance to Clubs:
 - a. permission will not be granted to postpone a League Match where the applicant Club has 14 or more Players listed on its Squad List available;
 - b. where the Club has fewer than 14 such Players available to participate in the relevant League Match, the Board may permit the application, save where one or more of the following scenarios applies:
 - i. one or more of the Club's Squad List Players' inability to participate is attributable to a failure by the Club or the Player concerned to comply with any medical (or other) protocol issued by the Board in accordance with Rule C.18 ("**Protocol**");
 - ii. one or more of the Club's Squad List Players' inability to participate is as a result of the Player being subject to Government-mandated isolation following a return from overseas; and
 - iii. the Club was able to utilise a Replacement Player (as defined at paragraph 11, below) but, for whatever reason, failed to do so.
5. Further, in respect of any application by a Club to reschedule or postpone a League Match due to concerns regarding insufficient Squad List Players, the Board will also give consideration to:
 - a. the number of registered Under 21 Players (and their relevant experience) available to the Club at the relevant time. Clubs will be expected to utilise appropriately experienced Under 21 Players. This will include any Under 21

Appendix 16

Player who has made a first team appearance for:

- i. the Club;
 - ii. another Premier League or EFL club; and
 - iii. an overseas club; and
- b. the relevant position(s) of the Squad List Player(s) who is/are unavailable (for example, the availability of appropriately experienced goalkeepers).
6. For the avoidance of doubt, the Board believes that it would be extremely difficult to realistically apply and enforce any sort of subjective weighting against the level of a Player who may become unavailable for whatever reason.

Process

7. Any application by a Club for the Board to exercise its discretion to rearrange or postpone a League Match must be:
 - a. made as far in advance of the relevant League Match as reasonably practicable; and
 - b. accompanied by all evidence that the Club wishes the Board to consider in support of its application.
8. If the Club's application is turned down by the Board, the Club must complete the fixture.
9. In the event that the Club refuses to complete the fixture, and the Board determines that a Club has:
 - a. failed to use its best endeavours to ensure that a League Match takes place on the scheduled time and date; and/or
 - b. causes the postponement of a League Match,
 the matter will be dealt with in accordance with Section W (Disciplinary) of the Premier League Rules. In the event that the matter is referred to the Chair of the Judicial Panel, who appoints a Commission to hear the complaint, that Commission will have the sanctioning powers set out at Rule W.51.4 (including the power to deduct points to be scored in a League Match).

C. Squad management

10. Following the issue of an Implementation Notice, the provisions of this Section C will apply, subject to the rules and regulations of FIFA and The FA.

Appendix 16

11. In the event that a Club loses one or more Players from its Squad List in place prior to the interruption of the Competition, whether due to:
 - a. the Player's contract expiring and the Club and Player being unable to agree a new contract or an appropriate extension;
 - b. the Player being on loan and the two Clubs/clubs and Player being unable to agree an appropriate extension;
 - c. the Player refusing to train or play due to concerns over COVID-19 or equivalent;
 - d. the Player self-isolating because they have been in close contact with someone showing symptoms of COVID-19 or equivalent; and
 - e. the Player becoming infected with COVID-19 or equivalent or becoming injured due to the increased volume of League Matches,the Board will only consent to the replacement of the lost Player(s) in its Squad List with:
 - f. any player who was registered with (and eligible to play for) the Club prior to the suspension but who was not included in the Squad List; or
 - g. a Player who is returning to the Club following an expired loan with another club and then only in the circumstances detailed at paragraph 12.a, below,(in either case, a **"Replacement Player"**).
12. Further, in considering whether to grant consent for the Replacement Player to be added to the Squad List outside of a Transfer Window, the Board will be mindful of the following factors:
 - a. in accordance with FIFA Regulations, the Player must have been on loan to a club in a league which has been curtailed. If subsequent FIFA Guidance relaxes this restriction that will be reflected accordingly;
 - b. where a Player previously available to the Club has become unavailable due to the expiry of his contract or a loan, what steps the Club has taken to agree an appropriate extension with that Player (and his parent Club/club, as appropriate);
 - c. the availability of *'appropriately experienced Under 21 Players'* (as referred to at paragraph 5.i, above) registered to the Club;
 - d. the guidance in respect of goalkeepers set out in the League's Squad Limits Guidance Note; and

Appendix 16

- e. whether the Player had previously been on the Club's Squad List during the relevant season.
 13. Clubs retain the ability under Rule U.1 to field Under 21 Players without restriction.
- D. Full Strength Teams**
14. Rule L.20 requires Clubs to field a full-strength team in every League Match.
 15. The League's Squad Limits Guidance Note provides that *'where a team is drawn exclusively from its Squad List as submitted to the Premier League, then such team will be classed as "full strength" for the purposes of this Rule.'*
 16. The Rule requiring full strength teams should remain unamended to protect the integrity of the competition and ensure fairness to all.
 17. The Board will not consider the Rule to have been breached where a team fielded by a Club (i.e. its starting 11) is comprised solely of Players from its Squad List. However, while all cases will be considered on their merits, where a team fielded by a Club features Players who are not on its Squad List, when other Players from its Squad List are available to play, it may elect to take disciplinary action in accordance with Section W (Disciplinary) of the Rules.
- E. Disciplinary approach**
18. Following the issue of an Implementation Notice, the following disciplinary and procedural provisions shall apply in respect of breaches of any Protocol.
 19. As with all disciplinary matters, ultimately any allegation of a breach of a protocol will be dealt with on its facts, on a case-by-case basis. However, given the critical importance of adherence to Protocols in place following an interruption to a Competition and the unanimous view of Clubs that breaches should be dealt with swiftly and with significant consequences, the Board envisages adopting the following approach:
 - a. where an alleged breach of a protocol is reported the Board will consider a range of factors, including those set out in the following non-exhaustive list:
 - i. the extent to which the breach has compromised the safety of one or more other Relevant Persons;
 - ii. the extent to which the breach was intended to secure (and/or did secure) a competitive advantage;

- iii. the state of mind of those committing the breach (e.g. inadvertent, negligent or intentional);
 - iv. the number of individuals involved in the breach; and
 - v. whether the breach represents a repeated breach of the Protocol by the Club; and
- b. having considered these factors, the Board will determine which of the following three categories the breach falls into, and take the disciplinary action set out in the adjacent column:

Nature of breach	Board approach
Minor breach	Warning and reprimand, which are retained on file
Standard breach	Fine of up to £100,000 (in line with its summary jurisdiction)
Significant breach	Refer the matter to a Commission

20. Where the Board refers a breach to a Commission, Section W of the Rules provides that a prescribed timetable is ordinarily followed, resulting in a period of at least a month before a hearing is convened and an award issued (Clubs have 14 days to respond to a complaint, with the Board having a further 14 days to reply, before a directions hearing is convened to set out a further timetable, again with the parties able to agree abridged timetables). However, all of the relevant timeframes can be abridged either with the consent of the Chair of the Judicial Panel/Commission or the agreement of the parties (see Rule W.31).
21. The Board considers it essential that allegations of breaches of a Protocol are dealt with as expeditiously as possible, given the condensed timeframes in which the remainder of the relevant season will be completed. To that end, it proposes that, in every case where an alleged breach of a Protocol is referred to a Commission:
- a. the complaint should be issued by email (rather than recorded delivery post) and is deemed to be received on the same day (rather than three days after posting);
 - b. the Chairman of the Judicial Panel should be required to appoint a Commission within 24 hours of the matter being referred to him;
 - c. within 24 hours of their appointment, the Commission must convene a directions hearing to determine a timeline for resolving the case and to consider the matters set out at Rule W.38 (rather than such a hearing being convened after submissions have been exchanged); and

- d. the presumption will be that all cases should be dealt with within seven days, save that:
- i. either the Board or an affected Club can apply to the Commission at the directions hearing for an extended timetable in exceptional circumstances; and/or
 - ii. where the Board considers that urgent provisional measures are required (for example, where ongoing conduct of a Club is demonstrably risking the safety of one or more individuals), it may apply to the Chairman of the Judicial Panel for these timelines to be abridged further.

Appendix 17

Fair Market Value Assessment Protocol – Commercial Rights Agreements

A. Application

1. This Fair Market Value Assessment Protocol – Commercial Rights Agreements (“**CRA Protocol**”) sets out the process by which the Board will conduct the Fair Market Value Assessment required by the Rules in relation to the following types of Associated Party Transactions and Threshold Transactions:
 - a. sponsorship or licensing agreements or agreements pursuant to which the counterparty is granted a right of association with the Club, any Player, its Manager or any Senior Official of the Club; and
 - b. agreements pursuant to which the counterparty advertises its brand, products or services in any way with the Club, whether in its Stadium, Training Ground, website or otherwise.
2. Capitalised terms not otherwise defined in this Protocol bear the meaning given to them in the Premier League Rules (“**Rules**”).

B. Rules

3. Fair Market Value is defined as follows:

“Fair Market Value” means the amount for which an asset could be sold, licensed or exchanged, a liability settled or a service provided, between knowledgeable, willing parties in an arm’s length transaction;

4. Fair Market Value Assessment is defined as follows:

“Fair Market Value Assessment” means an assessment as to whether the consideration either paid or received or to be paid or received by the Club, Player, Manager or Senior Official (as applicable) pursuant to a Transaction represents Fair Market Value. In conducting a Fair Market Value Assessment, the Board is required to:

(a) consider:

- (i) *an assessment of the value of the Transaction produced by an independent expert procured by the Board (save that the Board may elect not to obtain an assessment by an independent expert where the Transaction in question involves no consideration paid or to be paid to the Club, Player, Manager or Senior Official or involves the sale or loan of a Player’s registration);*
- (ii) *any relevant information provided by the Club (including any assessment of the value of the Transaction produced or procured by the Club); and*

Appendix 17

(iii) *such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment; and*

(b) *comply with any protocols agreed by Clubs for that purpose (including the Fair Market Value Assessment Protocol – Commercial Rights Agreements). For the avoidance of doubt, where there is no such protocol in place applicable to a particular type of Transaction, the Board will conduct the Fair Market Value Assessment as it sees fit, in compliance with paragraph (a), above;*

C. Process

5. Where a Club is required to submit a Transaction to the League pursuant to Section E of the Rules, it must send the following documents, by email, to the League’s Director of Governance, at financialcontrols@premierleague.com:
 - a. a copy of the documents recording in full the terms and conditions of the Transaction;
 - b. a completed Transaction Summary in the form attached;
 - c. where the Transaction is an Associated Party Transaction any relevant information, evidence or submissions that the Club wishes to be considered by the Board as to the Fair Market Value of the Transaction, bearing in mind the FMV Assessment Factors set out below; and
 - d. where the Transaction is a Threshold Transaction that the Club does not consider to be an Associated Party Transaction, any information, evidence or submissions that the Club wishes to be considered by the Board as to whether the Transaction is at Arm’s Length.
6. Where a Fair Market Value Assessment of the Transaction is required, the Board will procure an assessment by an independent assessor with suitable experience and expertise (“**Independent FMV Assessor**”). For that purpose, the Independent FMV Assessor will be:
 - a. provided with:
 - i. a copy of the Transaction Summary and a copy of the documents recording in full the terms and conditions of the Transaction, with all references to any specific fees or other consideration payable to the Club, Player, Manager or Senior Official redacted (with such redactions the responsibility of the Club);

- ii. a summary of the fee structure (without any specific reference to the value of fees paid or payable), including payment schedule, the structure of any bonuses, royalties or contingent payments;
 - iii. a summary of any associated fees paid or payable by the Club (as a percentage of revenue to be derived from the Transaction);
 - iv. a summary of other elements of value provision, including 'value-in-kind' and any services to be provided; and
- b. required to provide to the Board an assessment of what constitutes Fair Market Value for the Transaction, based on the FMV Assessment Factors.
7. Where, at any point in the Fair Market Value Assessment process, the League considers that further information or documents from the Club is required in order to reach a conclusive decision as to the Fair Market Value of the Transaction, it may request such information or documents from the Club, Player, Manager or Senior Official, who/which must provide complete and prompt assistance in respect of any such request.

D. FMV Assessment Factors

8. In providing its assessment of what constitutes Fair Market Value of a Transaction, the Independent FMV Assessor must consider all information that is appropriate, relevant and readily available to it, bearing in mind the following non-exhaustive list of relevant factors (the **"FMV Assessment Factors"**):
- Fees derived from comparable Transactions in football (and, secondarily, comparable Transactions in other sports or industries of similar profiles, of which the Independent FMV Assessor is aware). For the avoidance of doubt it is likely that comparable football transactions will be most applicable
 - Fees derived for any preceding Transaction entered into by the Club in the same category (if applicable)
 - Term of the Transaction (including, in respect of renewals of existing Transactions, the remaining term of the arrangement)
 - Industry sector of the counterparty brand and applicable product category
 - Tier of the partnership
 - Assets and rights delivered as part of the Transaction
 - Media exposure of assets
 - Products, services or value in kind provided by the counterparty
 - Any renewal provisions or options granted to the relevant counterparty
 - Any additional obligations to be performed by the Club as part of the Transaction
 - Obligations on both parties

- Scarcity of assets (including the number of partners that the Club, Player, Manager or Senior Official already has and the extent to which relevant commercial rights have already been sold)
 - Evidence of the existence or absence of other offers to engage in the Transaction, at a similar level for similar assets and rights
 - Market trends
 - In respect of Clubs:
 - Fan base of the Club (including social media following, global audience and media footprint)
 - Brand value of the Club
 - Geographic spread of fanbase, including elements which may be of particular appeal to particular partners (such as demographic information)
 - Club commercial strategy
 - Playing success of the Club (both in domestic and international club competitions)
 - The relevant Club's track record of achieving partnership/commercial deal values and delivering returns on partner investment
 - Geographical location of Club
 - Playing or coaching talent currently (or previously) employed by the Club
 - Developments likely to affect the Club's performance or fanbase in the future
9. The weight attached to any individual FMV Assessment Factor shall be at the discretion of the Independent FMV Assessor, dependent on the particular Transaction being assessed.
10. Once it has conducted the assessment referred to in paragraph 8, above, the Independent Assessor will provide a written determination to the League's Regulatory Legal department setting out its decision as to what the Fair Market Value of the Transaction is (whether expressed as a single value or a range of values, as it deems appropriate) and an explanation of that decision.
- #### E. Board Assessment
11. Once in receipt of the Independent FMV Assessor's written determination, the League's Regulatory Legal department will provide to the Board a written report including the following:
- a. the information provided to the League by the Club, pursuant to paragraph 5, above;

- b. the Independent FMV Assessor's written determination; and
- c. such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment. In providing such evidence (whether it is taken from the Databank referred to in Rule E.67 or otherwise) the identity of the Club, Player, Manager or Senior Official in each case will be redacted.
12. The Board will take such steps as are necessary to ensure no conflict of interest in respect of any Fair Market Value Assessment and that competitively sensitive information is kept appropriately confidential including, for example, by ensuring that no members of the Board involved in the marketing and sale of the League's rights in any product or service category are involved in the consideration of a Fair Market Value Assessment of a Transaction in that same category.
13. Where, having reviewed the report referred to in paragraph 11, above, the Board determines, in its reasonable opinion, that the Transaction is evidently not at Fair Market Value, it will inform the Club, Player, Manager or Senior Official of its provisional determination in writing. The Club Player, Manager or Senior Official will then be given seven days in which to respond to this provisional determination. Where following receipt and consideration of the response, the Board remains of the view that the Transaction is evidently not at Fair Market Value, it will confirm that decision in writing and Rule E.60 will apply.
14. Where, having completed a Fair Market Value Assessment, the Board determines that, in its reasonable opinion, the relevant Transaction does not fall to be restated to Fair Market Value, it will confirm the same to the Club and no further action will be required.

A. Application

1. This Fair Market Value Assessment Protocol – Player Registrations (“**Player Registrations Protocol**”) sets out the process by which the Board will conduct the Fair Market Value Assessment required by the Rules in relation to any Associated Party Transaction (or any Threshold Transaction that the Board considers should be subjected to a Fair Market Value Assessment pursuant to Rule E.58) under which the permanent or temporary registration of a player registration is effected (a “**Player Registration**”).
2. Capitalised terms not otherwise defined in this Protocol bear the meaning given to them in the Premier League Rules (“**Rules**”).

B. Rules

3. Fair Market Value is defined as follows:

“Fair Market Value” means the amount for which an asset could be sold, licensed or exchanged, a liability settled or a service provided, between knowledgeable, willing parties in an arm’s length transaction;

4. Fair Market Value Assessment is defined as follows:

“Fair Market Value Assessment” means an assessment as to whether the consideration either paid or received or to be paid or received by the Club, Player, Manager or Senior Official (as applicable) pursuant to a Transaction represents Fair Market Value. In conducting a Fair Market Value Assessment, the Board is required to:

(a) consider:

- (i) an assessment of the value of the Transaction produced by an independent expert procured by the Board (save that the Board may elect not to obtain an assessment by an independent expert where the Transaction in question involves no consideration paid or to be paid to the Club, Player, Manager or Senior Official or involves the sale or loan of a Player’s registration);
- (ii) any relevant information provided by the Club (including any assessment of the value of the Transaction produced or procured by the Club); and

(iii) such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment; and

(b) comply with any protocols agreed by Clubs for that purpose (including the Fair Market Value Assessment Protocol – Commercial Rights Agreements). For the avoidance of doubt, where there is no such protocol in place applicable to a particular type of Transaction, the Board will conduct the Fair Market Value Assessment as it sees fit, in compliance with paragraph (a), above.

C. Process

5. Where a Club is required to submit a Transaction to the League pursuant to Section E of the Rules that involves a Player Registration, it must:
 - a. indicate when uploading the relevant documents to the League's Football Administration System ("**FAS**"), whether the Transaction is a Threshold Transaction, an Associated Party Transaction or neither, using the tick boxes included in FAS for that purpose; and
 - b. where the Transaction is an Associated Party Transaction, also submit via FAS any relevant information, evidence or submissions that the Club wishes to be considered by the Board as to the Fair Market Value of the Transaction, bearing in mind the FMV Assessment Factors set out below.
6. Where a Fair Market Value Assessment of the Transaction is required, the Board may elect to procure an assessment of the value of the Transaction by an independent assessor with suitable experience and expertise ("**Independent FMV Assessor**"). Should the Board elect to procure such an assessment, the Independent FMV Assessor will be:
 - a. provided with:
 - i. a copy of the transfer agreement and any other document(s) recording in full the terms and conditions of the Transaction, with all references to any specific fees or other consideration payable redacted; and
 - ii. a summary of the fee structure (without any specific reference to the value of fees paid or payable), including payment schedule, the structure of any contingent payments; and
 - b. required to provide to the Board an assessment of what constitutes Fair Market Value for the Transaction, based on the FMV Assessment Factors.

7. Where, at any point in the Fair Market Value Assessment process, the League considers that further information or documents from the Club is required in order to reach a conclusive decision as to the Fair Market Value of the Transaction, it may request such information or documents from the Club, which must provide complete and prompt assistance in respect of any such request.

D. FMV Assessment Factors

8. In providing its assessment of what constitutes Fair Market Value of a Transaction, the Independent FMV Assessor must consider all information that is appropriate, relevant and readily available to it, bearing in mind the following non-exhaustive list of relevant factors (the "**FMV Assessment Factors**"):
 - Term of the contract to be entered into by the Player
 - Remaining term of the Player's contract prior to the transfer
 - The Player's age
 - The Player's position
 - The Player's record and experience, including:
 - Appearances and the competition in which those appearances have been made
 - Relevant statistics, including goals, assists and clean sheets
 - Domestic and international honours
 - Personal honours and awards
 - The Player's nationality and GBE status
 - The Player's injury history
 - The financial state and relative bargaining position of the Transferee and Transferor Club or club
 - The Transfer Window in which the Player Transfer is being conducted
 - Any compensation fees previously paid for the Player
 - The Player's brand value and fan base (including social media following and other appropriate metrics)
 - Scarcity within the market for players with similar characteristics to the Player
 - The level of interest in competition to obtain the Player's registration
 - Any urgent need for liquidity of the Transferor Club
 - Any urgent need to acquire the Player's registration (e.g. as a result of injury or lack of availability in a particular position)
 - The remuneration payable to the Player

9. The weight attached to any individual FMV Assessment Factor shall be at the discretion of the Independent FMV Assessor, dependent on the particular Transaction being assessed.
10. Once it has conducted the assessment referred to in paragraph 8, above, the Independent FMV Assessor will provide a written determination to the League's Regulatory team setting out its decision as to what the Fair Market Value of the Transaction is (whether expressed as a single value or a range of values, as it deems appropriate) and an explanation of that decision.

E. Board Assessment

11. Where the Board is required to conduct a Fair Market Value Assessment, once in receipt of any written determination by an Independent FMV Assessor that the Board has elected to procure in respect of the Transaction, the League's Regulatory team will provide to the Board a written report including the following:
 - a. the information provided to the League by the Club, pursuant to paragraphs 6(a) and 7, above;
 - b. the Independent FMV Assessor's written determination, where one is procured; and
 - c. such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment.
12. Where, having reviewed the report referred to in paragraph 11, above, the Board determines, in its reasonable opinion, that the Transaction is evidently not at Fair Market Value, it will inform the Club of its provisional determination in writing. The Club will then be given seven days in which to respond to this provisional determination. Where following receipt and consideration of the response, the Board remains of the view that the Transaction is evidently not at Fair Market Value, it will confirm that decision in writing and Rule E.60 will apply.
13. Where, having completed a Fair Market Value Assessment, the Board determines that, in its reasonable opinion, the relevant Transaction does not fall to be restated to Fair Market Value, it will confirm the same to the Club and no further action will be required.

Appendix 19

Fair Market Value Assessment Protocol - Agreements for the Supply of Goods or Services

A. Application

1. This Fair Market Value Assessment Protocol – Agreements for the Supply of Goods or Services ("**Costs Protocol**") sets out the process by which the Board will conduct the Fair Market Value Assessment required by the Rules in relation to any Associated Party Transactions and Threshold Transactions pursuant to which a Club, Player, Manager or Senior Official is provided with goods and/or services (whether or not a payment is to be made for such goods and/or services).
2. Where an agreement meets the definition in paragraph 1 of this Costs Protocol and also meets the definition in paragraph 1 of the CRA Protocol (i.e. where, for example, pursuant to the same Transaction, the Club or individual receives goods or services but also grants the counterparty rights of association with it/them), the CRA Protocol shall take precedence and the Fair Market Value Assessment shall be conducted in accordance with that document, save that the Independent FMV Assessor should consider the FMV Assessment factors at paragraph 9, below, in relation to the goods and services provided, as well as the FMV Assessment factors at paragraph 8 of the CRA Protocol in respect of the rights granted to the counterparty.
3. Capitalised terms not otherwise defined in this Protocol bear the meaning given to them in the Rules.

B. Rules

4. Fair Market Value is defined as follows:

"Fair Market Value" means the amount for which an asset could be sold, licensed or exchanged, a liability settled or a service provided, between knowledgeable, willing parties in an arm's length transaction;

5. Fair Market Value Assessment is defined as follows:

"Fair Market Value Assessment" means an assessment as to whether the consideration either paid or received or to be paid or received by the Club, Player, Manager or Senior Official (as applicable) pursuant to a Transaction represents Fair Market Value. In conducting a Fair Market Value Assessment, the Board is required to:

(a) consider:

- (i) an assessment of the value of the Transaction produced by an independent expert procured by the Board (save that the Board may elect not to obtain an assessment by an independent expert where the Transaction in question involves no consideration paid or to be paid to the Club, Player, Manager or Senior Official or involves the sale or loan of a Player's registration);
 - (ii) any relevant information provided by the Club (including any assessment of the value of the Transaction produced or procured by the Club); and
 - (iii) such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment; and
- (b) comply with any protocols agreed by Clubs for that purpose (including the Fair Market Value Assessment Protocol – Commercial Rights Agreements). For the avoidance of doubt, where there is no such protocol in place applicable to a particular type of Transaction, the Board will conduct the Fair Market Value Assessment as it sees fit, in compliance with paragraph (a), above.

C. Process

6. Where a Club is required to submit a Transaction to the League pursuant to Section E of the Rules, it must send the following documents, by email, to the League's Director of Governance, at financialcontrols@premierleague.com:
- a. a copy of the documents recording in full the terms and conditions of the Transaction;
 - b. a completed Transaction Summary in the form attached;
 - c. where the Transaction is an Associated Party Transaction, any relevant information, evidence or submissions that the Club wishes to be considered by the Board as to the Fair Market Value of the Transaction, bearing in mind the FMV Assessment Factors set out below; and
 - d. where the Transaction is a Threshold Transaction that the Club does not consider to be an Associated Party Transaction, any information, evidence or submissions that the Club wishes to be considered by the Board as to whether the Transaction is at Arm's Length.
7. Where a Fair Market Value Assessment of the Transaction is required, the Board may procure an assessment by an independent assessor with suitable experience

and expertise ("**Independent FMV Assessor**"). For that purpose, the Independent FMV Assessor will be:

- a. provided with:
 - i. a copy of the Transaction Summary, with all references to any specific payments or other consideration payable by the Club, Player, Manager or Senior Official redacted (with such redactions the responsibility of the Club); and
 - ii. a summary of the payment structure (without any specific reference to the value of fees paid or payable), including payment schedule, the structure of any bonuses, royalties or contingent payments; and
 - b. required to provide to the Board an assessment of what constitutes Fair Market Value for the Transaction, based on the FMV Assessment Factors.
8. Where, at any point in the Fair Market Value Assessment process, the League considers that further information or documents from the Club is required in order to reach a conclusive decision as to the Fair Market Value of the Transaction, it may request such information or documents from the Club, Player, Manager or Official, who/which must provide complete and prompt assistance in respect of any such request.

D. FMV Assessment Factors

9. In providing its assessment of what constitutes Fair Market Value of a Transaction, the Independent FMV Assessor must consider all information that is appropriate, relevant and readily available to it, bearing in mind the following non-exhaustive list of relevant factors (the "**FMV Assessment Factors**"):

Goods

- Nature of the goods to be supplied
- Quality of the goods to be supplied
- Scarcity of the goods to be supplied
- Speed at which the goods are to be supplied and urgency with which they are required by the Club
- Degree to which the goods are bespoke or designed specifically for the Club or individual
- Interoperability of the goods with other goods or services utilised by the Club or individual

Services

- Nature of the services to be supplied

Appendix 19

- Quality of the services to be supplied
- Scarcity of the services to be supplied
- Speed at which the services are to be supplied and urgency with which they are required by the Club
- The identity, experience and expertise of the service provider and the staff tasked with providing the service
- Degree to which the services are bespoke or designed specifically for the Club or individual
- The amount of any capital expenditure required to be made by the Club and/or the service provider to perform the contract and the extent to which such costs are shared among the parties

General

- Fees payable in comparable Transactions in football (and, secondarily, comparable Transactions in other sports or industries of similar profiles, of which the Independent FMV Assessor is aware). For the avoidance of doubt, it is likely that comparable football transactions will be most applicable
 - Term of the Transaction (including, in respect of renewals of existing Transactions, the remaining term of the arrangement)
 - Termination provisions in respect of the term of the Transaction
 - The risk apportionment and the respective liability exposure between the parties to the Transaction
 - Any external factors affecting supply (e.g. COVID-19)
 - The competitive landscape in which the agreement has been concluded
10. The weight attached to any individual FMV Assessment Factor shall be at the discretion of the Independent FMV Assessor, dependent on the particular Transaction being assessed.
11. Once it has conducted the assessment referred to in paragraph 7, above, the Independent FMV Assessor will provide a written determination to the League's Regulatory team setting out its decision as to what the Fair Market Value of the Transaction is and an explanation of that decision.

E. Board Assessment

12. Where the Board is required to conduct a Fair Market Value Assessment, the League's Regulatory team will provide to the Board a written report including the following:
- a. the information provided to the League by the Club, pursuant to paragraph 6;

Appendix 19

- b. the Independent FMV Assessor's written determination, where one is procured; and
- c. such comparable evidence of the values of similar Transactions as is appropriate, relevant and readily available to it at the time of the assessment. In providing such evidence the identity of the Club, Player, Manager or Official in each case will be redacted.
13. Where, having reviewed the report referred to in paragraph 12, above, the Board determines, in its reasonable opinion, that the Transaction is evidently not at Fair Market Value, it will inform the Club, Player, Manager or Official of its provisional determination in writing. The Club, Player, Manager or Official will then be given seven days in which to respond to this provisional determination. Where following receipt and consideration of the response, the Board remains of the view that the Transaction is evidently not at Fair Market Value, it will confirm that decision in writing and Rule E.60 will apply.
14. Where, having completed a Fair Market Value Assessment, the Board determines that, in its reasonable opinion, the relevant Transaction does not fall to be restated to Fair Market Value, it will confirm the same to the Club and no further action will be required.

Articles of Association

- 14.15.** The demand for a poll may, before the poll is taken, be withdrawn, but only with the consent of the Chair and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.
- 14.16.** A poll shall be taken as the Chair directs and he or she may fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the Resolution of the meeting at which the poll was demanded.
- 14.17.** A poll demanded on the election of the Chair or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time and place as the Chair directs not being more than 30 days after the poll is demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- 14.18.** No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded. Termination of the authority afforded to Representatives or proxies

- 18.** A vote given or poll demanded by the Representative or proxy of a Member shall be valid notwithstanding the previous termination of the authority of the Representative or proxy to vote or demand a poll on behalf of the Member unless notice of such termination was received by the Company at the League Office (or at such other place at which the instrument of proxy was duly deposited) before the commencement of the General Meeting or adjourned meeting at which the vote is given or the poll demanded or (in the case of a poll taken otherwise than on the same day as the General Meeting or adjourned meeting) the time appointed for taking the poll.

Governing Body Endorsement Requirements for Players 2022/2023 Season

The rules and criteria set out in this document will apply for the 2022/23 season and will be effective from 1 June 2022. The criteria will be reviewed across the 2022/23 season in order that revised criteria can be issued in advance of the summer transfer window in 2023.

For any queries regarding these criteria or the application process, please contact Freddie Carter (Player Status Department) at Freddie.Carter@thefa.com (or registrations@thefa.com) or on 0844 980 8200 # 4818.

The FA is the approved governing body for Football in the UK. The FA has the ability (subject to other requirements being met) to issue a Governing Body Endorsement for a player, coach or manager who is intended to participate in any of the following:

- any match that has been organised and/or sanctioned by The FA, FIFA or UEFA;
- any match that has been organised by either the Premier League or the English Football League and that has also been sanctioned by The FA; or
- any match or category of match whereby consent of the FA has been given for that player, coach or manager's club to play.

Please note that this guidance should be reviewed in conjunction with the relevant advice issued by the Home Office. The FA is not registered to give advice on immigration routes or processes or to advise on an individual's immigration status and clubs should fully apprise themselves of their duties and responsibilities as sponsors. Information on aspects of immigration policy and law can be found on the Home Office website at www.gov.uk/browse/visas-immigration. You may also wish to seek advice from an Office of the Immigration Services Commissioner (OISC) registered advisor or someone who is appropriately qualified but otherwise exempt from such a registration requirement, for example, a qualified solicitor. The UK Visas and Immigration Centre can be contacted on 0300 123 2241.

If a club is seeking a GBE during a transfer window, any application should be submitted to The FA by midday on the relevant transfer deadline day (at the latest) in order for The FA to process the application that day. If a club signs and registers a Player who does not have a GBE, it should do so in the knowledge that the Player may not be granted a GBE if his application does not comply with the terms of these criteria and the Player may not be able to undertake any employment duties for the applicant club. Clubs are also advised to allow sufficient time for entry clearance or leave to remain to be granted. The time taken may vary depending upon where the player is making his application from. A guide to visa processing times is available on the Home Office website at: www.gov.uk/visa-processing-times.

Please note that an individual's personal and immigration history may be taken into account when their application is being considered.

GBE Status

1. A Player can register for a club without a GBE but, in order to play any football or undertake any employment duties for the club (including participation at training and in friendly matches), he must have obtained a GBE, been assigned a Certificate of Sponsorship by that club and secured leave to remain under T2 or T5 of the PBS (subject to satisfying any other eligibility requirements of The FA and any competitions the club participates in).
2. A club can apply for a GBE for a Player at any time during the Season. In order to apply for a GBE, a club must hold a valid Sponsor's Licence under T2 and/or T5 of the PBS. In order to apply for and obtain a valid Sponsor's Licence, a club must have obtained an endorsement letter for a Sponsor's Licence from the FA. If a Club's Sponsor's Licence is revoked, any Player who has obtained a GBE in order to play for the Club may have his leave curtailed and may have to make a change in employment application which must be granted before the Player can undertake any employment duties for the new club.
3. Clubs in the Premier League or English Football League are eligible for a Sponsor's Licence. Clubs in other leagues within the men's football pyramid are not permitted to field Players unless:
 - a. The Player has obtained a visa outside the GBE system which permits them to play football (on such terms as they in fact play); and

- b. The Player's employment by the club complies with the terms and conditions of their visa and any relevant immigration law, including the Immigration Rules (or any successor legislation), and including but not limited to in relation to the requirements regarding professional sportspersons.
4. If The FA grants an application for a GBE for a Player in accordance with these criteria, the club is permitted to assign a Certificate of Sponsorship to the Player for the period covered by the GBE. The GBE must be presented to the Home Office when the club applies for entry clearance on behalf of a player, which must be done within 3 months of a Certificate of Sponsorship being assigned. Any Certificate of Sponsorship and a copy of the player's biometric residence permit must be submitted to The FA by the club within 3 months of being assigned. Clubs must keep a copy of the relevant page of the Player's passport evidencing their entitlement to work and contact details for the Player, which must be provided to The FA upon request. The club will also have to comply with any other criteria set by the Home Office in order to secure leave to remain under T2 or T5 of the PBS.
 5. A GBE under T2 of the PBS will be granted for three years or the length of the player's contract (whichever is shorter) and a GBE under T5 of the PBS will be granted for twelve months or the length of the player's contract (whichever is shorter). A Player will not be eligible to play for the club beyond the expiry date of the GBE unless the club has applied for and obtained an Extended GBE before the existing GBE has expired in accordance with these criteria and the PBS.

Extensions to or transfers of a GBE

6. An Extended GBE under T2 of the PBS can be obtained for three years or the length of the player's contract (whichever is shorter). If a GBE was granted for less than twelve months under T5 of the PBS, an Extended GBE can be obtained to extend the period of the Player's GBE to a total of twelve months and the application can be made within the country. If a Club wishes to grant an Extended GBE under T5 of the PBS to extend the period of the Player's GBE to over twelve months, the Player must leave the country before the expiry of the twelve month period and make an application for an Extended GBE under T5 of the PBS.
7. A Player who has been granted a GBE under T5 of the PBS can apply (in country) to transfer to a GBE under T2 of the PBS, provided that application is made within twelve months of the T5 GBE being granted. The club must submit a new application for a GBE and provide a pass certificate, or other written confirmation containing an appropriate reference number, from an accredited English language test centre that the Player has passed the English language test required to

- secure leave to remain under T2 of the PBS (in addition to the documents listed in paragraph 17).
8. A Player who has been granted a GBE must submit a new application for a GBE if he wishes to permanently transfer (or has permanently transferred) to another club. If the GBE is granted, the player must submit a change of employment application to the Home Office, which must be granted before the Player can undertake any employment duties for the new club.
 9. Any application for an Extended GBE (in accordance with paragraph 6), a transfer of a GBE (in accordance with paragraph 7) or a new club application for a GBE (in accordance with paragraph 8) shall be considered as follows:
 - a. If the Player's International Appearances meet the Auto Pass Percentage set out in Table 1 of the criteria, a new or Extended GBE will be granted (as appropriate).
 - b. If the Player's International Appearances do not meet the Auto Pass Percentage set out in Table 1 of the criteria, but the value of the Player's Domestic Minutes for the applicant Club is at least 30% a new or Extended GBE will be granted (as appropriate).
 - c. If the Player does not satisfy the requirements in either paragraph a or b above, the club must submit details of the Player's Domestic Minutes for the last 12 months and any other information which it considers to be relevant to its application to The FA. The FA will then provide this information to the Relevant Interested Parties by email. The FA and the Relevant Interested Parties shall consider this information, and any other information which they deem to be relevant in their absolute discretion, to determine whether the player remains of sufficient quality to be awarded a GBE. The FA and the Relevant Interested Parties shall make a decision by simple majority and if a majority of The FA and the Relevant Interested Parties recommend that the player should be awarded a GBE, a new or Extended GBE will be granted (as appropriate).
 - d. The player shall not have a new or Extended GBE granted (as appropriate) other than in accordance with paragraphs a or b above.
 10. If a Player:
 - a. does not turn up for employment;
 - b. is absent for more than 10 working days without permission;
 - c. has his contract terminated during the period that a GBE is effective;
 - d. is no longer sponsored by the club for any other reason; or

Governing Body Endorsement Requirements for Players

- e. experiences significant changes in his circumstances (such as a change in job title, salary or location of employment),

the club must inform the Home Office within 10 days.

11. The club must also inform the Home Office if there is a change of circumstances at the club within 20 working days. A change in circumstances might include changes of name, address or contact details, changes in structure (including mergers, takeovers and de-mergers), changes in financial circumstances (such as administration, receivership, company voluntary arrangement, debt arrangement scheme, liquidation or sequestration).

Temporary Transfers/Loans

12. If a Player who has been granted a GBE in accordance with these criteria is loaned to another club during the period of validity of the GBE, the Player's club must notify the Home Office of the loan and change of location via the Sponsor Management System within 10 working days (regardless of the jurisdiction in which the loanee club is based). The loaning club will retain responsibility as the Player's sponsor.
13. If a Player is loaned from an English Club to another English Club (a "Domestic Loan"), no GBE application will be required by the loanee club. If the Player is loaned from an English Club to a club affiliated to another Home Association, or another National Association, the governing body endorsement process of that association will have to be satisfied by the loanee club.
14. If a Domestic Loan is made permanent, the new club will be required to submit an application for a GBE (which must comply with the requirements set out in these criteria). If the GBE is granted, the player will need to make a change of employment application. Provided the Domestic Loan continues until the date on which the change of employment application is granted, the Player can continue to play for the new club in the interim period.
15. If a Player is loaned from a club affiliated to another National Association (including any Home Nation) to an English Club, a GBE application will be required (which must comply with the requirements set out in these criteria).
16. When a Player returns to his parent club after a loan period, no GBE application will be required by the parent club (provided the GBE remains valid beyond the date of the Player's return).

GBEs will not be issued in respect of Players who are trialling with an English Club. If a Club wishes to trial a Player, it should contact the Home Office.

 - a. a Player achieves between 10 and 14 points in accordance with paragraphs 31-44 and the Club can evidence that exceptional circumstances prevented the Player from achieving 15 points; or
 - b. If the Player is a Youth Player, the Club can evidence that the Youth Player shows significant potential and is of sufficient quality to enhance the development of the game in England.
25. If the Club requests an Exceptions Panel, the procedure in paragraphs 45-53 shall apply.

Calculations

27. If a Player has played for two (or more) clubs during the Reference Period, or a Player is or has been a Free Agent during the Reference Period, the Player's Continental Minutes, Player's Domestic Cup Minutes and Player's Domestic Minutes (each, the "Minutes") will be calculated in accordance with paragraphs 28-29 below.
 28. For each of the Minutes criteria, the applicant club should calculate a weighted average (using the annex to the application form at Appendix 1) as follows:

 - b. Calculate the percentage of the overall Reference Period that each of those periods of time represents.

 - d. Multiply each of the numbers at (b) by their corresponding number at (c).
 - e. Add each of the numbers at (d) to find the weighted average value for the Minutes.
 29. If only one of the clubs played in a Continental Competition, the Player's Continental Minutes shall be the percentage the Player played in for that club.
 30. If the calculation of a Player's International Appearances, Player's Domestic Minutes, Player's Domestic Cup Minutes or Player's Continental Minutes (or any other percentage) results in:
 - a. a decimal number of .5 or higher, the number will be rounded up to the next whole number; or
 - b. a decimal number of lower than .5, the number will be rounded down to the next whole number.

Exceptions Panels

Please note that Exceptions Panels will not be available after the summer transfer window in 2021.

45. If a club requests an Exceptions Panel in accordance with paragraph 24, The FA will appoint an independent panel of three members, which shall include one legally qualified chair and two panel members who have relevant experience at the top level of the game (the “**Panel Members**”).
46. The FA may also, at its absolute discretion, refer any question in relation to the interpretation or application of any aspect of these criteria to either a legally qualified chair of the Exceptions Panel or an Exceptions Panel (as appropriate) to determine. Any decision made by a chair of the Exceptions Panel or an Exceptions Panel under this paragraph shall be final and binding.
47. A fee of £5,000 plus VAT will be charged for every Exceptions Panel, which must be paid by the club before the application will be considered by the Exceptions Panel.
48. The club will be notified of the identity of the Panel Members and have the opportunity to challenge the appointment of any Panel Member on the basis of an actual or perceived conflict of interest. Each Panel Member shall also have the opportunity to declare an actual or perceived conflict of interest (of him or herself or any other Panel Member) to the Chair or, if the conflict of interest relates to the Chair, to The FA. The Chair, or The FA respectively, shall then determine whether the Panel Member should be excluded from participating in the application. If the Panel Member is excluded from participating in the application, The FA will appoint a replacement Panel Member (to whom this paragraph shall also apply).
49. The Exceptions Panel can request any further information from The FA's Player Status Department, the applicant club or any third party (via The FA's Player Status Department) that it deems necessary, in its absolute discretion, in order to make its decision. If an Exceptions Panel meeting has been convened or is in progress when a request for further information is made, the Chair may adjourn the meeting to allow the information to be gathered. Where it is able to do so, the applicant club or The FA's Player Status Department will supply the further information to the Exceptions Panel within a reasonable timescale.
50. The Exceptions Panel shall only recommend to The FA that a GBE be granted if it is satisfied that either:

- a. exceptional circumstances prevented the Player from achieving 15 points, and if those exceptional circumstances did not apply, the Player would have achieved 15 points; or
 - b. the Youth Player shows significant potential and is of sufficient quality to enhance the development of the game in England and justify the Exceptions Panel recommending that a GBE be awarded.
51. The Exceptions Panel will make its decision, based on the papers submitted to it, at an in- person or virtual meeting at which The FA's Player Status Department will provide appropriate secretarial support. Each Panel Member has one vote and the decision will be made by a simple majority, with the chair having a casting vote.
 52. If the Exceptions Panel recommends to The FA that a GBE be granted, The FA will consider whether to grant a GBE (but is under no obligation to do so).
 53. Written reasons for the decision will be supplied by the Exceptions Panel to the applicant club. Written reasons will also be provided to the relevant league Stakeholder with a redacted copy provided (on a confidential basis) to all Stakeholders.
